Preachers often think of prophetic preaching in the caricature of the prophet as the lonely outsider confronting the congregation often angrily with the congregation's complicity in social injustice and with a bracing call for repentance. The twenty-seven essays and sermons in this book offer a different perspective by viewing prophetic preaching specifically and ministry practical theology and theological education more broadly as pastoral care for the community in prophetic perspective. Such preaching does indeed bring a critical theological analysis of justice concerns to the center of the sermon but in such a way as to invite the congregation to consider how the move toward justice is a pastoral move that is a move that seeks to build up community. Rather than contributing to the polarization so rampant in today's social world, the preacher seeks to help the congregation build bridges along which concern for justice can travel. The contributions honor the work of the late Dale Andrews, a scholar of preaching and practical theology at the Divinity School, Vanderbilt University, whose seminal work inspires the notions of prophetic care and building bridges to justice. With contributions from Donna Allen, L. Susan Bond, Teresa Fry, Brown Gennifer Brooks, Teresa Eisenlohr, Anna Carter Florence, Kenyatta Gilbert, R. Terlizese,2024-07-24. The Book of Revelation: The Climax of Hope by Lawrence J. Terlizese offers a profound exploration of the final book of the Bible, revealing its timeless relevance and urgent message for today's world. Terlizese masterfully bridges ancient prophecies and contemporary issues, interpreting John's apocalyptic visions in the context of modern existential threats such as environmental degradation, technological overreach, and global conflicts. This work challenges readers to see beyond the surface of contemporary life, question secular ideologies, and embrace a life of faith, resilience, and social responsibility. Terlizese's unique approach emphasizes that Revelation is not merely a prediction of future events but a call to action against the idols of modernity, urging believers to confront societal challenges with the hope and assurance of divine justice and redemption. The Book of Revelation: The Climax of Hope stands as a testament to the enduring power of prophecy to inspire hope and catalyze change, inviting readers to engage deeply with the prophetic call to live out their faith in transformative ways. Join Terlizese on this journey through the apocalyptic visions and profound

pastors correctly identify the big idea of a passage and apply it well Preaching with Accuracy provides preachers with a
method for finding the big idea in each passage of the Bible since correctly identifying the main point is key to accurately
conveying the essential theology of the passage Pelton lays out a reliable well informed method for identifying the main point
of a preaching passage and understanding that passage well in its context Numerous examples are given at each step of the
