**Women and Freedom** Elizabeth Keckley, Harriet Jacobs, Sojourner Truth, 2020-09-15 In these classic memoirs three indomitable women share their stories of surviving slavery and fighting for the freedom of others Behind the Scenes Born into slavery Elizabeth Keckley used her talents as a seamstress to buy her freedom and eventually became Mary Todd Lincoln's dressmaker Keckley and the first lady formed a close friendship as they endured tragedies together including the deaths of their sons and the assassination of President Lincoln Keckley's autobiography is an intimate portrait of life inside the White House as well as the stirring story of one woman's fight to rise above the horrors of enslavement Incidents in the Life of a Slave Girl From the age of six Linda Brent grows up serving a gentle mistress who teaches her to read and write But when she tragically dies Linda's lecherous new master makes her life a living hell Unable to join her two young children in their escape to the North Linda hides in the attic above her grandmother's house For seven years she waits for the opportunity to reunite with her son and daughter in the land of freedom But when the chance finally comes Linda discovers she has yet more pain to endure Based on the true story of Harriet Jacobs's escape from the South this is one of American literature's most powerful indictments of the evils of slavery The Narrative of Sojourner Truth After escaping enslavement Sojourner Truth sued for her son's release the first time in American history that a black woman brought a white man to court and won From then on she made it her life's mission to free all those who were considered less than equal A major force in the abolitionist and women's rights movements Truth inspired generations with her legendary Ain't I a Woman speech She also personally met with President Lincoln in 1864 Her stirring memoir is a powerful testament to the resilience of the human spirit *Freedom of Angels* Bernadette Fahy, 2015-01-30 I entered Goldenbridge orphanage in my Communion outfit I had absolutely no idea what I was doing there At age seven Bernadette Fahy was delivered with her three brothers to Goldenbridge Orphanage She was to stay there until she was sixteen Goldenbridge has come to represent some of the worst aspects of childrearing practices in Ireland of the 1950s and 1960s Seen as the offspring of people who had strayed from social respectability and religious standards these children were made to pay for the sins of their parents Bernadette tells of the pain fear hunger hard labour and isolation experienced in the orphanage Can a person recover from such a childhood How does the spirit ever take flight and gain the freedom of angels This is Bernadette Fahy's concern Now trained and working as a counsellor she has had to dig deeply into her past to understand the patterns laid down by her upbringing She has had to rebuild her life and now she helps others to do the same This book is a story of triumph over the harshest of circumstances *The Friends' Library* William Evans, Thomas Evans, 1847 *The Family friend* [ed. by R.K. how intertwined were women's public and personal lives and how bound by custom ties affection and duties. The different meanings of freedom have been shaped by the nature of women's oppression; their quests given focus by their different points of departure. Convict women protested often violently at the indignities they endured. Aboriginal women protested at the cruelty of the frontier and the paternalism of the mission and white middle class women demanded the freedom to participate in the public world. Together with its companion volume *Freedom Bound II* which deals with the twentieth century, this volume documents the dreams that inspired women, the pleasures and pain that informed their politics and the desires that enthralled them even as they bade them to be free. It is an essential resource for students and teachers of Australian women's history.

**Untold Histories of Nigerian Women** Tayo Agunbiade, 2023-12-07 This book is a curation of insightful and engaging narrations aimed at freeing women from the margins of Nigeria's history. It chronicles their protest movements against colonial administrations including monster petitions on taxation and food price controls. It details a string of remarkable political landmarks which highlight women's historical credentials as nationalists as well as their voice in early male dominated legislative institutions. It also narrates more contemporary episodes in women's resistance against oil exploitation, environmental pollution and anger over the mass abduction of school girls. This timely preservation of the voice and agency of Nigerian women from a wide variety of colonial and contemporary documents will benefit readers interested in African history and gender and women's studies.

***The Routledge Companion to Gender and Childhood*** Mary Zaborskis, 2025-06-30 The Routledge Companion to Gender and Childhood brings together scholars, practitioners and activists to explore the diversity of children's gender identities, expressions and embodiments across historical, geographical and cultural contexts. This volume investigates how historical institutional and cultural forces have shaped children's relationship to gender, the pivotal role children have played in the construction of gendered categories as well as children's responses to these forces and constructions. The book is divided into six sections: Responding to Gendered Histories and Presents of Policing Pathologization and Trauma; Images of and Imaginings for Trans, Non Binary and Queer Youth's Futures; Global Perspectives on Training and Assimilating Future Citizens; Gender Development in Material and Digital Cultures; Shifting and Persisting Gendered Representations in Cultural Landscapes; and Approaching Issues of Gender and Childhood from Adult Perspectives. Considering the multiplicity of gendered childhoods alongside the intense preoccupation with children's relationship to gender across a range of fields that span the globe, *The Routledge Companion to Gender and Childhood* will be an essential resource for students of social sciences, humanities and STEM.

***The Prism of Human Rights*** Karin Friederic, 2023-08-11 Gender violence has been at the forefront of women's human rights struggles for decades, shaping political movements and NGO and government programs related to women's empowerment, community development and public health. Drawing on over twenty years of research and activism in rural Ecuador, Karin Friederic provides a remarkably intimate view of what these rights based programs actually achieve over the long term. *The Prism of Human*

Rights brings us into the lives of women men and children who find themselves entangled in intimate partner violence structural violence political economic change and a global cultural project in which rights are associated with modernity development and democratic states She details the multiple forms of violence that rural women experience shows the diverse ways they make sense of endure and combat this violence and helps us understand how people are grappling with new ideas of gender rights and even of violence itself Ultimately Friederic demonstrates that rights based interventions provide important openings for women seeking a life free of violence but they also unwittingly expose liberated women to more extreme dynamics of structural violence Thus these interventions often reduce women s room to maneuver and encourage communities to hide violence in order to appear modern and developed This analysis of human rights in practice is essential for anyone seeking to promote justice in a culturally responsible manner and for anyone who hopes to understand how the globalization of rights legal institutions and moral visions is transforming distant locales and often perpetuating violence in the process
