Our Families Our Values Snapshots Of Queer Kinship:

Our Families, Our Values Robert Goss, Amy Adams Squire Strongheart, 2019-07-16 Our Families Our Values challenges both the gay community and American society to examine carefully the meaning of family values and the nature of social institutions such as marriage and the family It asks you provoking even disturbing questions such as Is it prudent for members of the Lavender community to mimic heterosexual marriage or define personal relations networks as families when these institutions are rapidly collapsing Are we attempting to mainstream American society into accepting different views of marriage and families Are we subscribing to notions of sexual property that are inherent to the marriage ceremony and the institution of marriage when we choose to be married Despite the complexities of this issue marriage constitutes a privileged position in western society and as this book shows you without the legal recognition of same sex marriages there are many fundamental rights as well as privileges denied to gay lesbian bisexual and transgendered persons As Our Families Our Values turns upside down the widely accepted notion that only heterosexual people are entitled to get married have sex and rear children you gain insight into personal struggles and affirmations that testify to the spirituality procreativity and wholesomeness of the diverse relationships of the Lavender community You will also learn about various ongoing efforts to give religious pride to the various configurations of gay relationships families and values and the disruption of popular interpretations of the Scriptures that have been used to justify the oppression of sexual minorities This book will intrigue you over and over again as you read about value systems transphobia equal marriage rights Buddhism s rejection of traditional family values Brazil s sex positive culture differences between gay male social formations and families choosing a language and terms that empower sexual minorities and the essence of the liberation movement sex as communion relationships based on nurture not transaction Designed for academics and students of religion pastors priests rabbis and lay readers alike Our Families Our Values is a multifaceted view of the gay community s response to the public controversy over gay marriage adoption and foster care rights Ideal as a textbook for courses in sexuality theology sociology women s studies and gay and lesbian studies this book will both inform you and delight you as it reminds you that same sex unions bring much cause for celebration and that religion and homosexuality are not mutually exclusive **Same Sex Intimacies** Catherine

Donovan, Brian Heaphy, Jeffrey Weeks, 2003-09-02 Our families are increasingly a matter of choice and the choices are widening all the time This is particularly true of the non heterosexual world where the last ten years have seen a popular acceptance of same sex partnerships and to a lesser extent of same sex parenting Based on extensive interviews with people in a variety of non traditional relationships this fascinating new book argues that these developments in the non heterosexual world are closely linked to wider changes in the meaning of family in society at large and that each can cast light on the other Same Sex Intimacies gives vivid accounts of the different ways non heterosexual people have been able to create meaningful intimate relationships for themselves and highlights the role of individual agency and collective endeavour in

forging these roles as friends partners parents and as members of communities This topical book will provide compelling reading for students of the family sexuality and lesbian and gay studies **Queering Christianity** Robert E.

Shore-Goss,Thomas Bohache,Patrick S. Cheng,Mona West,2013-06-25 A fascinating read for anyone seeking to understand the conflict between Christianity and LGBTQI individuals this book is as its editors proclaim a fearlessly wide vision of queer Christians finding a place within Christianity and claiming their authentic experience and voice Through essays by noted lesbian gay bisexual transgender queer or questioning and intersex LGBTQI religion scholars this important compilation summarizes the history and current status of LGBTQI theology exploring its relationship to the policies practices and theology of traditional Christianity Contributors contrast the radically inclusive thinking of LGBTQI theology with the exclusivity practiced by many Christian churches explaining the reasoning of each and clarifying contentious issues At the same time the book highlights ways in which queer theology and practice benefit Christian congregations Writing from the perspective of grassroots Christian LGBTQI movements many of the contributors draw upon their own experiences They provide graphic examples of the effects exclusion has on individuals congregations and denominations and also share examples of inclusion and its effects Equally important the work creates the basis for dialogue between traditional churches and followers of LGBTQI theology offering practical suggestions for Christian congregations that wish to put aside exclusionary policies and practices **Border Sexualities, Border Families in Schools** Maria

