Deiparine, 2025-07-08 In the history of mankind we are instinctively drawn to religion which is indicative of God's real presence in our lives Thus in every country and places on earth all kinds of religion or faith are being practiced In the place called the Holy Land three prominent religions of Islam Christianity and the Jewish faith became true witnesses of the real existence of God It was God chosen people the Jewish race that God revealed Himself and they shared to us their God who

created us all The God of Noah Abraham Moses Isaac and Jacob is the One and Only true God became the centerpiece of mankind's religion Abraham of the Jewish descend was chosen by God to become father of many nations of which the Islamic and the Christian faith came to existence The great prophet of Israel Moses recorded the history of God with his writings on the Old Testament the Five Books of Genesis Exodus Leviticus Numbers and Deuteronomy The Jewish faithful revered the teachings of the Torah and we can see them doing their religious ritual at the Wailing Wall their most revered sacred site in Jerusalem Also in Jerusalem the Islamic faith had their famous shrine the Dome of the Rock while the Christian faith had many revered religious site where the Son of God and Man revealed and renewed religion to the fullness of the truth The long awaited Messiah the Savior of mankind became the central Figure of the New Testament where He showed us the way the truth and the life In Jerusalem the holy city millions of Christians made pilgrimage to the most revered most sacred site The Church of Holy Sepulchre the place where the Son of God and Man died was buried and rose from the dead Theologians who seriously studied the Old and New Testament and comparing one to each other can easily conclude that the Christian religion is far more superior than the Jewish and Moslem religion by simply comparing their founder or their spiritual leader In the Jewish faith the faithful are formed through the Mosaic Laws written by their spiritual leader Moses the great prophet of Israel The Moslem religion was founded by their prophet Mohammed but the Christian religion was founded by the Son of God and Man Jesus Christ Analytically Moses and Mohammed though they were chosen to be prophets of God could never saved their flock for the simple reason that they do not the way the truth and the life While the Son of God and Man was sent by God the Father so to redeem and restore us back to Him The book reveals that God sent His only Begotten Son not only to redeem and save us but most importantly to established the Catholic Church as the new ark so mankind will be saved from eternal death The central figure of this book is the Great Lady of God the Great Lady of our race a lowly creature like us chosen as the most worthy bride of God Holy Spirit which eternally sealed the union of God Spirit and mankind flesh Once the union was consummated by the birth of the Son of God and Man mankind was made worthy to enter the kingdom of Heaven prepared by the Risen Lord To conclude without Mary's yes mankind can never be saved And as Mother of God Mother of the Church Mother of Salvation this Great Lady of God will be the one who will unite all religion into her Son under the Patronage of Our Lady of Unity

*Our Lady of the Forest* David Guterson, 2004-10-04 Ann Holmes seems an unlikely candidate for revelation A sixteen year old runaway she is an itinerant mushroom picker who lives in a tent Her past has been hardscrabble Then one November afternoon in the foggy woods of North Fork Washington the Virgin comes to her clear as day Is this delusion a product of her occasional drug use or a true calling to God Gradually word spreads and thousands converge upon the already troubled town For Tom Cross an embittered logger who's been out of work since his son was paralysed in a terrible accident the possibility that Ann's visions are real offers a last chance for him and his son As Father Collins searches both his own soul and Ann's as Carolyn struggles with her less than admirable intentions as Tom

alternates between despair and hope Our Lady of the Forest combines suspense grit and humour in a story of faith at a contemporary crossroad      **Our Lady of Lourdes** Anonymous, 2023-05-06 Reprint of the original first published in 1872 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost
