## **Our Eyes Can Be Opened Preaching The Miracle Stories Of The Synoptic Gospels Today:**

*Our eyes can be opened : preaching the miracle stories of the synoptic gospels today* Ronald J. Allen, 1982     The Miracle Stories of the Synoptic Gospels Herman Hendrickx, 1987     *Homiletic* David G. Buttrick, 1987-01-01 Buttrick presents a complete homiletic that focuses on how sermons form in consciousness and how the language of preaching functions in the communal consciousness of a congregation His phenomenological approach marks a sharp departure from older homiletics     *The Gospel of Matthew and the Sayings Source Q* Frans Neirynck, 1998     *With Ears to Hear* Robin R. Meyers, 2007-10-01 What makes good sermons And how do they come to be Appropriating insights from the history of rhetoric and modern communications theory Robin Meyers proposes that truly effective sermons involve more than moralistic proselytizing or three points and a joke Rather the preacher must enter into dialogue not only with Scripture and the congregation but creatively with him or herself as well This willingness to listen to one s own sermon this willingness to be freshly persuaded will help enable the preacher to communicate with greater passion insight poetry and clarity

Encounter , 1984     **Christian Communication** , 1989-09-26 The rise of the fundamental religious broadcasters in the United States has triggered an intense popular interest in mediated Christianity and prompted the traditional churches to reexamine their own policies toward mass communication The ensuing dramatic increase in the number of studies on the subject has prompted a corresponding need for a comprehensive index of valuable materials Christian Communication is the first wide ranging annotated bibliography of available books articles theses and dissertations in English French German Spanish and Italian that deals with all forms and aspects of Christian communication even comic books and the computer The bibliographies for this collection were drawn from several sources including the Library of Congress several important computerized databases manual searches of such institutions as the Billy Graham Center and the Graduate Theological Union among others and references in dissertations Most importantly only accessible items which could be checked and reviewed by Soukup and his research staff have been included here The volume is arranged to maximize ease of access and use and is based on the general academic division of communication studies The first chapter contains an introduction cross referenced to the bibliographies that reviews the history of church communication the major issues that characterize it and suggests possibilities for future study Next a resource chapter lists periodicals which address specific areas of religious communication or frequently published articles of interest cites bibliographic guides to the material and surveys directories of both personnel working in the field of Christian communication and of catalogs of relevant materials The following seven chapters contain the major bibliographical sections that review communication theory history rhetoric interpersonal communication mass communication intercultural communication and other media The volume closes with helpful name title and subject indexes that make this guide thoroughly user friendly and an important research tool for church communicators theological students and communications scholars working in philosophical or qualitative areas     **Preaching as a Social**

**Act** Arthur Van Seters, 1988 An excellent set of essays each exploring the sociological nature of preaching Setting the sermon and the congregation each within the larger social frame many of the essays cover the relationship of discourse rhetor audience speaking feedback language action     The Catholic Biblical Quarterly Wendell Stephen Reilly, 1983 Includes various reports of the Association     **Whitaker's Books in Print** , 1998     **Bibliographies on the Life and Teachings of Jesus** Watson E. Mills, 1999 This is part of a series of bibliographies of 20th century books dissertations periodicals and articles on the life and teachings of Jesus Christ This volume deals with the miracles of Jesus     *National Union Catalog* , 1982 Includes entries for maps and atlases     *Subject Catalog, 1982* Library of Congress, 1982     **Paperbound Books in Print** , 1992     **Paperbound Books in Print 1995** Reed Reference Publishing, Reference Reed, 1995-12     **Subject Catalog** Library of Congress, 1982     **Subject Guide to Books in Print** , 1996     **The Cumulative Book Index** , 1983 A world list of books in the English language     **Whitaker's Cumulative Book List** , 1984     Elenchus bibliographicus biblicus of Biblica , 1984
