*The Fight of Our Lives* William J. Bennett, Seth Leibsohn, 2012-10-03 This bold and readable book makes a powerful if controversial case against appeasing terrorists and those who support them Alan Dershowitz Ten years ago when radical Islamist terrorists used three U S airplanes to kill nearly three thousand of our countrymen America was angry It was a focused and justified anger one that generated clear objectives and a willingness to meet them But that resolve has deteriorated so much that many of our nation s top political and military leaders will scarcely utter the word that brought us here terrorism let alone the ideology that fuels it radical Islam In *The Fight of Our Lives* William J Bennett and Seth Leibsohn examine the devolution of America s post 9 11 tenacity and how this country s well meaning culture of religious tolerance coupled with soft and apologetic political leadership has placed us squarely in the pocket of radical Islamists who have made clear their intention to obliterate everything we value America s devotion to political correctness has crippled its ability to accurately interpret and respond to the motives of its fiercest enemies Unless we change course and re engage the fight the costs of our tolerance will prove tragic and immeasurable *The Fight of Our Lives* helps readers refocus to reframe and understand the threats we face By surveying and explaining the current scene Bennett and Leibsohn point the way to a future in which our enemies are properly acknowledged and firmly opposed Many have forgotten the mortal threat to America that is radical Islam Bennett and Leibsohn explain why we must wake up and what we need to do Mark Levin talk show host and 1 New York Times bestselling author
