Our Life With The Rocket The Maurice Richard Story

Todd Denault

Our Life With The Rocket The Maurice Richard Story:

Our Life with the Rocket Roch Carrier, 2004-02 French Canadian hockey player Maurice Richard The Rocket was the greatest player of his era he remains an enduring icon of hockey excellence Fans in Quebec province revered him enthusiastically followed his matchless accomplishments This book captures a world in which a brooding taciturn athlete who hated to speak publicly rarely expressed opinions on anything became a powerful enduring symbol for French Canadians at a time when they felt painfully vulnerable amid Canada's English majority The book is also about a young boy Roch Carrier himself the author whose youthful worship of Richard was tempered by politics personal life evolved into an entirely different sort of appreciation for an extraordinary man Maurice Richard Chris Robinson, 2011-11 Maurice Richard was the greatest hockey player of the 20th century He was also the most popular and respected hero of French speaking Canadians His career paralleled the dramatic changes that occurred in Quebec after the Second World War when the Quebecois people asserted their equality and their rights This new biography of Richard records his incredible career as a hockey player It traces the connections between his successes on the ice and the growing self confidence of the French speaking people of Quebec

Extraordinary Canadians: Maurice Richard Charles Foran, 2011-03-08 Born in 1921 into a working class family Maurice Richard came of age as a French Canadian and athlete during an era when the majority population of Quebec slumbered A proud reticent man Richard aspired only to score goals and win championships for the Montreal Canadiens But he represented far more than a high scoring forward who filled seats in NHL arenas Beginning with his 50 goal 50 game season in 1944-45 and through his battles with the league over bigotry toward French Canadian players Richard's on ice ferocity and off ice dignity echoed the change in Quebec The March 1955 Richard Riot in which fans went on a rampage to protest his suspension contained the seeds of transformation By the time Richard retired in 1960 Quebec had begun to reinvent itself as a modern secular society Author Charles Foran argues that the province's passionate identification with Richard's success and struggles emboldened its people and changed Canada irrevocably **Canadian Hockey Literature** Jason Blake, 2010-03-06 Hockey occupies a prominent place in the Canadian cultural lexicon as evidenced by the wealth of hockey centred stories and novels published within Canada In this exciting new work Jason Blake takes readers on a thematic journey through Canadian hockey literature examining five common themes nationhood the hockey dream violence national identity and family as they appear in hockey fiction Blake examines the work of such authors as Mordecai Richler David Adams Richards Paul Quarrington and Richard B Wright arguing that a study of contemporary hockey fiction exposes a troubled relationship with the national sport Rather than the storybook happy ending common in sports literature of previous generations Blake finds that today's fiction portrays hockey as an often glorified sport that in fact leads to broken lives and ironic outlooks The first book to focus exclusively on hockey in print *Canadian Hockey Literature* is an accessible work that challenges popular perceptions of a much beloved national pastime *They Called Me Chocolate Rocket* John Paris,

Jr., Robert Ashe, 2014-10-03 In the ultra competitive junior hockey leagues in the early 1960s a young man could tolerate nearly anything that helped him stand out from the hordes of other prospects so John Paris Jr did just that The African Canadian from Nova Scotia dazzled and dominated on the ice often facing racism on and off the ice It took courage They Called Me Chocolate Rocket is the story of John s life from his childhood in the Curry s Corner section of Windsor Nova Scotia where he was rated one of the top junior prospects in Eastern Canada and scouted by the legendary Scotty Bowman to his eventual decision to coach beginning with the Montreal area minor systems and on to the pro ranks with the IHL s Atlanta Knights Although John has an impressive resume it is the stories of the complex life that he has lived persevering in a hockey world where blacks were rare that propel the book From John being befriended by Rocket Richard as a junior to being brought back from near death in a Montreal hospital at age 25 to getting a street lesson in Atlanta when caught in a gang fight and more Now living in Dallas Texas with his wife and young daughter John is actively involved in hockey as a coach and principal instructor for top level prospects and works in prestigious U S junior development camps **Working the Dead Beat** Sandra Martin, 2012-09-11 Longlisted for the Charles Taylor Prize and selected as a Globe and Mail Top 100 Book and an iTunes Store Best Book Globe and Mail columnist Sandra Martin honours the lives of Canada s famous infamous and unsung heroes in this unique collection of obituaries of the first decade of the twenty first century Here are Canadian icons such as Prime Minister Pierre Trudeau economist John Kenneth Galbraith social activist June Callwood and urban theorist Jane Jacobs Here are builders such as feminist and editor Doris Anderson and businessman and famed art collector Ken Thomson Here are our rogues rascals and romantics our service men and women and here are those private citizens whose lives have had an undeniable public impact Finally Martin interweaves these elegant and eloquent biographies with the autobiography of the obit writer offering an exclusive and intimate view of life on the dead beat Beautifully written compelling and vivid Working the Dead Beat is a tribute to those individuals who each on their own and as a collective tell the story of our country and to the life of the obit writer who chronicles their extraordinary lives The Captain Class Sam Walker (Newspaper editor), 2017 The captain class draws on a lifetime of sports spectatorship and two decades of sports reporting to tell the surprising story of what makes teams exceptional Sam Walker had been searching for the sporting holy grail a unifying theory of what makes teams win when he discovered certain similarities in cases of sustained greatness in teams across a number of sports They were all lead by a certain type of captain but not one with the characteristics you might expect They were unorthodox outliers disagreeable marginally skilled hot headed occasionally unhinged athletically sub par poor verbal communicators while off the field they were private loners who avoided the limelight **The Same but Different** Jason Blake, Andrew C. Holman, 2017-08-21 From coast to coast hockey is played watched loved and detested but it means something different in Quebec Although much of English Canada believes that hockey is a fanatically followed social unifier in the French speaking province in reality it has always been politicized divided and troubled by religion class gender

