Our Ancestors Came From Outer Space:

Our Ancestors Came from Outer Space Maurice Chatelain, 1979-03-01 Who are we Where did we come from How did we get here All the answers are here bigger than life and more powerful than fiction presented by the NASA scientist whose Apollo computer program got us to the moon The secret of Atlantis The significance of the Great Pyramid at Giza The lost treasures of ancient Egypt The puzzle of the Mayan Calendar The truth about astrology The world beneath the polar ice caps Stonehenge miracle of mathematics The Rhodes Calendar The Mystery of the Maltese Cross What the Apollo and Gemini astronauts REALLY saw Using sophisticated computers new and previously overlooked information and his direct experience as the NASA scientist who designed and built the Apollo communications and data processing system Maurice Chatelain amasses starting and convincing evidence that our ancestors came from outer space A mathematical approach as well as an archaeological overview Should prove to be considerably more durable than Erich von Daniken's Chariots of the Gods A worthwhile contribution to serious students of the ancient mysteries by a real scientist The Dayton Daily News The Ascension Mysteries David Wilcock, 2016 Wilcock describes the secret cosmic battle between positive and negative happening every day hidden in both the traumas of our own lives and the world's headlines Through his contact with a positive higher intelligence behind the UFO phenomenon groundbreaking scientific information and data from high ranking government whistle blowers he is able to reveal that the earth is now on the front lines of a battle that has been raging between positive and negative extraterrestrials for hundreds of thousands of years Earth is on the verge of a massive cosmic event that will transform matter energy consciousness and biological life as we now know it and will utterly defeat the great villains of our time *The Moon's Galactic History* Constance Victoria Briggs, 2022-10-28 The Moon's Galactic History A Look at the Moon's Extraterrestrial Past and Its Connection to Earth follows the past and present research about the Moon's strange enigmatic history with a focus on an extraterrestrial presence The book examines such questions as Are there Moon inhabitants Are the UFOs seen today connected to the Moon Is there a city on the Moon and more Additionally Briggs discusses things observed on the Moon including anomalous strange lights unidentified flying objects odd constructions artifacts symbols and more This book examines new thoughts and ideas from researchers and what their ideas are today about the extraterrestrial Moon Earth connection and what it means for us With all the information on unidentified flying objects in the news today it is time to have an updated book with current research that investigates both the past and present material on the Moon Did you know that Several of the NASA astronauts reported seeing UFOs while traveling to the Moon the Moon might be hollow Apollo 10 astronauts heard strange space music when traveling on the far side of the Moon mysterious anomalous activity has been seen on the Moon for centuries there are said to be ruins of structures on the Moon and more **The Source Field Investigations** David Wilcock, 2012-07-31 Prepare yourself for a revealing tour through the most incredible scientific mysteries of the world with your guide David Wilcock the New York Times bestselling author of

Awakening in the Dream More than two million people have seen David Wilcock's incredible tour of the 2012 prophecies in his Internet documentary *The 2012 Enigma*. Now he expands his vision with a cutting edge investigation into alternative sciences with deep insights into what is coming in our immediate future. A stunning synthesis of hidden science and lost prophecies *The Source Field Investigations* exposes DNA transformation wormholes ancient conspiracies the Maya calendar and a new model of galactic energy fields triggering mental biological and spiritual evolution. Unlike the apocalyptic viewpoints depicted in big budget disaster films Wilcock believes that 2012 will be a watermark for widespread acceptance of a greater reality and here he lays out the blueprints for such a Golden Age. Antiquity Imagined Robin

Derricourt, 2015-06-26 Outsiders have long attributed to the Middle East and especially to ancient Egypt meanings that go way beyond the rational and observable. The region has been seen as the source of civilization religion the sciences and the arts but also of mystical knowledge and outlandish theories whether about the Lost City of Atlantis or visits by alien beings. In his exploration of how its past has been creatively interpreted by later ages Robin Derricourt surveys the various claims that have been made for Egypt particularly the idea that it harbours an esoteric wisdom vital to the world's survival. He looks at alternative interpretations of the pyramids from maps of space and time to landing markers for UFOs at images of the Egyptian mummy and at the popular mythology of the pharaoh's curse and at imperialist ideas of racial superiority that credited Egypt with spreading innovations and inventions as far as the Americas Australia and China. Including arcane ideas about the Lost Ten Tribes of biblical Israel the author enlarges his focus to include the Levant. His book is the first to show in depth how ancient Egypt and the surrounding lands have so continuously and seductively tantalised the Western imagination.

