Our Living Past:

The Living Past Marlyna O. Sevilla, 2008-05-23 This is a story about a girl in the Philippines who showed signs of autism until the age of five Her name is Marlyna She was six years old when World War II broke out in 1941 In her life story she takes us to evacuation places and to witness a Japanese soldier aim a shining bayonet at her pregnant aunt Well walk with her in the darkness treading on rocks among tall thorny shrubs where footpaths ended She was twelve when her parents separated and was eventually separated from her siblings as well Marlyna rejoiced as she was reunited with her mother and siblings in 1954 She vows not to be separated from them again She migrated to Canada with husband and daughter in 1967 and endures the frigid cold and the pangs of loneliness Nothing stands against her dream of bringing her mother and siblings to her new country Annie arrived first in 1969 the rest followed and her ambition was realized when her mother arrived in 1974 Marlynas dream to be reunited with her family was no longer a dream but a reality Marlyna believes that education is freedom the intangible asset that enriches ones life She takes courses in business writing and public speaking under government assistance Her Service Excellence Award in 1993 is her crowning achievement Now a Canadian snowbird in the Philippines since 2000 she works with community and church organizations She enjoys sharing her knowledge gained from abroad with her own people The Living Past is a story of the life struggle and triumphs of a girl who once had only spoke five words Marlyna believes that her experience with World War II her broken home and migration to the great country of Canada has made her a well seasoned grandmother Her first book a must read **The Living Past** Francis Sydney Marvin, 1915 *The Living Past: Discovering the Wonders of Fossil Remains* Pasquale De Marco, 2025-04-25 Embark on a captivating journey through the annals of time as we unveil the secrets of fossils the preserved remnants of ancient life The Living Past Discovering the Wonders of Fossil Remains takes you on an exhilarating exploration of Earth s rich history revealing the incredible diversity of life that has existed on our planet Through the lens of fossils we delve into the fascinating world of paleontology a field that combines elements of geology biology and history Discover the intricate processes by which fossils are formed and the techniques scientists use to study them Uncover the major discoveries that have shaped our understanding of Earth s history from the Cambrian Explosion to the extinction of the dinosaurs Immerse yourself in the captivating stories of ancient organisms from the microscopic creatures that swam in primordial oceans to the towering dinosaurs that dominated the land Learn about the remarkable adaptations and behaviors of these extinct species and gain insights into the complex interactions that shaped ancient ecosystems Explore the practical applications of fossils in various fields from geology and archaeology to education and conservation Discover how fossils help us understand the age of rocks reconstruct ancient environments and unravel the mysteries of human evolution The Living Past is not just a book about fossils it is an invitation to ponder the interconnectedness of life and the remarkable story of our planet s evolution With captivating prose and stunning visuals this book will ignite your curiosity and inspire a deeper appreciation for the

natural world Join us on this extraordinary journey as we uncover the secrets of the fossil record unlocking the mysteries of the past and gaining a profound understanding of the forces that have shaped our planet and the life that inhabits it If you like this book write a review on google books

Preserving the Living Past Steve Mark,2005-03-14 From his efforts to protect California s wild lands including the state s majestic redwoods and its dynamic coastline to his novel ideas about the educational and inspirational value of wilderness that continue to provoke debates to this day this first biography of John C Merriam 1869 1945 tells the story of the prominent paleontologist who became a visionary in the American conservation movement

Living Past Being a Victim Danielle Gallant Simms,2016-05-06 Someone living in an abusive situation has to endure not only fear and physical pain but also feelings of isolation shame and hopelessness Why is this happening Why doesn t he just leave I can t let anyone know what s really going on Danielle Gallant Simms author of Living Past Being a Victim has had these same thoughts She was sexually abused by her own father for the first time when she was just four years old That abuse continued for years as she suffered in silence afraid to tell anyone Simms wrote this book to share her own horrific story and how she finally managed to escape the cycle of abuse and find peace and happiness Her wish is to let others who have been victims of abuse know that they are not alone and that it is possible to escape to forgive and to move on

