Someone To Tell It To: Sharing Life's Journey Michael Gingerich & Tom Kaden, 2014-06-25 This is the account of two men who believe that we are created for deep meaningful and emotionally intimate relationships. The authors have found these relationships with their wives and they are models for their children. They experience this kind of relationship with each other. They share how vital these relationships are through their non-profit *Someone To Tell It To*. They create safe environments for people to share the stories of their lives openly and unashamedly. They encourage others to find safe people in their lives to foster relationships that provide true support, unconditional love and grace. This book shares the authors' stories and the stories of others who are seeking meaning and purpose in their lives, especially when faced with challenges and questions. *Someone To Tell It To* may remind us that we are not alone in our fears or in our feelings of inadequacy and uncertainty. Readers may be motivated to create more vital connections in their lives, connections that can be life giving and soul enriching that can bring peace in the dark seasons of our lives. Having someone to tell it to, as author Miles Franklin writes, is one of the fundamental needs of human beings.