Pallotta-Chiarolli,2010-05-16 The first book of its kind internationally Border Sexualities Border Families in Schools explores the experiences of bisexual students mixed sexual orientation families and polyamorous families in schools For the first time a book foregrounds the voices and experiences of these students and families who are falling into the gaps or on the borders of a school s gay straight divide in anti homophobia policies and programs and schools recognizing families as meaning either heterosexual couples or increasingly homosexual couples Drawing from interviews and online research with students parents and teachers as well as providing a comprehensive overview and analysis of international educational and health research and media popular cultural texts this book addresses the following what are the problematic and or empowering experiences and strategies of bisexual students multisexual and polyamorous families in educational systems what could schools be doing to promote healthy sexual emotional and social relationships for bisexual students and multisexual polyamorous families in school communities what recommendations implementations do bisexual students and multisexual polyamorous families suggest in regard to school curriculum school policies and student welfare in order to acknowledge and support family diversity in school communities In particular the research findings which are reported in this book show that border sexualities and border families use three types of strategies passing or normalization and assimilation in school settings bordering or negotiation and navigation between the private world of home and public world of school and polluting or non compliance and resistance thereby outing their sexualities and families within the school world Within a social

deconstructionist multicultural post colonial feminist queer theoretical framework this book spans health education sociology psychology gender family sexuality and cultural studies *Lesbian Epiphanies* Karol L Jensen, 2013-12-02 Exploring identity development and gender orientation *Lesbian Epiphanies Women Coming Out in Later Life* contains firsthand information about the experiences and difficulties of women who discover and reveal their newfound lesbian sexuality in later life Psychologists social workers counselors and professors will find that *Lesbian Epiphanies* is the first book to extensively quote from interviews of lesbians and bisexuals who had entered into heterosexual marriages From the analysis of these 24 interviews the psychological erotic and social processes of women who come out as lesbians or bisexuals after a heterosexual marriage are clearly explained so you can better assist your clients throughout this coming out process Discussing the personal and societal standards which clouded early self awareness for these women *Lesbian Epiphanies* lifts the veil of confusion to clearly illuminate the issues at hand to assist you in understanding and helping your clients From the case studies in this important book you will learn how some women came to realize their same gender attractions and the barriers they faced including negative attitudes toward lesbian women and the lack of strong role models Helpful and informative *Lesbian Epiphanies* explores the development of sexual identity in women in the United States today and provides you with essential information to help you improve your services to lesbian and bisexual clients by examining how the role of marriage in American culture stifles a woman's self awareness of her sexuality in order to help clients avoid the mistake of a heterosexual marriage before husbands and children are involved examining reasons behind the lack of valuable sexual information in America that limits a woman's general awareness of herself her body her sexuality and her life options understanding the challenges that lesbians and bisexuals experience when attempting to establish their true identities to assist your clients in overcoming these barriers suggesting support groups for clients who are having a difficult time becoming used to the ideas and feelings of some same gender attractions This insightful book knocks down the sociological and psychological barriers that keep women from realizing or acknowledging their real sexual orientation by dispelling societal and cultural myths about what it means to be a woman in the United States Offering you invaluable advice on how to help clients effectively and happily live with their new identities *Lesbian Epiphanies* provides solutions to the challenges that women experience in establishing their other than heterosexual orientation in a heterosexist society *In the Pink* Sue Levin, 1999 Readers of *In the Pink* will gain practical useful tips on running and starting a gay focused business being partners with their partners managing gay employees and much more *In the Pink* also gives the reader personalized help on general issues such as motivation personality finance marketing planning and management from a gay perspective It tells you how to find a mentor how to apply for a bank loan how to market to the gay and non gay communities whether or not your business should come out and much more Copyright Libri GmbH All rights reserved **The Construction of Attitudes Toward Lesbians and Gay Men** Tracy Luchetta, Patricia L Pardie, 2013-11-12 Discover new information and

perspectives on why today's culture holds prejudice toward gay men and lesbians

The Construction of Attitudes Toward Lesbians and Gay Men explores the pervasiveness and widespread social acceptance of heterosexism in the United States by analyzing existing social and political systems for their representative beliefs. As a scholar or student of psychology, sociology, women's studies, gay/lesbian studies, or social work who is concerned with the need for positive change in attitudes toward same-sex relationships, this book is for you. You will learn more about current indicators of heterosexism and homonegativity at multiple levels of representation and better understand the cultural obstacles and openings for attitudinal transformation.

