Our English Bible In The Making:

Our English Bible Willard Nathan Tobie, 1905 *A Dictionary of the English Bible and its Origins* Alec Gilmore, 2014-02-04 The Dictionary of the English Bible and Its Origins is designed to increase awareness of the origins of the Bible to introduce readers to the variety of versions and manuscripts that lie behind the familiar English translations to provide in alphabetical order entries on texts versions manuscripts persons places and terminology covering the origins of the Hebrew Bible the New Testament and the English Bible including the most recent translations and generally to facilitate a more intelligent understanding of the Bible among lay people by removing some of the mystique and prejudices associated with it Entries are factual not evaluative and reflect contemporary biblical scholarship Dictionary of the English Bible and Its Origins will prove to be a handy reference tool for anyone with an interest in the Bible **Our English Bible** H. The New Cambridge Bibliography of English Literature: Volume 1, 600-1660 George Watson, Ian Roy Willison, 1974-08-29 More than fifty specialists have contributed to this new edition of volume 1 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries *A Concise Dictionary of Bible Origins and Interpretation* Alec Gilmore, 2006-01-01 Provides students with concise manageable information on the history and context of the Bible specifically the different texts interpretations and versions available **Our English Bible: Its**

Our English Bible: Its Translations and Translators Rev. John Stoughton (of Kensington.), 1878 **Our English Bible ...** Daniel Parish Kidder, 1849 **In Discordance with the Scriptures** Peter Johannes Thuesen, 2002 The story of the translation of the Bible in America begins with the King James Version In fact many Americans thought of the KJV as the foundational text of the Republic rather than a cultural inheritance from Anglican Britain In the nineteenth century however as new editions of the Greek New Testament appeared scholars increasingly recognized significant errors and inconsistencies in the KJV This soon led to the Bible revision movement whose goal was the uniting of all English speaking Protestants behind one new improved version of the Bible Ironically as Peter Thuesen shows in this fascinating history the revision movement in fact resulted in a vast proliferation of English scripture editions and an enduring polarization of American Christians over versions of Holy Writ The recurrent controversies over Bible translations he argues tell us less about the linguistic issues dividing conservatives and liberals than about the theological assumptions they have long held in

common The Ancestry of Our English Bible Ira Maurice Price, 1906 The Ancestry of Our English Bible An Account of the Bible Versions Texts And Manuscripts by Ira Maurice Price first published in 1907 is a rare manuscript the original residing in one of the great libraries of the world This book is a reproduction of that original which has been scanned and cleaned by state of the art publishing tools for better readability and enhanced appreciation Restoration Editors mission is to bring long out of print manuscripts back to life Some smudges annotations or unclear text may still exist due to permanent damage to the original work We believe the literary significance of the text justifies offering this reproduction allowing a new generation to appreciate it *The History of Our English Bible, a Lecture* Frederic EDWARDS (B.A., of Harlow, Essex.), 1860 *A Letter shewing why our English Bibles differ so much from the Septuagint, though both are translated from the Hebrew original. Signed: T. B., i.e. Thomas Brett* Thomas Brett, 1760 *Practically Identical Bibles: The Geneva Bible, the KJV, and the NKJV?* Rick Norris, 2017-09-03 This thought provoking book discusses a scripturally based view of English Bible translations such as the Geneva Bible the KJV and the NKJV It considers and responds to several KJV only allegations against the NKJV with many facts from the Geneva Bible the KJV and the NKJV It demonstrates that a consistent application of KJV only allegations would harm the KJV itself Problems with inconsistent human KJV only reasoning are properly exposed
