that we will notice just how the Lord has worked continuously throughout our life The most recent tragedy of almost losing our son is what truly turned our faith around We witnessed an absolute miracle before our eyes and there were many family friends and medical staff that witnessed it with us Very seldom do you hear of a person surviving carbon monoxide poisoning and if they do the outcome isn't good due to brain damage and physical body organ damage At least that is what the statistics and science shows In our case we received the impossible and we have God to thank for that You don't have to be a perfect person or a perfect Christian to receive and witness miracles in your life What everyone needs is faith Brotherhood of Locomotive Firemen's Magazine ,1903 Elements of Geography Alex Everett Frye,1900 *The Evolution of a Missionary* Charlotte Burgis De Forest,1914
