A Splurgh in the Kisser Sam Wasson, 2011-07-21 With one of the longest and most controversial careers in Hollywood history Blake Edwards is a phoenix of movie directors full of hubris ambition and raving comic chutzpah His rambunctious filmography remains an artistic force on par with Hollywood's greatest comic directors Lubitsch Sturges Wilder Like Wilder Edwards's propensity for hilarity is double helixed with pain and in films like Breakfast at Tiffany's Days of Wine and Roses and even The Pink Panther we can hear him off screen laughing in the dark And yet despite those enormous successes he was at one time considered a Hollywood villain After his marriage to Julie

Andrews Edwards's Darling Lili nearly sunk the both of them and brought Paramount Studios to its knees Almost overnight Blake became an industry pariah which ironically fortified his sense of satire as he simultaneously fought the Hollywood tide and rode it Employing keen visual analysis meticulous research and troves of interviews and production files Sam Wasson delivers the first complete account of one of the maddest figures Hollywood has ever known **Henry Mancini** John Caps, 2012-02-15 Through film composer Henry Mancini mere background music in movies became part of pop culture an expression of sophistication and wit with a modern sense of cool and a lasting lyricism that has not dated The first comprehensive study of Mancini's music Henry Mancini Reinventing Film Music describes how the composer served as a bridge between the Big Band period of World War II and the impatient eclecticism of the Baby Boomer generation between the grand formal orchestral film scores of the past and a modern American minimalist approach Mancini's sound seemed to capture the bright confident welcoming voice of the middle class's new efficient life interested in pop songs and jazz in movie and television in outreach politics but also conventional stay at home comforts As John Caps shows Mancini easily combined it all in his music Mancini wielded influence in Hollywood and around the world with his iconic scores dynamic jazz for the noirish detective TV show Peter Gunn the sly theme from The Pink Panther and his wistful folk song Moon River from Breakfast at Tiffany's Through insightful close readings of key films Caps traces Mancini's collaborations with important directors and shows how he homed in on specific dramatic or comic aspects of the film to create musical effects through clever instrumentation eloquent musical gestures and meaningful resonances and continuities in his scores Accessible and engaging this fresh view of Mancini's oeuvre and influence will delight and inform fans of film and popular music John Caps is an award winning writer and producer of documentaries He served as producer writer and host for four seasons of the National Public Radio syndicated series The Cinema Soundtrack featuring interviews with and music of film composers He lives in Baltimore Maryland A volume in the series Music in American Life
