Our Like Will Not Be There Again Notes From The West Of Ireland:

The Stars of Ballymenone, New Edition Henry Glassie, 2016-09-12 In the time of the Troubles when bombs blew through the night and soldiers prowled down the roads Henry Glassie came to the Irish borderland to learn how country people endure through history He settled into the farming community of Ballymenone beside Lough Erne in the County Fermanagh and listened to the old people For a decade he heard and recorded the stories and songs in which they outlined their culture recounted their history and pictured their world In their view their world was one of love defeat and uncertainty demanding the virtues of endurance faith bravery and wit Glassie's task in this book is to set the scene to sketch the backdrop and clear the stage so that Hugh Nolan and Michael Boyle Peter Flanagan Ellen Cutler and their neighbors can tell their own tale which explains their conditions and converts them into a tragedy of conflict and a comedy of the absurd It gathers the saints and warriors and celebrates the stars whose wit enabled endurance in days of violence and deprivation With patience and respect Glassie describes life in a time and a place exactly like no other and yet Ballymenone is like a thousand other places where people work on the land during the day and tell their own tales at night forgotten while the men of power fill the newspapers and history books by sending poor boys out to be killed The Stars of Ballymenone is an integrated analysis of the complete repertory of verbal art from a rural community where storytelling and singing of quality remained a part of daily life

Folktales of Newfoundland Pbdirect J.D.A. Widdowson, Herbert Halpert, 2015-02-20 This collection of Newfoundland folk narratives first published in 1996 grew out of extensive fieldwork in folk culture in the province The intention was to collect as broad a spectrum of traditional material as possible and Folktales of Newfoundland is notable not only for the number and quality of its narratives but also for the format in which they are presented A special transcription system conveys to the reader the accents and rhythms of each performance and the endnote to each tale features an analysis of the narrator's language In addition Newfoundland has preserved many aspects of English and Irish folk tradition some of which are no longer active in the countries of their origin Working from the premise that traditions virtually unknown in England might still survive in active form in Newfoundland the researchers set out to discover if this was in fact the case **Irish**

Folk Tales Henry Glassie, 2012-09-19 Here are 125 magnificent folktales collected from anthologies and journals published from the mid nineteenth century to the present day Beginning with tales of the ancient times and continuing through the arrival of the saints in Ireland in the fifth century the periods of war and family the Literary Revival championed by William Butler Yeats and the contemporary era these robust and funny sorrowful and heroic stories of kings ghosts fairies treasures enchanted nature and witchcraft are set in cities villages fields and forests from the wild western coast to the modern streets of Dublin and Belfast Edited by Henry Glassie With black and white illustrations throughout Part of the Pantheon Fairy Tale and Folklore Library **The Tourist's Gaze** Glenn Hooper, 2001 Travel literature has been described by Jonathan Raban as literature's red light district It defies people's beliefs confuses expectations crosses disciplinary boundaries and is linked to

ethnography journalism and biography Yet for all that has managed to remain not only a visible but also an increasingly popular literary genre This anthology makes an entertaining and insightful contribution to this engaging field It includes extracts from well known writers such as Thackeray Boll and Chesterton but also presents less familiar figures from the nineteenth and twentieth centuries The seventy pieces collected here both offer sharp observations of the country and are equally revealing about the travelers themselves Each extract where possible is prefaced by a brief biography of its author For readers interested in the origins and historical role of travel writing in general and how they relate to Ireland the editor offers an illuminating introduction This anthology presents illuminating snapshots of Ireland over two hundred years It also provides insights into the varied perspectives of the travelers themselves a perspective often influenced by contemporary political events such as the Great Famine Home Rule the Civil War and the Troubles This anthology leaves the reader with an enduring image of Ireland s ability to fascinate and stimulate visitors through two centuries **Donegal's Changing**

Traditions Eugenia Shanklin, 2016-12-05 First Published in 1985 One of the notable objectives of the Library of Anthropology is to provide a vehicle for the expression in print of new controversial and seemingly unorthodox theoretical methodological and philosophical approaches to anthropological data This is a book about traditions that are changing not languishing in a moribund state and not dead as other scholars have suggested but changing to fit present circumstances Since many people think of traditions as static or immutable the author s assertion that traditions are changing may strike readers as paradoxical but this book deals with a paradoxical people the Irish of Southwest Donegal who simultaneously guard and manipulate their traditions guarding them against the encroachments of the modern world and manipulating them for their own advantage in that world *Folktales of Newfoundland* Pbdirect J.D.A.
