The Works of Aphra Behn: v. 4: Seneca Unmask'd and Other Prose Translated Janet Todd, 2018-10-24 Aphra Behn 1640 1689 was one of the most successful dramatists of the Restoration theatre and a popular poet This is the fourth volume in a set of seven which comprises a complete edition of all her works *The Last Days of Mankind* Karl Kraus, 2015-01-01 Kraus s iconic WWI drama a satirical indictment of the glory of war now in English in its entirety for the first time One hundred years after Austrian satirist Karl Kraus began writing his dramatic masterpiece *The Last Days of Mankind* remains as powerfully relevant as the day it was first published Kraus s play enacts the tragic trajectory of the First World War when mankind raced toward self destruction by methods of modern warfare while extolling the glory and ignoring the horror of an allegedly defensive war This volume is the first to present a complete English translation of Kraus s towering work filling a major gap in the availability of Viennese literature from the era of the War to End All Wars Bertolt Brecht hailed *The Last Days* as the masterpiece of Viennese modernism In the apocalyptic drama Kraus constructs a textual collage blending actual quotations from the Austrian army s call to arms people s responses political speeches newspaper editorials and a range of other sources Seasoning the drama with comic invention and satirical verse Kraus reveals how bungled diplomacy greedy profiteers Big Business complicity gullible newsreaders and above all the sloganizing of the press brought down the Austro
