

An open book is shown from a high angle, with its pages fanned out. A bright, warm light shines through the center of the book, creating a strong lens flare effect. The text on the pages is visible but slightly blurred due to the shallow depth of field and the intensity of the light. The overall color palette is dominated by warm yellows and oranges from the light, contrasting with the dark blue and black of the book's cover and the shadows within the pages.

## **Our God Truth And Order:**

**Our God** Harvey Collie, 2005-11-07 Our God Truth and Order displays a simple view of God's pattern for mankind. Orderliness in a believer expresses a godly disciplined life. God's creation articulates His intentions to have an everlasting communion with man. The LORD first introduces that He alone created the heavens and the earth. Before a man can understand himself, he must first understand who is his Creator. Can one understand the mysteries regarding God? God revealed that He is Truth and there is none like Him. He simply gave us some of His own qualities through which He can express Himself to mankind. Order has one boundary: Truth. When we stand on truth, God is our witness. This book captures key topics on the Authority of God in relation to the first and the last Adam. The basic makeup of man gives an overview of how universal sin transpired and perpetuated throughout mankind. Water and blood have a spiritual significance both physically and spiritually. It solidifies the reconciliation by the infilling of the Holy Spirit, an action that moves man closer to God and allows God to operate through man. The spirit of the churches in Revelation displays the position of the church age moving from order to Pentecost, then to disorder and compromise. The candid overview of the various churches will help you recognize if you are in order with God or in disarray. Finally, the patterns are consistent with 1. Truth from God, 2. Love to restore mankind through grace, 3. Faith being the response to God's grace, 4. The outward manifestation of the infilling Spirit, 5. Carrying out the work of God by charity/love expression, 6. Producing fruit by applying the Word of God in living it, and 7. Hope futuristically looking for Jesus' return.

**The Truth** Laurel, 2005 The Truth is the award-winning first book in The Oracle Institute foundational trilogy. It presents a summary of the divine messages sent to us by God through the Prophets. When studied successively, these spiritual lessons form a Tower of Truth that should not be broken or interpreted along sectarian lines. Instead, these Truths should be assimilated into a contemporary spiritual and scientific database and shared by everyone regardless of religious affiliation. The Truth explores the five primary religions that evolved after the Prophets died: Hinduism, Judaism, Buddhism, Christianity, and Islam, to determine whether these manmade religions have remained faithful to the Truth, including the primordial Truth that God is half masculine and half feminine energy. The Truth reveals that mankind has built a Tower of Babel with God's messages. Moreover, these now ancient religions have polarized humanity and brought us to the brink of World War III. The book also includes an objective template for measuring the adequacy of any religion and an Appendix that shows the nexus between politics and religion and politics thought human history.

*Unleashing God's Truth* Dywen Lauren, 2012 Unleashing God's Truth: The Overcomers was formerly released as two individual books: As I Also Overcame and He Who Overcomes. Together they portray the personal journey of the author, Dywen Lauren, and how God trains her to be an overcomer and empowers her to teach others the qualities necessary to gloriously overcome. **Risking Truth** Scott A. Ellington, 2008-09-01 Ours is a world characterized by change. Often the most fundamental changes in our lives result from experiences of profound suffering and loss as we are wrenched from our familiar world and driven into one that is alien. In the midst of such loss we are compelled to choose between trying to cling to the remnants of a reality that is passing away and trying to make a home in a strange new world. Biblical prayers of lament wait for us at this crossroad of loss and newness. Prayers of lament are marked both by loss and by the inexplicable silence of God. Everything we believe about God's justice and goodness is placed in doubt by his hiddenness. The cry of lament is an act of tremendous risk. To lament is to abandon the sinking ship of religious certainty and strike out in a small dingy amidst stormy seas in search of a hidden God. Faced with God's silence the biblical writers are willing to place at risk their most fundamental beliefs and to lament. The Psalm writers risk the loss of the Exodus story by crying out to a God who has failed to save, demanding that he once more part the chaotic waters and make a way in the desert. Job risks the loss of a moral God by confronting God with his injustice. Jeremiah risks the loss of the covenant by calling out for God to return yet again to a faithless partner and a failed marriage. Matthew and John the Revelator recognize that the coming of Messiah is impelled by the cries of innocent sufferers. Throughout the Bible lament risks the possible loss of relationship with God and presses for a new though uncertain experience of God's presence.

**Intimate & True** Robert W. Ferris, 2018-11-15 God's truth is not complex; he intends us to understand it. His desire to expand the circle of relationship that existed within the Trinity from eternity past led him to create others like himself: people who can join in this relationship of unspoiled intimacy. That's the reason for creation, redemption, and the Christian life now and future. Intimate and True explains the truth God has revealed and makes clear his desire for an intimate relationship with each of us. The Bible holds answers to the questions of our age.

**God's Mystery That Is Christ** Seok Lyun Chang Soppe, 2014-04-07 At some point during our religious journey we have to ask ourselves the questions: How much do we really know God? Are we spiritually dead or alive? And what phase is our faith in? Beginning with the first chapter of Genesis, God's mystery is hidden throughout the Bible. This book sets forth the importance of the creation story and describes the significance of each day. In addition, it reveals the secret of the Trinity and the meaning of Revelations Armageddon war, including the seven seals, trumpets, bowls, and the 666. God's intentions are hidden in the Bible. A certain level of openness to the Bible is required to uncover God's mystery that is hidden within it. This book was written for those who are on a quest to make a connection with God and to

support the readers relationship with Christ It is meant to be read along with The Holy Bible and not in place of it The objective of this book is to challenge our preconceptions about biblical truths so that we may be able to discern Gods intent with the Spirit of Truth This book is a great guide for those who thirst for the Spirit of God It is a must read for all those seeking the Truth The deep intentions within Gods Word are revealed to those who eagerly search for it Rev B So Jin Church of True Life
