Our Journey With Jesus Discipleship In Luke Acts:

New Views on Luke and Acts Earl Richard, 1990 This volume is a product of the Luke Acts Task Force of the Catholic Biblical Association The intended readership of this collection of articles is threefold The introductory essays address the relative beginner in Biblical studies as well as those who do not specialize in Luke and Acts These are provided with an overview of Luke the early Christian writer The principal reader of this collection however is the Biblical student and teacher who requires a relatively comprehensive survey of Lukan studies in terms of content and methodology Both teacher and student will find in these essays an excellent companion to the actual text of Luke and Acts At the same time a number of these essays break new ground and offer a challenge to other New Testament scholars **Our Journey with Jesus** Dennis M. Sweetland, 1987

The Gospel of Luke Joel B. Green, 1997-10-02 This highly original commentary part of the New International Commentary is unique for the way it combines concerns with first century culture in the Roman world with understanding the text of Luke as a wholistic historical narrative **A Feminist Companion to Luke** Amy-Jill

Levine, Marianne Blickenstaff, 2002-07-15 The third volume in this series deals with Lukan themes in feminist perspectives The fourteen essays from an international authorship cover a range of issues including Imperial Masculinity Mary and Asceticism Martha in the Kitchen and Reading Luke 15 with Arab Christian Women The list of contributors includes Robert Karris Mary Rose D Angelo Brigitte Kahl Turd Karlsen Seim Barbara Reid Teresa Hornsby Ben Witherington III Esther DeBoer Veronica Koperski Loveday Alexander Warren Carter Pamela Thimmes Carol Schersten Lahurd and Maris Luisa Rigato The volume also includes an introduction by the editor and a bibliography [Rhetorics and Hermeneutics](#) James D. Luke the Theologian François Bovon, 2006 In this completely revised and updated edition François Bovon provides a critical assessment of the last fifty five years of scholarship on Luke Acts The study divides thematically with individual chapters covering the subjects of history and eschatology the role of the Old Testament Christology the Holy Spirit conversion and the church Each chapter begins with a consideration of the exegetical and theological problems unique to each theme in Luke Acts before providing a detailed survey and critique of contemporary English German French Spanish and Italian New Testament scholarship **Following Jesus** Phillip C. Thraillkill, 2022-10-17 Two questions are braided together in Luke's Gospel Who is Jesus and what does it mean to be his student and apprentice The church has spent much of its intellectual energies on the first question but not so much on the second We are precise in our Christology and vague in our Discipleology my new word Of the four biographies that open the New Testament Luke is perhaps the best equipped to answer the question of what it means to follow Jesus along with others and what we can expect in the process Luke's Gospel is dense with story after story about Jesus's stumbling goofy persistent disciples And his second volume Acts continues the

tale There is a deep continuity as Luke teaches between Jesus's original disciples and the ones who later declared their allegiance to him after his resurrection We walk in the footsteps of pioneers in this new way of living with a Jesus who is always near but just beyond sight The aim of this book is to plunder the fruits of New Testament scholarship especially the tools of rhetorical and narrative criticism to highlight what an incredible adventure came with the call to follow me **Luke** Nicholas Perrin, 2022-07-05 In this insightful and accessible commentary Nicholas Perrin examines Luke's Gospel section by section exploring the context in which it was written providing astute commentary and then unpacking its theology Part of the Tyndale New Testament series this commentary offers thorough understanding of Luke's content and structure as well as its continued relevance for today **Following the Master** Michael J. Wilkins, 2010-08-03 In the aftermath of the waves of discipleship programs that have swept over the church in the last 30 years clergy and laypersons alike are more confused than ever about what it means to be a disciple of Jesus Christ What should a disciple of Jesus look and act like today What is the relationship between discipleship and salvation between discipleship and sanctification between discipleship and ministry How were disciples of Jesus different from other disciples in the ancient world How did the early church carry out Jesus' agenda in making disciples of all the nations In *Following the Master* Michael J Wilkins addresses these and many other questions that perplex the church today not by offering another discipleship program or manual but by presenting a comprehensive biblical theology of discipleship *Following the Master* compares other forms of master-disciple relationships in existence in the ancient Judaism and Greco-Roman world traces Jesus' steps as he called and developed disciples and Mediterranean world as it followed Jesus' command to make disciples *Following the Master* lays the groundwork necessary for developing biblical discipleship ministries in the church on the mission field and in parachurch ministries It is essential reading for all pastors students and Christian workers **Stewardship and Almsgiving in Luke's Theology** Kyoung-Jin Kim, 1998-03-01 This book starts with questions concerning Luke's idea of the relationship between wealth and discipleship Previous attempts have not succeeded in reconciling the ideas of wealth and poverty with the theme of discipleship in Luke's theology This failure motivates Kim to investigate a new paradigm namely stewardship Reviewing the wide range of material regarding wealth and poverty in Luke Acts he concludes that for Luke a proper way for Christians as stewards to use their wealth is almsgiving in the interests of the poor and needy inside and outside the community **Actualité de la pensée médiévale. Recueil d'articles.** Joseph Verheyden, Jozef Verheyden, 1999 This volume contains the papers presented at the 47th Colloquium Biblicum Lovaniense Leuven 1998 The general theme of the meeting was the unity of the Gospel of Luke and the Acts of the Apostles Main papers on this topic were read by R L Brawley J Delobel A Denaux J A Fitzmeyer F W Horn J Kremer A Lindemann O Mainville D Marguerat F Neirynck W Radl M Rese J Taylor C M Tuckett and J Verheyden While a large majority of scholars agree that Luke intended his work to cover both the past and the continuing history of Jesus' Gospel and Acts the essays also illustrate the complexities of this view on the unity of Luke Acts when it comes to interpret the

Reardon, 2021-01-14 Timothy W Reardon uncovers the salvation narrative developed within Luke Acts and its key themes as they develop within the Lukan presentation of time and space while being attentive to overcoming a facile compartmentalization of religion and politics Reardon argues that Luke Acts offers a complete holistic embodied and theopolitical soteriology cosmic in scope that includes both the what and how of salvation In contrast to recent arguments for some form of vicarious expiation in Luke Acts Reardon instead suggests that Luke Acts presentation of salvation though exhibiting elements of multiple atonement models noticeably takes a Christus Victor form using Irenaeus s Christus Victor paradigm in particular as a point of comparison Throughout this book Reardon repeatedly demonstrates that Lukan soteriology is political examining Jesus role as herald of God s kingdom the salvific space of heaven and the Church and the mission of salvation Reardon concludes that Luke Acts is a theopolitical salvation unfolding in space aiming toward the reconciliation of all things *Reading Luke* Craig G.