In **The Construction of Attitudes Toward Lesbians and Gay Men**, empirical research, critical social analysis, theoretical development, and case study applications are used to investigate negative attitudes toward homosexuals. Some of the individual, social, and cultural prejudices that you will examine include HIV/AIDS stigma and HIV/AIDS knowledge, negative legal imagery of homosexuals portrayed by courts such as in the 1996 majority opinion in *Romer v. Evans*, the lack of civil rights for homosexuals, including laws forbidding homosexual marriage, homophobia in academia based on institutional policies for spouse benefits, Judeo-Christian mythologies, stereotypical masculine and feminine images portrayed by the media, sociocultural and historical origins of sexism.

The Construction of Attitudes Toward Lesbians and Gay Men is a critical investigation of representations of homonegativism in American culture. You will gain a deeper understanding of individual identities and relational behaviors within today's dominant culture through an analysis of collective ideologies, institutional policies, and more. The immense research and knowledge contained in this book provides you with a multifaceted view of current indicators of heterosexism and homonegativity and works to eliminate anti-gay/lesbian prejudice.

From Toads to Queens Jacobo Schifter, 2021-02-25

The information in **From Toads to Queens: Transvestism in a Latin American Setting**, a 2000 Lambda Nominee, is crucial to understanding Latin American culture and its relation to HIV prevention. You will find research findings that offer insights into and analysis of the sexual culture and risk factors that place transvestites in the sex trade and their customers at risk of contracting HIV. This information could prove valuable to developing preventions and interventions for similar populations in countries all over the world.

In **From Toads to Queens: transvestites in the sex trade and their customers**, share fascinating personal accounts from their daily lives, including details of their sexual encounters. Specifically, you will gain insight into sexual practices, pay rates in the sex trade, types of lovers and sexual partners, locations of work, conceptions of fashion and beauty among transvestites, relations between transvestites, the police, and gay bashers, clients who are heterosexual men, drug consumption, and unsafe sex.

From this book, you will gain a comprehensive analysis of Latin transvestites, how this population questions assumptions about sexual orientation and practice, and how they are affected by the HIV/AIDS epidemic. Most importantly, **From Toads to Queens** documents boundary-crossing individuals, existence, and subverts the simplistic division of people into traditional psychiatric categories, a crucial first step in devising ways to decrease the rates of HIV infection among specific populations.

[Lila's House](#) Jacobo Schifter, 2014-06-11

Lila's

House Male Prostitution in Latin America presents insight into male prostitution in a truly global array of Latin American countries This study focuses on a very specific sexual culture within the realm of male prostitution the young men of a lower middle class brothel catering to a broad range of clients You will explore the culture of juvenile prostitution and learn from the immediate intervention program that was implemented Twenty five young men between the ages of 13 and 27 were interviewed for this study They share with you their views on sexual initiation sexual definition sexual orientation love drug use prostitution family relationships relationships with men and women The young men interviewed for this study are in serious danger of being exposed to the AIDS virus and of becoming addicted if they are not already to cocaine crack or alcohol Those conducting the study initiated a campaign to supply condoms and raise the young men s awareness about AIDS and drugs and began an immediate support program The project resulted in the establishment in June 1997 of an alternative home for juvenile prostitutes which offers various opportunities for education and work *Military Trade* Steven