and language In *The Same but Different* writers from inside and outside Quebec assess the game's history and culture in the province from the nineteenth century to the present This volume surveys the past and present uses of hockey and how it has been represented in literature drama television and autobiography While the legendary Montreal Canadiens loom throughout the book's chapters the collection also discusses Quebecers' favourite sport beyond the team's shadow Employing a broad range of approaches including study of gender memory and culture the authors examine how hockey has become a lightning rod for discussions about Quebec's identity Hockey reveals much about Quebec and its relationship with the rest of Canada *The Same but Different* brings new insights into the celebrated game as a site for community engagement social conflict and national expression

The Fastest Game in the World Bruce Berglund, 2020-12-01 Played on frozen ponds in cold northern lands hockey seemed an especially unlikely game to gain a global following But from its beginnings in the nineteenth century the sport has drawn from different cultures and crossed boundaries between Canada and the United States across the Atlantic and among different regions of Europe It has been a political flashpoint within countries and internationally And it has given rise to far reaching cultural changes and firmly held traditions *The Fastest Game in the World* is a global history of a global sport drawing upon research conducted around the world in a variety of languages From Canadian prairies to Swiss mountain resorts Soviet housing blocks to American suburbs Bruce Berglund takes readers on an international tour seamlessly weaving in hockey's local national and international trends Written in a lively style with wide ranging breadth and attention to telling detail *The Fastest Game in the World* will thrill both the lifelong fan and anyone who is curious about how games intertwine with politics economics and culture

Tales from the Montreal Canadiens Locker Room Robert S. Lefebvre, 2012-12-13 When most sports fans hear the stat 3 000 they immediately turn to baseball But for those fans whose breath comes out in frosty puffs and who bleed ice and snow 3 000 can only mean one thing the glory of Montreal Canadiens hockey The Original One of the Original Six the Montreal Canadiens hockey team is practically synonymous with superlative The most Stanley Cup championship victories with 24 The Montreal Canadiens The highest number of regular season wins The Montreal Canadiens The oldest active franchise in the NHL The Montreal Canadiens Now the hundred plus years of Canadiens triumphs tragedies and times like no other are captured in Robert Lefebvre's *Tales from the Montreal Canadiens Locker Room* In this unique compendium Lefebvre brings to life both the history and the anecdotes of this incredible franchise Stories of Maurice Rocket Richard's incredible skills on the ice are paired side by side with locker room yarns and off the ice tales of Jean Beliveau Dickie Moore Serge Savard Guy Lapointe Patrick Roy and more With humor wit and a lot of adrenaline Robert Lefebvre has compiled a collection of Montreal Canadiens stories sure to please any hockey fan