Living Standards in the Past Robert C. Allen,Tommy Bengtsson,Martin Dribe,2005-03-24 Why did Europe experience industrialisation and modern economic growth before China India or Japan This is one of the most fundamental questions in Economic History and one that has provoked intense debate The main concern of this book is to determine when

the gap in living standards between the East and the West emerged The established view dating back to Adam Smith is that the gap emerged long before the Industrial Revolution perhaps thousands of years ago While this view has been called into question and many of the explanations for it greatly undermined the issue demands much more empirical research than has yet been undertaken How did the standard of living in Europe and Asia compare in the seventeenth and eighteenth centuries The present book proposes an answer by considering evidence of three sorts The first is economic focusing on income food production wages and prices The second is demographic comparing heights life expectancy and other demographic indicators The third combines the economic and demographic by investigating the demographic vulnerability to short term economic stress The contributions show the highly complex and diverse pattern of the standard of living in the pre industrial period The general picture emerging is not one of a great divergence between East and West but instead one of considerable similarities These similarities not only pertain to economic aspects of standard of living but also to demography and the sensitivity to economic fluctuations In addition to these similarities there were also pronounced regional differences within the East and within the West regional differences that in many cases were larger than the average differences between Europe and Asia This clearly highlights the importance of analysing several dimensions of the standard of living as well as the danger of neglecting regional social and household specific differences when assessing the level of well being in the past

A Living Past John Soluri, Claudia Leal, José Augusto Pádua, 2018-02-19 Though still a relatively young field the study of Latin American environmental history is blossoming as the contributions to this definitive volume demonstrate Bringing together thirteen leading experts on the region A Living Past synthesizes a wide range of scholarship to offer new perspectives on environmental change in Latin America and the Spanish Caribbean since the nineteenth century Each chapter provides insightful up to date syntheses of current scholarship on critical countries and ecosystems including Brazil Mexico the Caribbean the tropical Andes and tropical forests and such cross cutting themes as agriculture conservation mining ranching science and urbanization Together these studies provide valuable historical contexts for making sense of contemporary environmental challenges facing the region

The Living Present and the Dead Past: Or, God Made Manifest and Useful in Living Men and Women, as He was in Jesus Henry Clarke WRIGHT, 1865 *Stories of Our Living Ephemera* Emily Legg, 2023-12-15 *Stories of Our Living Ephemera* recovers the history of the Cherokee National Seminaries from scattered archives and colonized research practices by critically weaving together pedagogy and archival artifacts with Cherokee traditional stories and Indigenous worldviews This unique text adds these voices to writing studies history and presents these stories as models of active rhetorical practices of assimilation resistance in colonized spaces Emily Legg turns to the Cherokee medicine wheel and cardinal directions as a Cherokee rhetorical discipline of knowledge making in the archives an embodied and material practice that steers knowledge through the four cardinal directions around all relations Going beyond historiography Legg delineates educational practices that are intertwined with multiple strands of

traditional Cherokee stories that privilege Indigenous and matriarchal theoretical lenses *Stories of Our Living Ephemera* synthesizes the connections between contemporary and nineteenth century academic experiences to articulate the ways that colonial institutions and research can be Indigenized by centering Native American sovereignty By undoing the erasure of Cherokee literacy and educational practices *Stories of Our Living Ephemera* celebrates the importance of storytelling especially for those who are learning about Indigenous histories and rhetorics This book is of cultural importance and value to academics interested in composition and pedagogy the Cherokee Nation and a general audience seeking to learn about Indigenous rhetorical devices and Cherokee history **Britain's Living Past** Anthony Burton, Rob Scott, 2019-03-07 Britain

