[Families of Devon](#) Peter Trist,1900 This series of e Books will chiefly be of interest to family historians with Devon ancestry This first volume gives an account of the research methods used in building up the history of a mostly obscure family previously known mainly from parish registers and muster rolls **ANCESTRAL ECHO: My Life's Autobiography** Dr Pradeep,2023-11-11 Ancestral Echo My Life s Autobiography by Dr Pradeep is a captivating autobiography that traces the author s family lineage back to Maharshi Harsh Datta Sharma in the 13th century chronicling the family s enduring legacy through the rise and fall of dynasties the emergence of luminaries and their experiences in the modern era The narrative seamlessly transitions to the author s own life demonstrating the profound connection between their personal journey and the collective family saga Ultimately the book serves as a testament to the importance of preserving ancestral knowledge bridging the past and the present and inspiring readers to explore their own family histories echoing the timeless power of heritage in shaping our identities and futures **Running Away to Home** Jennifer Wilson,2024-08-06 A middle class

Midwestern family in search of meaning uproot themselves and move to their ancestral village in Croatia We can look at this in two ways Jim wrote always the pragmatist We can panic and scrap the whole idea Or we can take this as a sign They re saying the economy is going to get worse before it gets better Maybe this is the kick in the pants we needed to do something completely different There will always be an excuse not to go And that friends is how a typically sane middle aged mother

decided to drag her family back to a forlorn mountain village in the backwoods of Croatia So begins author Jennifer Wilson s journey in *Running Away to Home* Jen her architect husband Jim and their two children had been living the typical soccer and ballet practice life in the most Middle American of places Des Moines Iowa They overindulged themselves and their kids and as a family they were losing one another in the rush of work school and activities One day Jen and her husband looked at each other both holding their Starbucks coffee as they headed out to their SUV in the mall parking lot while the kids complained about the inferiority of the toys they just got and asked themselves Is this the American dream Because if it is it sort of sucks Jim and Jen had always dreamed of taking a family sabbatical in another country so when they lost half their savings in the stock market crash it seemed like just a crazy enough time to do it High on wanderlust they left the troubled landscape of contemporary America for the Croatian mountain village of Mrkopalj the land of Jennifer s ancestors It was a village that seemed hermetically sealed for the last one hundred years with a population of eight hundred mostly drunken residents and a herd of sheep milling around the post office For several months they lived like locals from milking the neighbor s cows to eating roasted pig on a spit to desperately seeking the village recipe for bootleg liquor As the Wilson Hoff family struggled to stay sane and warm what they found was much deeper and bigger than themselves **Wine Girl**

Victoria James,2020-03-24 An affecting memoir from the country s youngest sommelier tracing her path through the glamorous but famously toxic restaurant world At just twenty one the age when most people are starting to drink well legally at least Victoria James became the country s youngest sommelier at a Michelin starred restaurant Even as Victoria was selling bottles worth hundreds and thousands of dollars during the day passing sommelier certification exams with flying colors and receiving distinction from all kinds of press there were still groping patrons bosses who abused their role and status and a trip to the hospital emergency room It would take hitting bottom at a new restaurant and restorative trips to the vineyards where she could feel closest to the wine she loved for Victoria to re emerge clear eyed and passionate and a proud leader of her own Michelin starred restaurant Exhilarating and inspiring *Wine Girl* is the memoir of a young woman breaking free from an abusive and traumatic childhood on her own terms an ethnography of the glittering high octane but notoriously corrosive restaurant industry and above all a love letter to the restorative and life changing effects of good wine and good hospitality **The Oxford Companion to Wine**