Canadians Roy MacGregor, 2008-05-06 Who are we In *Canadians* one of Canada's most intelligent and beloved writers maps our national psyche in a wonderful and ambitious work *Canadians* is an entertaining portrait of this country and its people through its history popular culture literature sport landscape and weather In his pursuit of the Canadian national

identity MacGregor has travelled far and wide taking our pulse telling our stories A sparkling blend of historical anecdotal and reflective writing converges in a narrative that is extraordinarily learned in its perceptions and light in its delivery all trademarks of this remarkable writer's work *Hockey on the Moon* Jamie Dopp ,2024-11-22 Fantasy and reality come together in sports and Jamie Dopp argues that nowhere is this blurring of the borders of reality more evident than in Canadian hockey Using imagination as a unifying theme Dopp offers in depth analyses of key texts of hockey literature with a focus on how these texts reveal the imaginative possibilities of the game Popular texts like Stompin Tom Connors The Hockey Song Scott Young's Scrubs on Skates trilogy and Roch Carrier's The Hockey Sweater as well as important literary texts like Bill Gaston's The Good Body Cara Hedley's Twenty Miles and Richard Wagamese's Indian Horse are examined Dopp's analysis draws on literary history and methods and explores broader topics such as the role of imagination in human culture the significance of play the evolution of sport in Canada and elsewhere the history of Canada and the history and social significance of hockey *Jacques Plante* Todd Denault,2009-10-27 The first full scale biography of a legendary and award winning NHL goalie who transformed the game There are a lot of very good goalies there are even a fair number of great goalies But there aren't many important goalies And Jacques Plante was an important goalie Ken Dryden On and off the ice Jacques Plante was a true original he was extremely talented boastful defiant mysterious and complex Throughout his tumultuous career as a goalie he played for Montreal New York St Louis Toronto Boston and Edmonton His contributions to and impact on the game were extensive and are reflected in today's rules equipment and style of play Thoroughly investigated through archival and primary research and including interviews with figures such as Jean Beliveau Henri Richard Dickie Moore and Scotty Bowman this biography sheds light on one of the most pivotal figures in the history of hockey *Literature and Painting In Quebec* William J. Berg,2013-02-04 This unique study explores how Quebec's landscapes have been represented in both literature and visual art throughout the centuries from the writing of early explorers such as Cartier and Champlain to work by prominent contemporary authors and artists from the province William J Berg traces recurrent images and themes within these creations through the most significant periods in the development of a Quebecois identity that was threatened initially by the wilderness and indigenous populations and later by the dominance of British and American influences Focusing on the interplay between nature and culture in landscape representation Literature and Painting in Quebec contends that both have reflected and fashioned the meaning of French Canadian nationhood As such Literature and Painting in Quebec presents a new perspective to approach the notion of national identity a quest that few groups have engaged in more persistently than the Quebecois *The British National Bibliography* Arthur James Wells,2004 *Hockey* Jenny Ellison,Jennifer Anderson,2018-04-25 For Canadians hockey is the game Shared experiences and memories lacing up for the first time shinny on an outdoor rink Sidney Crosby's historic goal or the one scored by Maurice Richard make hockey more than just a game While the relationship between hockey and national identity has been studied where

does the game fit into our understanding of multiple diverse Canadian identities today This interdisciplinary book considers hockey both as professional and amateur sport and both in historical and contemporary context in relation to larger themes in Canadian Studies including gender race ethnicity ability sexuality geography and reflects upon all aspects of hockey in Canadian life play fandom sports broadcasting and community activism This interdisciplinary scholarly collection is an extension of the Hockey in Canada More Than Just a Game exhibition presented by the Canadian Museum of History Published in English Includes one chapter in French **Canadian Books in Print. Author and Title Index** ,1975 **The Journal of Commonwealth Literature** ,2002 Issues for 1965 include section Annual bibliography of Commonwealth literature 1964 **Je Me Souviens** ,2005 *Les Yeux de Maurice Richard* Benoît Melançon,2008-03 Au Québec comme dans le reste du Canada il est partout Celui qui ne fut d'abord qu'un joueur de hockey est aujourd'hui un mythe national Tous ont quelque chose à raconter sur lui Comment en est-on arrivé là Pourquoi Le club numéro 9 des Canadiens de Montréal a-t-il été l'objet de toutes sortes de critiques des articles de périodiques et des textes savants des biographies et des recueils de souvenirs des contes et des nouvelles des romans et des livres pour la jeunesse des poèmes et des pièces de théâtre On lui a consacré des chansons des bandes dessinées des sculptures des peintures des films et des missions de télévision Son visage a orné des vêtements des jouets des publicités On a donné son nom des lieux publics Pour comprendre l'évolution des représentations de Maurice Richard depuis le début de sa carrière il fallait une histoire culturelle de celui qu'on a surnommé le Rocket La voici

Unveiling the Power of Verbal Artistry: An Mental Sojourn through **Our Life With The Rocket The Maurice Richard Story**
