Our Jewish Heritage Donna Hobeika Morton,2011-09-01 *Our Jewish Heritage* Joseph Gaer,Alfred Wolf,1957

Exploring Our Hebraic Heritage Marvin R. Wilson,2014-07-09 In this very readable sequel to his popular book *Our Father Abraham* which has sold more than 70 000 copies Marvin Wilson illuminates theological spiritual and ethical themes of the Hebrew scriptures that directly affect Christian understanding and experience *Exploring Our Hebraic Heritage* draws from both Christian and Jewish commentary in discussing such topics as thinking theologically about Abraham understanding the God of Israel and his reputation in the world and what it means for humans to be created in God s image Wilson calls for the church to restore renew and protect its foundations by studying and appreciating its origins in Judaism Designed to serve as an academic classroom text or for use in personal or group study the book includes hundreds of questions for review and discussion **Our Jewish Neighbors** ,1927 *Exploring Our Jewish Heritage* ,1970 *The Vanishing American Jew* Alan M. Dershowitz,1998-09-08 Explores the meaning of Jewishness in light of the increasing assimilation of America s Jews and suggests ways to preserve Jewish identity *How I Am a Jew* Howard W. Polsky,2002 *How I Am a Jew* documents the life long journey of author Howard Polsky as he struggles to maintain his cultural Jewish heritage in the context of his American homeland This experience of one particular individual is the story of many Americans Most people living in the U S were born abroad or have parents or grandparents who were born abroad and share the effort described in this book to make meaning of their roots on the road to integrate the different parts of their identities *This Land of Liberty* Helene Schwartz Kenvin,Behrman House,1986 A junior high school textbook covering the history of Jews in America **The Jewish Forum** ,1928 **Our Jewish Heritage** Joseph Gaer,Alfred Wolf,1957 *Teaching Jewish Life Cycle* Barbara Binder Kadden,Bruce Kadden,1997 Background information on every stage of life covers every Jewish life cycle event from birth to death insights from Jewish tradition hundreds of creative activities for all ages **Cuban-Jewish Journeys** Caroline Bettinger-López,2000 Between ten and fifteen thousand persons of Cuban Jewish heritage currently live in Miami Until now however this vibrant community and its unique traditions have to a large extent escaped the notice of ethnographers historians and other scholars In *Cuban Jewish Journeys* Caroline Bettinger L pez remedies that neglect with an engaging in depth look at a people whose rich mix of cultures confounds typical ethnic images The author begins by investigating the history and development of the Cuban Jewish community tracing its origins back to Jewish enclaves in Eastern Europe Russia and the Mediterranean She explores how these people came to Cuba in the first half of the twentieth century and how they eventually resettled in the United States as part of the larger Cuban migration that followed Fidel Castro s 1959 revolution In recounting this history Bettinger L pez draws heavily on numerous stories told to her by Cuban Jews in Miami and elsewhere Those oral histories also form the basis of Bettinger L pez s subsequent exploration of the identity and assimilation issues facing Jewbans as many in Miami began calling themselves in the 1970s She found that place and date of birth for instance may affect an individual s

identification with a particular homeland and political ideology which may in turn influence how the individual remembers Cuban Jewish history The future of Miami s Jewban community she suggests now lies in the hands of a generation that for the most part has grown up within the United States Already the community is transforming itself linguistically culturally and religiously to accommodate the younger generation Skillfully interweaving historical analysis personal reflections intergenerational stories theories of diaspora photographs and current debates on ethnographic writing Cuban Jewish Journeys will appeal not only to scholars but to anyone interested in the ever changing face of multicultural America The Author Caroline Bettinger Lopez a native of Miami studied anthropology at the University of Michigan Since her graduation she has worked in various teaching and social service positions in Miami Most recently she has taught disadvantaged children in Haiti

Our Father Abraham Marvin R. Wilson, 2021-06-29 Although the roots of Christianity run deep into Hebrew soil many Christians remain regrettably uninformed about the rich Jewish heritage of the church Our Father Abraham delineates the vital link between Judaism and Christianity exemplified by the common ancestry of the two faiths traceable back to Abraham Marvin Wilson calls Christians to reexamine their Semitic heritage to regain a more authentically biblical understanding of what they believe and practice Wilson a trusted voice among both Jews and Christians speaks to both past and present first developing a historical perspective on the Jewish origins of the church and then discussing how the church can become more attuned to the Hebraic mindset of Scripture Drawing from his own extensive experience he also offers valuable practical guidance for salutary interaction between Christians and Jews Discussion questions at the end of each chapter make this book especially suitable for use in groups Christian Jewish or interfaith as readers strive to make sense of their own faith in connection with the other The second edition of Our Father Abraham features a new preface an expanded bibliography of recent relevant works and two new chapters one that discusses Jewish Christian relations after the Holocaust and another that reflects on Wilson s own fifty plus year career as an evangelical Christian deeply committed to interfaith dialogue As Christians and Jews feel a growing need for mutual support in an increasingly secular Western world Wilson s widely acclaimed book will offer encouragement and wise guidance toward this worthy end *Is Our Jewish Heritage Worth*

Fairey, 2015-03-10 Wendy Fairey grew up among books As the shy and studious daughter of famed Hollywood columnist Sheilah Graham F Scott Fitzgerald s lover during the last years of his life she began as a child reading her way through the

library Fitzgerald had assembled for her mother and escaped into the landscape of classic English novels Their protagonists became her intimates starting with David Copperfield whose sensibility and aspirations seemed so akin to her own She felt as plain as Jane Eyre but craved the panache of Becky Sharp English novels squired her to adulthood and Bookmarked is a memoir of that journey In a series of brilliant chapters that blend the genres of personal memoir and literary criticism we follow Fairey refracted through her reading as student wife professor mother grandmother and happily remarried writer E M Forster s Howards End helps her cope with a failing marriage Virginia Woolf s Mrs Ramsay teaches important lessons about love and memory Like Eliot s Daniel Deronda she learns only as an adult of her Jewish heritage and learns also the identity of her real father the British philosopher A J Ayer In this intimate and inspiring book Wendy Fairey shows that her love of reading has been both a source of deep personal pleasure and key to living a fulfilling and richly self examined life Skyhorse Publishing along with our Arcade Good Books Sports Publishing and Yucca imprints is proud to publish a broad range of biographies autobiographies and memoirs Our list includes biographies on well known historical figures like Benjamin Franklin Nelson Mandela and Alexander Graham Bell as well as villains from history such as Heinrich Himmler John Wayne Gacy and O J Simpson We have also published survivor stories of World War II memoirs about overcoming adversity first hand tales of adventure and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home