Zeeland, 2019-07-18 A same sex attraction for soldiers and sailors spans the globe and predates the term homosexual by several thousand years But these days military chasers are likely to be seen as doubly incorrect Most are gay men who pursue straight men And many of them do it in public What continues to motivate so many men to brave arrest violence and the scorn of gay leaders who condemn any non gay homosexual desire as internalized homophobia In *Military Trade* now updated to include an expanded photo insert Steven Zeeland author of *Sailors and Sexual Identity* *The Masculine Marine* and *Barrack Buddies* and *Soldier Lovers* brings together an edgy enlightening and richly entertaining collection of voices with a passion for servicemen including a TV talk show host who pimped Marines to Hollywood stars a heavy metal superstar who dreams of being reincarnated as a Marine boot a woman trapped in a gay man s body who seduces Marines online then dominates them in person with strap on dildos a former Force Recon Marine who complains of being chased by civilians but is now a Marine chaser himself By turns steamy hilarious appalling and deeply moving *Military Trade* challenges assumptions about both chaser and chased and poses pointed questions about the wisdom of those who seek to divide the world into straight and gay The interviews and essays collected in this book suggest that paradoxically for many men the advances of the gay rights movement have actually made it more difficult to form affectional bonds with other men Gay sex has never been more openly advertised But the military love of comrades is something that gay life can t offer *Military Trade* offers groundbreaking insight into the difference between military chasers and uniform fetishists why gay men prefer sailors and Marines over soldiers and airmen the surprising range of sexual buddy and even love relationships chasers form with servicemen the nuances of trade and civil military male prostitution what has been overlooked in the sex panic debate about men who have sex in public places For anyone interested in queer theory the construction of masculinity or sex between men outside of gay urban culture and for anyone who has ever thrilled at the sight of a man in uniform *Military Trade* is must reading *Introducing a Hermeneutics of Cispicion* Jo Henderson-Merrygold, 2024-06-13 A hermeneutics of cispicion

challenges cisnormative presuppositions that shape and at times occlude the variations in gender and sex exhibited by key characters in the ancestral narrative of Genesis 12-50. It charts the progression from Paul Ricoeur's hermeneutics of suspicion through liberation feminist and queer approaches. Focusing on Deryn Guest's queer and trans hermeneutics, Henderson Merrygold then offers a new strategy for reading against fixed binary gender assumptions where a character's sex always matches that assigned at birth. The initial case study addresses Sarah, who is the proto matriarch of the ancestral narratives in Genesis. Masculinities contrast with femininities and Sarah's own agency makes the picture of a consistent gender hard to identify. By closely reading the text, different facets of Sarah's story emerge to emphasise how much the narrative directs the reader towards a cisnormative reading. However, Henderson Merrygold shows it is not only the images of Sarah as feminine woman and mother that remain visible. The subject of the second case study, Esau, is regularly judged to be a hypermasculine character due to his bodily appearance but repeatedly fails to fulfil the expectations related to that appearance. Though often condemned as a poor example of hyper masculinity, a cuspicious reading identifies a richer and more nuanced figure. Attending to Esau's actions, his rejection of the gendered expectations appears intentional, allowing him to settle more comfortably into his own identity. This project advocates for and demonstrates the value of creative interpretations of biblical texts that challenge both malestream and feminist gender assumptions.

The Cultural Politics of Emotion Sara Ahmed, 2013-11-15. In *The Cultural Politics of the Emotions*, Sara Ahmed develops a new methodology for reading the emotionality of texts. She offers analyses of the role of emotions in debates on international terrorism, asylum and migration, and reconciliation and reparation, and reflects on the role of emotions in feminist and queer politics. Of interest to readers in gender studies and cultural studies, the psychology and sociology of emotions, and phenomenology and psychoanalysis, *The Cultural Politics of the Emotions* offers new ways of thinking about our inner and our outer lives.

Shaking the World for Jesus Heather Hendershot, 2010-03-15. In 1999, the Reverend Jerry Falwell outed Tinky Winky, the purple character from TV's *Teletubbies*. Events such as this reinforced in many quarters the common idea that evangelicals are reactionary, out of touch, and just plain paranoid. But reducing evangelicals to such caricatures does not help us understand their true spiritual and political agendas and the means they use to advance them. *Shaking the World for Jesus* moves beyond sensationalism to consider how the evangelical movement has effectively targeted Americans as both converts and consumers. Since the 1970s, thousands of products promoting the Christian faith are sold to millions of consumers each year through the Web, mail order catalogs, and even national chains such as Kmart and Wal-Mart. Heather Hendershot explores in this book the vast industry of film, video, magazines, and kitsch that evangelicals use to spread their message. Focusing on the center of conservative evangelical culture, the white middle-class Americans who can afford to buy Christian lifestyle products, she examines the industrial history of evangelist media, the curious subtleties of the products themselves, and their success in the religious and secular marketplace. To garner a wider audience, Hendershot argues

evangelicals have had to carefully temper their message But in so doing they have painted themselves into a corner In the postwar years evangelical media wore the message of salvation on its sleeve but as the evangelical media industry has grown many of its most popular products have been those with heavily diluted Christian messages In the eyes of many followers the evangelicals who purvey such products are sellouts hucksters more interested in making money than spreading the word of God Working to understand evangelicalism rather than pass judgment on it Shaking the World for Jesus offers a penetrating glimpse into a thriving religious phenomenon

