Health Yourself to the 22nd Century Chrysona, 2018-05-17 This is one book that you will not want to put down It is compelling and packed full of current data It will become your GO TO reference book for health for many years to come In the 21st century we have vast and growing populations with immense ever evolving knowledge at hand Yet we are beholden to self indulgent lifestyles social oppression out of control diseases chemicals and pollution that threaten our lives and foods that do not nourish our bodies But still there is great hope Together we can build a contemporary structure for personalized self care Piece by piece we can develop a skillset that encompasses current and historical understandings of the many components needed to create a new model for optimum human wellness Most of us simply don't need to be sick or overweight We never did The name Chrysona was given to the author decades ago by a spiritual master and to go with such a unique name she offers her highly unconventional life and esoteric point of view to the world She hopes to inspire her readers to put aside what they think they know for a few hours and open their hearts and minds to the infinite possibilities of the 21st century and beyond Chrysona asks Is there any limit to how far we can go in optimizing our minds bodies spiritual connection and emotions

The Accidental Activist Matt Ball , 2014-06-10 Not every activist starts out with the goal of changing the world Some have their life shaped by chance quirks of timing and strange coincidences And an unwillingness or simple inability to fully ignore the horrors perpetrated on animals today Since Matt Ball learned of factory farms well over a quarter century ago his journey has been anything but linear Instead his evolution

has been fraught with denial regression conflicts and failures Matt's evolution shows that not every activist is a confident extrovert with all the answers His struggles often publicly played out in written form in newsletters mailings blogs have influenced directly and indirectly countless individuals Even though accidental and reluctant the hard learned but ultimately pragmatic lessons Matt shares in this book are changing the world Having learned from years of mistakes his insights can help others be effective and hopefully happier as well As Peter Singer notes A new future is in sight one that Matt Vegan Outreach and other advocates are hard at work creating This book can help each of us be a part of bringing about this new future
