That God May Be All in All Ryan L. Rippee, 2018-03-02 Christology and Pneumatology have long been major preoccupations for theologians and rightly so but the work of God the Father has been surprisingly neglected Through a biblical and exegetical study of the Father s person and work Paterology this book argues that among the persons of the Trinity the Father is the initiator of all divine activity Furthermore it is in the context of a loving eternal relationship with the Son and Spirit that the Father has planned and purposed all things creating through the Son and by the Spirit promising and accomplishing redemption through the sending of the Son and the Spirit and perfecting salvation by bringing about a new heavens and new earth through his Son and Spirit The only proper response is a Trinitarian shaped life of worship that worships our Triune God

The Promise to the Patriarchs Joel S. Baden, 2013-02-19 The promise of land and progeny to the patriarchs Abraham Isaac and Jacob is a central recurring feature of the Pentateuch From the beginning of the story of Abraham to the last moment of Moses s life this promise forms the guiding theological statement for each narrative Yet literary and historical inquiries ascribe the promise texts to a variety of sources layers and redactions raising questions about how the promise functioned in its original manifestations and how it can be used to understand the formation of the Pentateuch as a whole Joel S Baden reexamines the patriarchal promise in its historical and contemporaneous contexts evaluating the benefits and drawbacks of both final form and literary historical approaches to the promise He pays close attention to the methodologies employed in both documentary and non documentary analyses and aims to bring source critical analysis of the promise to bear on the understanding of the canonical

text for contemporary readers The Promise to the Patriarchs addresses the question of how the literary historical perspective can illuminate and even deepen the theological meaning of the Pentateuch particularly of the promise at the heart of this central biblical corpus *Candidate's Handbook* Thomas Zanzig, 2001 Our Candidate's Handbook has been completely redesigned in full color and is now both a valuable resource and a lifelong keepsake for the candidate The content closely mirrors that of the Catechist's Guide Functioning as a workbook and a reference the handbook features clear concise summaries of core theological content and includes central Catholic beliefs key Scripture passages inspiring quotes and Catholic quick facts