The Sundisk Gail Logan, 2005-11 There is a legend that if one gazes at the horizon from the summit of the mountain he will glimpse the land from whence we came. The writings of Colonel James Churchward and his lifetime search for the lost land of Mu were the inspiration for *The Sundisk*. In her debut novel Gail Logan takes her characters on an emotional and spiritual quest for this lost world where Eden like splendor melds with the grandeur of a golden age. Through their quest for the forgotten island a remnant of the fabulous continent of Mu the characters reach deep within themselves to make a spiritual discovery of the place. Logan's work suggests that the fabulous lost continent may emerge again when men mend their differences live in peace with themselves and respect the beauty of the natural world. **UFOs, Conspiracy Theories and the New Age** David G. Robertson, 2016-02-25 How and why were UFOs so prevalent in both conspiracy theories and the New Age milieu in the post Cold War period. In this ground breaking book David G. Robertson argues that UFOs symbolized an uncertainty about the boundaries between scientific knowledge and other ways of validating knowledge and thus became part of a shared vocabulary. Through historical and ethnographic case studies of three prominent figures novelist and abductee Whitley Strieber environmentalist and reptilian proponent David Icke and David Wilcock alleged reincarnation of Edgar Cayce the investigation reveals that millennial conspiracism offers an explanation as to why the prophesied New Age

failed to arrive it was prevented from arriving by malevolent hidden others Yet millennial conspiracism constructs a counter elite a gnostic third party defined by their special knowledge An overview of the development of UFO subcultures from the perspective of religious studies UFOs Conspiracy Theories and the New Age is an innovative application of discourse analysis to the study of present day alternative religion

Otto Binder Bill Schelly, 2016-06-07 Otto Binder The Life and Work of a Comic Book and Science Fiction Visionary chronicles the career of Otto Binder from pulp magazine author to writer of Supergirl Captain Marvel and Superman comics As the originator of the first sentient robot in literature I Robot published in Amazing Stories in 1939 and predating Isaac Asimov's collection of the same name Binder's effect on science fiction was profound Within the world of comic books he created or co created much of the Superman universe including Smallville Krypto Superboy's dog Supergirl and the villain Braniac Binder is also credited with writing many of the first Bizarro storylines for DC Comics as well as for being the main writer for the Captain Marvel comics In later years Binder expanded from comic books into pure science writing publishing dozens of books and articles on the subject of satellites and space travel as well as UFOs and extraterrestrial life Comic book historian Bill Schelly tells the tale of Otto Binder through comic panels personal letters and interviews with Binder's own family and friends Schelly weaves together Binder's professional successes and personal tragedies including the death of Binder's only daughter and his wife's struggle with mental illness A touching and human story Otto Binder The Life and Work of a Comic Book and Science Fiction Visionary is a biography that is both meticulously researched and beautifully told keeping alive Binder's spirit of scientific curiosity and whimsy

Mars/Earth Enigma DeAnna Emerson, 1996 **Pyramid of Secrets** Alan F. Alford, 2010 **Walking Through Walls and Other Impossibilities** Milton E Brener, 2011-06-09 The goal of the aliens among us is not the study of Earth for purely academic purposes It is something more vital to the aliens and more portentous for us The picture that emerges from much research makes sense of several aspects of the alien presence previously quite puzzling They apparently are a dying race inhabiting a dying planet They have undoubtedly mastered physical forces and phenomena of which we have not even dreamed But it has come at a terrible cost Their emotional life has been all but lost existing only as a faint remnant from a long distant past They may pity our hopelessly primitive technology but they envy us our robust emotional life Like all living things everywhere they live for the perpetuation of their genes They do not hate us nor do they seek our destruction They seek to create a race of hybrids combining their scientifically superior minds with our rich emotional makeup The ridicule of the entire subject by the government and other forces fearful of upheaval in our society has aggravated the suffering of those chosen and victimized by the aliens who apparently seek ineptly sometimes to minimize it The author combines this scholarly approach with an almost folksy narrative style to make Walking Through Walls a very readable and approachable treatise on the phenomena as good as any book on the subject and far more skillfully written than most including those Brener has referenced most frequently Bud Hopkins Intruders and Philip Corso's The Day after Roswell Blue Ink Review *The Popol*

