[A Mission That Matters](#) Jen Bradbury, 2018-08-21 Mission trips have become a staple in youth ministries across the United States The problem is many mission trips remain disconnected from the rest of a congregation's ministry As a result it's often difficult to integrate students' experiences on the field with their lives back home In this book veteran youth worker and author Jen Bradbury will lay out a philosophy for mission trips that does just that Connects what happens on the field with students' lives at home To do so she'll draw upon Scripture as well as stories from the 15 years she's spent leading mission trips herself both domestically and internationally Regardless of how few or how many mission trips a youth worker has led Jen's words will leave them feeling inspired and equipped to create a comprehensive missions strategy that has the chance to leave a lasting impact on teens' congregations and the world
