Obra reunida de Patricia Shaw: Literatura renacentista Patricia Shaw Fairman, 2000 Pinning Down the Past Mike
Corbishley, 2014-04-17 In a relatively short period of time the pursuit of archaeology has evolved from an antiquarian interest
to a specialised scientific activity Part of this evolution has always included the interest of the public and archaeologists
efforts to educate them As each new method and technique is developed and each new specialism is created the challenge of
making archaeology available as a learning resource grows with it Today for example the issues which surround archaeology
and heritage such as the pressures of tourism on sites now form part of many formal educational curricula This book the first
to deal with the subject in such depth examines the place of education and outreach within the wider archaeological
community Written by one of Britain's leading archaeological educationalists it charts the sometimes difficult and painful
growth and development of education and archaeology Packed full of informative and enlightening case studies from the
circus at Colchester to Sutton Hoo and Hadrian's Wall this work examines exactly how we have reached the point we are at
where that place is and suggests areas for future development By drawing upon many decades of experience at the front line
of archaeological education the author has produced a key text that will play a major role in the on going development of the
heritage industry Publisher's website **The Essential Mystery Lists** Roger M Sobin, 2011-09-30 For the first time in one
place Roger M Sobin has compiled a list of nominees and award winners of virtually every mystery award ever presented He
has also included many of the best of lists by more than fifty of the most important contributors to the genre Mr Sobin spent
more than two decades gathering the data and lists in this volume much of that time he used to recheck the accuracy of the
material he had collected Several of the best of lists appear here for the first time in book form Several others have been

unavailable for a number of years Of special note are Anthony Boucher's Best Picks for the Year Boucher one of the major mystery reviewers of all time reviewed for The San Francisco Chronicle Ellery Queen Mystery Magazine and The New York Times From these resources Mr Sobin created Boucher's Best and Important Lists to Consider lists that provide insight into important writing in the field from 1942 through Boucher's death in 1968 This is a great resource for all mystery readers and collectors Winner of the 2008 Macavity Awards for Best Mystery Nonfiction

Camelot's End Jon Ward, 2019-01-22 From a strange dark chapter in American political history comes the captivating story of Ted Kennedy's 1980 campaign for president against the incumbent Jimmy Carter told in full for the first time The Carter presidency was on life support The Democrats desperate to keep power and yearning to resurrect former glory turned to Kennedy And so 1980 became a civil war It was the last time an American president received a serious reelection challenge from inside his own

party the last contested convention and the last all out floor fight where political combatants fought in real time to decide who would be the nominee It was the last gasp of an outdated system an insider s game that old Kennedy hands thought they had mastered and the year that marked the unraveling of the Democratic Party as America had known it Camelot s End details the incredible drama of Kennedy s challenge what led to it how it unfolded and its lasting effects with cinematic sweep It is a story about what happened to the Democratic Party when the country s long string of successes luck and global dominance following World War II ran its course and how on a quest to recapture the magic of JFK Democrats plunged themselves into an intra party civil war And at its heart Camelot s End is the tale of two extraordinary and deeply flawed men Teddy Kennedy one of the nation s greatest lawmakers a man of flaws and of great character and Jimmy Carter a politically tenacious but frequently underestimated trailblazer Comprehensive and nuanced featuring new interviews with major party leaders and behind the scenes revelations from the time Camelot s End presents both Kennedy and Carter in a new light and takes readers deep inside a dark chapter in American political history
