John GOUGH (of Kendal.)

Our Last Term:

The Last Word Yusuf Kodwawwala Dawood, 2012 *The Last Word* by Yusuf Dawood concludes the quartet of the Surgeon's Diary in book format. The other three are Yesterday Today and Tomorrow Off my Chest and Behind the Mask. The beautifully executed stories in *The Last Word* are adorned with occurrences from the author's extensive travels and medical experiences, some heart-rending and others with exultant endings. Dawood's stories are lit with humor and wit that make the myriad medical challenges seem surmountable. The stories though appearing in the Surgeon's Diary are fresh and authentic. Just like in the other three titles that form the quartet, the author has once again used his scalpel and pen with prowess to bring real surgical drama to our doorstep. Dawood, a celebrated surgeon and formidable author, has authored *The Price of Living One Life too Many*, *Water Under the Bridge*, among others. *The Last Word* is his eleventh title. Higher Arithmetic, designed for the use of high schools, academies and colleges, etc George R. PERKINS (Professor of Mathematics.), 1841 *The Last Word* Morley Kev, 2011-12. Attempting to avert malpractice for voluntary intervention outside of the realm of a psychiatrist, a patient is diagnosed as a paranoid schizophrenic conveniently within the realm of psychiatry, leading to the decision to take a medical discharge from the shared employer rather than agree to take psychotic medication with all the associated and numerous potential side effects. While seeking commensurate compensation for a host of injustices including wrongful release, malpractice inclusive of experimentation, wilful negligence, and even fraud, and attempted blackmail, not only do the relevant systems fail, but without exception, so do the respective appeal levels, resulting in our subject ending up in jail temporarily in solitary confinement, now alleged of becoming a dangerous paranoid schizophrenic, forced to forfeit all firearms as well as subsequently agree to an order prohibiting the possession of any firearms or ammunitions for a period of five years, effectively rendering Canada a democratically elected government regulated by nothing more than dictators, that the appointed courts condone. Once mortgage-free with sizable savings and numerous other assets, the victim, over a decade later, after meeting with about 50 lawyers, is broke and mortgaged to the hilt, barely able to make minimum monthly payments to remain in a modest 1232 square foot home and afford a life style consisting of little more than the essentials while watching his long-held belief of becoming married and having children with someone of his choice in an affluent lifestyle vanish as the sun sets on his youthful years still celibate and with no closure to financial compensation for any injustice still experiencing cruelty. **Bedford's Arithmetic.