s *Living Past* is a celebration of the best of the past of things that have been preserved because they still matter to the community It is a book in which the emphasis is very much on the word living looking at traditions pastimes and working practices some centuries old that survive today not as museum pieces or in pages of a history book but as part of everyday modern life From reminders of Britain s great maritime past in the crafts of the shipwright and the rope maker to the organised mayhem that is the Ashbourne Tuesday football match and the exotic splendour of Giffords traditional circus writer Tony Burton and photographer Rob Scott have travelled the length and breadth of our great nation to recreate for the reader the amazing sights they have seen Together they have travelled from Shetland in the far north to the tip of Cornwall They have sailed along the Scottish coast in a paddle steamer and learned how to make Melton Mowbray pork pies by hand They have watched ponies galloping through the streets of Appleby and resisted the temptation to try too many of the sweets in the world s oldest sweet shop This is a book that delights in the rich diversity of our historic survivors For both author and photographer it has been a pleasure to witness many skilled people at work to discover the complexity of building a fairground organ or to marvel at the skill and athleticism of circus performers This is a book of rich variety that celebrates the great survivors from our islands history *Our Living Heritage* Michael Joslin, 1998 Presents an inside look at the

vitality of the Southern Appalachian culture that has persisted throughout the turbulent twentieth century *Bradshaw On: The Family* John Bradshaw, 2010-01-01 Based on the public television series of the same name *Bradshaw On The Family* is John Bradshaw s seminal work on the dynamics of families that has sold more than a million copies since its original publication in 1988 Within its pages you will discover the cause of emotionally impaired families You will learn how unhealthy rules of behavior are passed down from parents to children and the destructive effect this process has on our society Using the latest family research and recovery material in this new edition Bradshaw also explores the individual in both a family and societal setting He shows you ways to escape the tyranny of family reinforced behavior traps from addiction and co dependency to loss of will and denial and demonstrates how to make conscious choices that will transform your life and the lives of your loved ones He helps you heal yourself and then using what you have learned helps you heal your family Finally Bradshaw extends this idea to our society by returning yourself and your family to emotional health you can heal the world in

which you live He helps you reenvision societal conflicts from the perspective of a global family and shares with you the power of deep democracy how the choices you make every day can affect and improve your world

Making the Bible Modern Penny Schine Gold, 2018-10-18 The Bible has played a critical role in the story of Judaism modernity and identity Penny Schine Gold examines the arena of children's education and the role of the Bible in the reshaping of Jewish identity especially in the United States in the 1920s and 1930s when a second generation of Eastern European Jews engaged the task of Americanizing Jewish culture religion and institutions Professional Jewish educators based in the Reform movement undertook a multifaceted agenda for the Bible in America to modernize it harmonize it with American values and move it to the center of the religious school curriculum Through public schooling the children of Jewish immigrants brought America home it was up to the adults to fashion a Judaism that their children could take back out into America Because of its historic role in the development of Judaism and its cultural significance in American life Gold finds the Bible provided Jews with vital links to both the past and the present The ancient sacred text of the Bible transformed into highly abridged and amended Bible tales was brought into service as a bridge between tradition and modernity Gold analyzes these American developments with reference to the intellectual history of eighteenth and nineteenth century Europe innovations in public schooling and social theory Protestant religious education and later versions of children's Bibles in the United States and Israel She shows that these seemingly simple children's books are complex markers of the pressing concerns of Jews in the modern world

Christian Apologetics Past and Present (Volume 2, From 1500) William Edgar, K. Scott Oliphint, 2011-09-13 Amid a revival of apologetics few things could be more useful than an acquaintance with how Christian faith was defended down through the ages say the editors in their introduction to this two part anthology Access to both historical and contemporary texts gives us fresh insight into how our fathers in the faith responded to the questions facing them Volume 2 in this one of a kind resource takes a sweeping look at apologetics from the Reformation to the present Readings from twenty six apologists including Martin Luther John Calvin Blaise Pascal Jonathan Edwards Søren Kierkegaard Francis Schaeffer Alvin Plantinga and William Lane Craig are included With editorial commentary and questions for reflection Christian Apologetics Past and Present will prove a valuable text for students as well as a unique resource for those interested in defending the faith

Essays in Public Theology Dirkie Smit, 2007-04-01 What is the role of the church in society What role did the church play in South Africa during apartheid in the struggle against apartheid and during the period of transformation The essays collected and published in this volume deal with questions such as these They are all occasional pieces They were written over two decades and reflect the times in which they originated always intended for specific audiences always addressing issues of the particular moment
