Our Colorado Immortals in Stained Glass Elaine A. Clearfield, Elaine Clearfield, 1986-11-01 Colorado Vanguard's: Historic Trailblazers and Their Local Legacies Phyllis J. Perry, 2015 Colorado history is filled with maverick men and women who shaped the state's identity and culture Trailblazers Zebulon Pike and Stephen Long laid groundwork for the miners farmers and statesmen who helped the area evolve into a territory and a state Father of Rocky Mountain National Park Enos Mills and writer Isabella Bird praised the surrounding natural splendor and championed its preservation Entrepreneurs Otto Mears and William Jackson Palmer linked mines with towns such as Colorado Springs and Telluride while the innovations of F O Stanley and Nikola Tesla energized the state Author Phyllis J Perry chronicles the lives of thirty men and women who left their indelible marks on Colorado *Asians in Colorado* William Wei, 2016-04-01 Providing the most comprehensive examination to date of Asians in the Centennial State William Wei addresses a wide range of experiences from anti Chinese riots in late nineteenth century Denver to the World War II incarceration of Japanese Americans at the Amache concentration camp to the more recent influx of Southeast Asian refugees and South Asian tech professionals Drawing on a wealth of historical sources Wei reconstructs what life was like for the early Chinese and Japanese pioneers and he pays special attention to the different challenges faced by those in urban versus rural areas The result is a groundbreaking approach that helps us better understand how Asians survived and thrived in an often hostile environment Offering a fresh perspective on how cycles of persecution are repeated Wei reveals how the treatment of Asian Americans resonates with the experiences of other marginalized groups in American society His study sheds light not only on the Asian American experience but also on the development of Colorado and the greater American West Denver's Chinatown 1875-1900 Jingyi Song, 2019-10-29 *Denver's Chinatown 1875 1900 Gone But Not Forgotten* explores the coming of the Chinese to the Western frontier and their experiences in Denver during its early development from a supply station for the mining camps to a flourishing urban center The complexity of race class immigration politics and economic policies interacted dynamically and influenced the life of early Chinese settlers in Denver The Denver Riot as a consequence of political hostility and racial antagonism against the Chinese transformed the life of Denver's Chinese eventually leading to the disappearance of Denver's Chinatown But the memory of a neighborhood that was part of the colorful and booming urban center remains Colorado's U.S. Senators Wayne Allard, 2007 An informative who's who of Colorado's senators **Forthcoming Books** Rose Army, 1990 Memorials and Art in and Around the Colorado State Capitol , 1992 **The Iowa Alumni Review** , 1987 The Colorado State Capitol Derek Everett, 2005-03-15 As the representative building of the state the Capitol has served as a silent witness to the evolving needs and interests of all Colorado citizens The statehouse provided a proud testament for nineteenth century Coloradoans who wanted to prove their state's potential through grand architecture and it represents the heart of Colorado to this day In one comprehensive volume historian Derek Everett traces the establishment planning construction
