Lukas, 2013-07-24 Moving testimonies recount the sadism mass murders deportations and imprisonment which Poles suffered at the hands of Hitler s invading army Publishers Weekly Richard Lukas s book encompassing the wartime recollections of sixty ordinary Poles under Nazi occupation constitutes a valuable contribution to a new perspective on World War II Lukas presents gripping first person accounts of the years 1939 1945 by Polish Christians from diverse social and economic backgrounds Their narratives from both oral and written sources contribute enormously to our understanding of the totality of the Holocaust Many of those who speak in these pages attempted often at extreme peril to assist Jewish friends neighbors and even strangers who otherwise faced certain death at the hands of the German occupiers Some took part in the underground resistance movement Others isolated from the Jews experience and ill informed of that horror were understandably preoccupied with their own survival in the face of brutal condition intended ultimately to exterminate or enslave the entire Polish population These recollections of men and women are moving testimony to the human courage of a

people struggling for survival against the rule of depravity The power of their painful witness against the inhumanities of those times is undeniable Lukas presents a selection of oral and written memoirs of some 60 Polish men and women who lived through the German occupation of Poland in World War II Library Journal *The Jewish Era*, 1896 The Jewish herald and record of Christian effort for the spiritual good of God's ancient people [afterw.] The Jewish missionary herald and record of the British society for the propagation of the gospel among the Jews [afterw.] The Herald International society for the evangelization of the Jews, 1860 *Living Waters from Difficult Passages* Thomas Moore, 2019-11-14 This book is an unforgettable journey that is a must read for every believer As the days grow darker it is essential everyone who desires to live for Jesus understand the difference between Churchianity and Christianity This book clears a path through the religious jungle and clearly identifies the Way of Salvation This necessarily involves the full extraction of the common religious practice of tithing from Christian doctrine What is this book about It is about everything that pertains to Godliness and everything that frustrates Godliness It is about growing in Christ and blossoming in faith as well as dying to pride and rejecting the world We are shown the difference between the treasures of Grace and the treasures of the world as we learn a new appreciation for our Lord Jesus Christ and all He won on the cross for us This book is a guide to spiritual maturity where we learn to say along with John the Baptist He must increase but I must decrease John 3 30 KJV Something involved in these issues is dealing with questions that have plagued many believers about how Malachi 3 8 11 has been taught to them Am I really cursed as a robber of God for failing to pay my tithes Will I really open up new Heavenly windows of blessing by faithfully paying my tithes The answers to these questions involve all the schools of systematic theology which requires a deep thorough inspection into the contents of the Gospel of Grace the plan of salvation and the Priesthood of Christ

Peace and Faith Cary Nelson, Michael C. Gizzi, 2021-10-26 PEACE AND FAITH Christian Churches and the Israeli Palestinian Conflict composed of new essays is the first collection to bring together writers from different faith communities to discuss the Boycott Divestment and Sanctions movement's impact on one of the more fractious topics addressed by Christian denominations the Israeli Palestinian conflict In so doing it builds on interfaith projects under way for decades Theology and politics intermingle in debates taking place in local churches Christian NGOs and national church meetings that define official policy The debates revive and reframe the most basic values of Christianity and the questions church members seek to resolve How do Christians today hew to the principles Jesus articulated How can justice be pursued in the context of competing national narratives and historical understandings What bearing do or should centuries of Christian violence against Jews and Muslims have on contemporary theology and ethics Is it ethical or even possible to set aside millennia of Christian anti-Semitism in judging Israel's conduct What Christian values should be honored in pursuing Jesus's mission of reconciliation today How may the pursuit of truth be corrupted by passionate social witness Can advocacy cross the line into hatred These are among the critical questions this collection poses and attempts to address **Understanding**

the Doctrine of the Trinity John Weekes,2001-04-29 In writing this book I was mindful of the many areas of conflict that exist between Christian and Christian Christian and Jew Christian and Jehovah Witness Members of The Church of Latter Day Saints and others The purpose was to examine critically some of the main areas of conflict and measure them against what the bible has to say concerning the Godhead Father Son and Holy Spirit and to arrive at a reasonable honest and dispassionate conclusion One very clear and positive way was to show that Jesus that great and unusual man of history was indeed a man from heaven and is in fact God incarnate Even those who have not accepted Jesus as God or equal with God must admit that he was like no other He was born in a lowly stable and died a convicted felon Yet the world in short order turned to him Even the mighty Roman Empire which initially haunted and crucified hanged and hounded Christians eventually turned to Him and acknowledged Him The evidence then is that Jesus is someone special The Jewish ruler Nichodemus acknowledged he was from God It follows therefore that if Jesus was from God then it is reasonable to accept that he was a person of truth and integrity Yet Jesus said he was God God seems to have been well pleased with Jesus Is it not reasonable therefore to accept Jesus at His word Commonsense and logic answers a resounding Yes **The Olive Tree Connection** John Fischer,1983 Yeshua of Nazareth was Jewish His twelve disciples were Jewish and the Bible was written by Jews Gentiles adopted Yeshua as exclusively their own and Jews grew to fear the very word Christian John Fischer maintains that Gentile and Jew can once again share Israel s Messiah back cover *An Orphan in History* Paul Cowan,2012-01-16 Sometimes we must look into the past in order to face the future After growing up as a fully assimilated Jew Paul Cowan embarked in his mid thirties upon a journey to discover and appreciate his true identity and heritage This orphan in history relates his search for these roots detailing the path he took from his Park Avenue home to nineteenth century Lithuania to a contemporary Israeli kibbutz leading to remarkable personal discoveries that will move everyone who has yearned to know more about their past An Orphan in History is a classically beautiful inspiring story of how one man evolved from describing himself as an American Jew to an American and a Jew This story will inspire you to journey in search of your true self **A Pilgrimage to the Land of My Fathers** Moses Margoliouth,1850 [The Nazi Holocaust. Part 5: Public Opinion and Relations to the Jews in Nazi Europe. Volume 1](#) Michael Robert Marrus,2011-08-02 No detailed description available for PUBLIC OPINION AND RELATIONS TO JEWS NAZI HOLOCAUST 5 1 E BOOK *Brith Sholom News* ,1928 *Testimonies of Jews who Believe in Jesus* ,1992 Testimonies may take you by surprise All kinds of Jews have counted the cost considered the claims and committed themselves to following Jesus as the Messiah In this book you ll read about a doctor a lawyer and a couple of business chiefs who candidly tell the events that led them to Y shua Jesus Also included are Paul Steiner a scientist Stan Telchin a pillar of the Jewish community Vera Schlamm a holocaust survivor people who some might think have every reason NOT to believe in Jesus They have come to faith in Him for reasons which are told between the covers of this book