Vuh: An Astronomy Book D. M. Urquidi, 2011-06-02 The author has unraveled the fascinating history of Astronomy by the Maya before the arrival of Columbus and it does a decent job The focus is on interpreting the intricate highly symbolic artifacts left behind by them as well as by the Aztec and the Inca In addition those of some North and South American tribes especially when their symbols are related to ancient astronomy The writer covers a breadth of scientific astronomical and historical information making bold but often plausible interpretations The author may take you places you've never even imagined

The Haunting of America William J. Birnes, Joel Martin, 2025-06-25 In the tradition of their Haunting of the Presidents national bestselling authors Joel Martin and William J Birnes write The Haunting of America From The Salem Witch Trials to Harry Houdini the only book to tell the story of how paranormal events influenced and sometimes even drove political events In a narrative retelling of American history that begins with the Salem Witch Trials of the seventeenth century Martin and Birnes unearth the roots of America's fascination with the ghosts goblins and demons that possess our imaginations and nightmares The authors examine the political history of the United States through the lens of the paranormal and investigate the spiritual events that inspired public policy channelers and mediums who have advised presidents UFOs that frightened the nation's military into launching nuclear bomber squadrons toward the Soviet Union out of body experiencers deployed to gather sensitive intelligence on other countries and even spirits summoned to communicate with living politicians The Haunting of America is a thrilling exploration of the often unexpected influences of the paranormal on science medicine law government the military psychology theology death and dying spirituality and pop culture At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied

Time Is of the Essence Gail Logan, 2009-09-30 It was half past midnight when Harry Amelia and Natasha stood in the midst of an empty circus arena Vorelis began going through his famous light show routine On ordinary occasions midway through such a routine people would have been brought to their feet with cheers and applause Now there was no audience Vorelis stepped beyond what he ordinarily did during a show The light performance quickly became something else Suddenly the arena disappeared Harry Amelia and Natasha found themselves standing in a field It was daylight and in the distance cows were grazing

Awakening in the Dream David Wilcock, 2021-08-10 New York Times bestselling author David Wilcock's latest captivating work of nonfiction exploring new hidden truths about extraterrestrials dreams sacred science channeling your Higher Self and Ascension What happens when a UFO researcher suddenly comes into telepathic contact with the very beings he has been so avidly studying after years of increasingly provocative dreams What happens when these telepathic readings begin predicting the future with astonishing precision and speaking about an incredible upcoming event in which all life in our solar system will undergo a spontaneous transfiguration David Wilcock is a master at weaving together cutting

edge alternative science shocking insider information and his own personal experiences to reveal stunning truths about humanity positive and negative extraterrestrials lost civilizations and the universe we share In *Awakening in the Dream* David once again combines his extensive research the Law of One series new insider revelations and his own connection with the divine to bring humanity closer to full disclosure than ever before as well as to help us activate our full potential on the eve of Ascension A New York Times bestselling author TV personality filmmaker lecturer and consciousness expert David is the perfect person to guide us through the hidden realities of our world With its myriad information anecdotes big picture comparative analysis with over six hundred references and trustworthy messages channeled directly from the highest level angelic sources including a remarkable set of future prophecies built into the Great Pyramid itself *Awakening in the Dream* promises to be his most astounding book yet

Intrusions Hilary Evans, 2023-02-15 First published in 1982 *Intrusions* examines a wide range of cases down through history showing how ordinary people have regarded the paranormal in contrast with official attitudes and how society as a whole has attempted to deal with happenings that are inexplicable in terms of current scientific or religious theory He discusses questions such as What did Shakespeare's audience feel about Hamlet's father's ghost Why did a renewed interest in magic follow the age of enlightenment How did Victorian science respond to spiritualism and why has scientific psychical research when it finally came encountered continued opposition Drawing on reports and accounts of very kind Mr Evans gives an authentic account of prevailing attitudes focussing for the first time directly on the experiences and points of view of ordinary people He demonstrates that society has been and still is badly served by the intellectual establishment in matters relating to the paranormal Although there are signs that the situation is improving there is still a dismaying degree of reluctance even to investigate let alone accept these phenomena yet they continue to occur and people continue to seek explanations for them This book will be of interest to anyone interested in the mysteries of the paranormal as well as to students of parapsychology history and literature

The UFO Phenomenon Robert Davis, 2015-02-28 A comprehensive perspective of evidence and future directions associated with the UFO phenomenon Includes review and analysis of studies evidence theories and research needs involving UFO topics Extensive scientific endnotes
