

The background of the slide is a composite image. At the top, a large Union Jack flag is displayed. Below the flag, on the left, is a detailed stone sculpture of the Lion of London. In the center, the tall, slender Monument to the Great Fire of London rises. To the right of the monument, a portion of a large, multi-story building with many windows is visible. The entire scene is in a muted, greyish tone, with the text overlaid in black.

Charles Ocelus Fitzwater, 1958 While Australia Sleeps Rev'd Dr Graham J Whelan OAM, 2022-01-10 I have no problem with what people believe I believe our governments when people want to change our way of live because of what they believe As a Minister of the Gospel of Our Lord Jesus in this wonderful peaceful Christian civilisation with a Christian heritage and a blessed way of life Our Lord said Therefore I tell you do not worry about your life what you will eat or drink or about your body what you will wear Is not life more than food and the body more than clothes Look at the birds of the air they do not sow or reap or store away in barns and yet your heavenly Father feeds them Are you not much more valuable than they Can any one of you by worrying add a single hour to your life And why do you worry about clothes See how the flowers of the field grow They do not labour or spin Yet I tell you that not even Solomon in all his splendour was dressed like one of these If that is how God clothes the grass of the field which is here today and tomorrow is thrown into the fire will he not much more clothe you you of little faith So do not worry saying What shall we eat or What shall we drink or What shall we wear For the pagans run after all these things and your heavenly Father knows that you need them But seek first his kingdom and his righteousness and all these things will be given to you as well Therefore do not worry about tomorrow for tomorrow will worry about itself Each day has enough trouble of its own Matthew 6 25 34 NIV Remember what Jesus said about today So don t worry about tomorrow for tomorrow will bring its own worries Today s trouble is enough for today We pray our politicians will be faithful each day to punish wickedness vice and treason and honour our Christian heritage and way of life I am writing this book with great concern about the direction of our wonderful country The constant media reports about Britain France Belgium Holland Denmark Sweden Italy Greece Africa and even now the United States of America to start with are very disturbing Remember 9 11 And just recently the killing of a priest in his church in France Where is the love and the peace As a student of history I was amazed at the excellent works by authors John F Kennedy and Louise Shaw concerning the events in Europe 1932 1939 Kennedy wrote Why England Slept whereas Shaw examined how the political elite at the time were ineffective Sir Winston Churchill who is one of my heroes and whose grave I visited in Bladon wrote a book While England Slept Hence the title of my book While Australia Sleeps I will repeat some of these comments later in this research work for emphasis simply because Australia is asleep to the infiltration of Islam since 1966 Much of the media

reports I would love to use are prohibited due to copyright restrictions a form of censorship To me another form of discrimination against true Australians those who love our country our system of government OUR LAWS which others are ignoring and would wish to overturn We are the ones being discriminated against since 1966 Hopefully this will be explained later in the case The Two Dannys Claims of racial hatred go both ways or do they Most true Australians are not racist but PATRIOTS We are grateful to our forefathers Our forefathers cared for our welfare and sacrificed their youth and lives some immigrants care for our welfare The President of the group to which I belong said Denmark may have 5% Muslim population but they use 40% of the welfare budget So I was thinking about the title of this book Firstly Why Australia Slept Then Why is Australia Still Sleeping Also While Australia Slept But now While Australia Sleeps So what s happening As a Christian Civilization with Christian Heritage and way of life we are blessed in this wonderful country Australia *Catalog United States. those laws Custody legitimacy adoption and paternity are examined from a legal standpoint Child support visitation scheduling and third party parenting and visitation rights are also discussed Finally current trends that affect paternity laws are examined Major cases statutes and model acts that exemplify changes in paternity laws are listed in three appendices

the reasons for individual families choosing this lifestyle secondly the role of the National Trust as both guardian and interpreter of these houses and their collections and finally and most importantly the influence of textiles to contribute to the appearance of interiors and their physical attributes that carry historical resonances of the past The importance of preserved textiles in establishing the visual character of historic houses is a neglected area and therefore the prominence given to textiles in this project constitutes an original contribution to the study of these houses Drawing upon a range of primary sources including literature produced by the National Trust for their sites and documentary sources for the families and their houses such as diaries letters and household accounts the study takes a broad approach that will be of interest to all those with an interest in material culture heritage collecting studies and cultural history