Trans Biblical Joseph A. Marchal, 2025-04-08 Trans Biblical provides some of the most exciting new scholarly work in trans biblical interpretation to help us better understand our Bibles our bodies and one another in a fraught and fractious world Trans Biblical New Approaches to Interpretation and Embodiment in Scripture offers a collection of wide ranging essays exploring key issues animating trans biblical interpretation from a variety of angles and emphases Contributors who themselves represent a range of gender identities answer the question what makes a biblical reading trans or a trans reading biblical in diverse and exciting ways They also promote new ways of thinking about gender variation in the ancient world while more sensitively and critically addressing ongoing debates about gender and embodiment This collection is a helpful entrance into how biblical readers and interpreters can make new more creative reflexive and accountable connections to influential texts and traditions It represents a historic effort to situate expand and elaborate on the current trajectories of trans biblical interpretation Gender variance is as old as stories about creation and biblical texts are more variable than we have been trained to see They disrupt present day assumptions of a simple and stable gender binary often deployed against trans nonbinary and gender nonconforming people Taking us from Genesis through the Gospels and epistles and into rabbinic and early Christian scriptural engagement Trans Biblical sharpens our awareness of what is in these texts and builds up our capacities for what can be done with our encounter with biblical texts and traditions In short the work of the scholars gathered in this one convenient collection meets an important even urgent need by providing a range of entry points and approaches to biblical texts and traditions in a contextually and theoretically nuanced fashion

The Languages of Sexuality Jeffrey Weeks, 2011-04-29 Clearly presenting complex ideas this absorbing book is a compendium of one hundred words which are key to the understanding of contemporary sexualities and intimacies and shows how they can be magical in the unfolding of sexual meanings

Trans-Gender Justin Sabia-Tanis, 2018-06-25 Rev Dr Justin Tanis is a creative queer theologian and activist with a wealth of pastoral experience His classic Transgender Theology Ministry and Communities of Faith is now available again for faith communities and university students struggling to include trans people It is a primer for understanding the spiritual journeys of transgendered people examining the biblical support for inclusion and provides faith communities guidelines for hospitality His notion of gender as a calling is a creative theological proposal for all of us to recognize our own gender calling and the diverse callings of the marginalized Tanis imaginatively uses the image of twilight space of dawn and dusk in between space occupied by trans people His theology

impacted my own commitment to transgendered rights and inclusion At this time of conservative religious targeting the advances of trans gendered people we need the prophetic theological voice of Justin Tanis compassionate inclusion Rev Dr Robert E Shore Goss Queer Theologian and author of Jesus Acted Up Justin gives tremendous insight into life at the intersection of gender identity and faith As a transgender Latina religious leader and psychotherapist I have referenced Justin s book in workshops and discussion groups to help allies and advocates of the transgender community to understand and promote acceptance of the transgender community Justin s book is a must read for clergy who want to integrate transgender community members in to their congregations Nicole M Garcia MDiv MA LPC Transgender Theology Ministry and Communities of Faith remains a trailblazing work in the exploration of transgender identities gender variance and Scripture and responses of exclusion and inclusion conveyed by communities of faith Dr Tanis wide ranging research and candid conversations about transgender persons seeking faithful spiritual identity provides a helpful framework for transgender people and for families friends and communities who want to support us Outlining explicit and implicit barriers to participation Tanis challenges faith communities to offer genuine hospitality and welcome to transgender and gender non conforming people offering several ways to extend such welcome including liturgical resources created specifically for the transgender community This text continues to be a valuable resource for my parish ministry pastoral care professional writing and personal reflection I am grateful to see it back in print Rev Dr David Weekley Justin Tanis earned his PhD from the Graduate Theological Union in Interdisciplinary Studies a Master of Divinity degree at Harvard University and a Doctor of Ministry from San Francisco Theological Seminary As a pastor he served congregations in Boston Honolulu and San Francisco and was Director of Leadership Development for Metropolitan Community Churches he is now affiliated with the United Church of Christ He works at the Center for LGBTQ and Gender Studies in Religion and previously directed communication work for the Hawai i Equal Rights Marriage Project National Center for Transgender Equality and Out Equal Workplace Advocates In addition to Transgender Ministry Theology and Communities of Faith which was a finalist for a Lambda Literary Award he is a contributor to the forthcoming Understanding Transgender Identity Baker Academic Press He has also contributed chapters to the Queer Bible Commentary and Take Back the Word A Queer Reading of the Bible [Sex and Uncertainty in the Body of Christ](#) Susannah Cornwall,2016-04-08 Mainstream Christian theology has valued the integrity of the body and the goodness of God reflected in creation However it has also asserted the complementarity of normal male and female physiology Sex and Uncertainty in the Body of Christ offers the first systematic theology of the intersexed body The book analyzes the theological implications of physical intersex conditions and their medical treatment The medical assumption of what constitutes male and female bodies is shown to raise essential questions about the meaning of incarnation and bodiliness The book argues for a theology that speaks to stigmatized and marginal bodies examining the impact of such a theology on sex marriage sexuality perfection healing and the resurrected body **Feminist Companion**

