Divorce Rape - Second Edition Abe C. Fathers, **The Spartan Lady in Red** Steve Spencer, 2025-04-11 This is a story of a modern day Spartan Though not a biography it is biographical in the form of anecdotal tales inspired by a life well lived The life and work of Debby House Spencer positively affected folks and communities throughout Appalachia and the mid southern part of the USA Through dogged determination and her mantra of we make things happen she completed hundreds of projects by getting folks to work together Her mental and physical toughness were epic yet simple and stoic thus the Spartan analogy In her honor this book is a celebration of her life not about grieving and her death My method of dealing with her loss has been to write about Debby's anecdotal history and cherished memories from our 42 years together The anecdotes about my best friend lover wife and partner are blended with

entries from my journal posted as a blog in the year following her death As a critic and unofficial editor she helped with my earlier book writing efforts She knew that specific truth involving my storytelling was semi twisted As Mark Twain stated A writer should never let the truth stand in the way of a good tale With that said do not assume that this is a work of fiction All the tales happened There are no lies and no fabrications However my memory may be somewhat fogged with age and the numerous blows to my head through the years This book is the result of encouragement by a wide range of folks Some had also lost spouses some only desired to read my tales but many were friends who thought I had some talent Though I question the talent thing writing is how I manage the grieving process from her loss And notice the tense in the previous sentence because memories last a lifetime and grief never ends Understanding that grief will never end does not mean I spend considerable time depressed Rather it is a recognition that life goes on albeit with significant changes

A Funny Thing Happened B. E. White, Jr.,2014-08-29 The humorous stories that Dr White tells about in this book are all about people in and out of the church and the ups and downs of life in the parsonage Funny things can happen at church and the behavior of some religious people can make you laugh and laugh Behind the humor in this book is often a spiritual truth But this is more than a religious book It is about changing times in North Carolina for three quarters of a century Dr White keeps telling about things he has learned during this time or maybe he is subtly teaching his readers to learn with him what religion is really all about The people in the stories may seem like someone you know in your own church or family The comical stories will entertain you while you ponder their meaning The more serious ones may touch you deeply