to John Amy-Jill Levine, Marianne Blickenstaff, 2003-01-01 V 2 studies includes some that seek to locate the cumulative effect of all the stories concerning women these lead to general suggestions concerning both the evangelist's view of gender and the role of women in the Johannine community Also Christological language and theological categories in search for an alternative to the androcentrism and exclusivity theologians typically associate with the Fourth Gospel Highlights of specific scenes e.g. crucifixion appearance to Mary Magdalene to interrogate the function of feminine imagery the implications of particularly troublesome verses the cultural appropriations of the narratives from back cover Envisioning Religion, Race, and Asian Americans David K. Yoo, Khyati Y. Joshi, 2020-08-31 In Envisioning Religion Race and Asian Americans David K Yoo and Khyati Y Joshi assemble a wide ranging and important collection of essays documenting the intersections of race and religion and Asian American communities a combination so often missing both in the scholarly literature and in public discourse Issues of religion and race ethnicity undergird current national debates around immigration racial profiling and democratic freedoms but these issues as the contributors document are longstanding ones in the United States The essays feature dimensions of traditions such as Islam Hinduism and Sikhism as well as how religion engages with topics that include religious affiliation or lack thereof the legacy of the Vietnam War and popular culture The contributors also address the role of survey data pedagogy methodology and literature that is richly complementary and necessary for understanding the scope and range of the subject of Asian American religions These essays attest to the vibrancy and diversity of Asian American religions while at the same time situating these conversations in a scholarly lineage and discourse This collection will certainly serve as an invaluable resource for scholars students and general readers with interests in Asian American religions ethnic and Asian American studies religious studies American studies and related fields that focus on immigration and race

Gleaning Ruth Jennifer L. Koosed, 2012-10-15 The biblical story of Ruth celebrates the power to begin life anew to gather what has been scattered to glean what one needs In this original approach to understanding an ancient love story Jennifer L Koosed crafts a multifaceted portrait of the Old Testament character of Ruth and of the demanding agricultural world in which her story unfolds Highlighting the most complex aspects of the book the relationships Ruth has with her mother in law Naomi sister in law Orpah future husband Boaz and infant son Obed Koosed explores the use of pairings to define Ruth's aspirational fortitude Koosed also touches on the narrative's questions of sexuality kinship and law as well as the metaphoric activities of harvest that serve to advance the plot and illuminate the social and geographic context of Ruth's tale From the private world of women to the public world of men Koosed guides readers through the book of Ruth's revealing glimpses into the sociology of the ancient Hebrew world The study concludes with a discussion of the postbiblical fascination with Ruth and her later representations in a variety of literary and visual media Koosed's approach is eclectic employing a host of methodologies from philology and theology to literature folklore and feminism Thoughtful of the interests of both scholarly and lay audiences Koosed presents inviting and compelling new insights into one of the Old Testament's most

enigmatic characters
