Public Opinion In Soviet Russia A Study Of Mass Persuasion:

Public Opinion in Soviet Russia Alex Inkeles, 1962 **An Essay on Sources for the Study of the Communist Party of the Soviet Union, 1934-1960** John Alexander Armstrong, 1961 *Critical Readings on the Communist Party of China (4 Vols. Set)* Kjeld Erik Brodsgaard, 2016-12-12 The Chinese Communist Party CCP with nearly 90 million members is the largest ruling political party in the world Its power and influence reach into every corner of state society and economy in China Given the CCP s omnipresence in depth knowledge of how the CCP is organised and managed and how it will likely evolve is of paramount importance and is a basic prerequisite for understanding China s rise By bringing together the best scholarship on the CCP covering areas such as organisation cadre management recruitment and training ideology and propaganda factions and elites reform and adaptation corruption and law this collection provides a key to open the black box of Chinese politics **Governing Soviet Journalism** Thomas C. Wolfe, 2005-06-08 The Soviet project of creating a new culture and society entailed a plan for the modeling of new persons who embodied and fulfilled the promise of socialism and this vision was expressed in the institutions of government Using archival sources essays and interviews with journalists Thomas C Wolfe provides an account of the final four decades of Soviet history viewed through the lens of journalism and media Whereas most studies of the Soviet press approach its history in terms of propaganda or ideology Wolfe s focus is on the effort to imagine a different kind of person and polity Foucault s concept of governmentality illuminates the relationship between the idea of the socialist person and everyday journalistic representation from the Khrushchev period to the 1990s and the appearance of the tabloid press This thought provoking study provides insights into the institutions of the Soviet press and the lives of journalists who experienced important transformations of their work **Communication Yearbooks Vols 6-33 Set** Various, 2021-12-02 The Communication Yearbook annuals originally published between 1977 and 2009 publish diverse state of the discipline literature reviews that advance knowledge and understanding of communication systems processes and impacts across the discipline Topics dealt with include Communication as Process Research Methodology in Communication Communication Effects Taxonomy of Communication and European Communication Theory Information Systems Division Mass Communication Research Mapping the Domain of Intercultural Communication Public Relations Feminist Scholarship Communication Law and Policy Visual Communication Communication and Cross Sex Friendships Across the Life Cycle Television Programming and Sex Stereotyping InterCultural Communication Training Leadership and Relationships Media Performance Assessment Cognitive Approaches to Communication *Communication Yearbook 6* Michael Burgoon, 2012-05-23 First published in 2012 The Communication Yearbook 6 publishes a survey of trends at the frontiers of communication s many sub fields including interpersonal mass organizational and political communication and human communication technologies *Stalin's Citizens* Serhy Yekelchuk, 2014-08-04 Being a good citizen under Stalin meant taking an active part in political rituals such as elections parades festive meetings political

information sessions and subscriptions to state bonds Stalin's Citizens shows how ordinary citizens came to embrace some parts of this everyday Stalinist politics and resist others

Television Beyond and Across the Iron Curtain Kirsten Bönker, Sven Grampp, Julia Obertreis, 2016-09-23 From the mid 1950s onwards the rise of television as a mass medium took place in many East and West European countries As the most influential mass medium of the Cold War television triggered new practices of consumption and media production and of communication and exchange on both sides of the Iron Curtain This volume leans on the long neglected fact that even during the Cold War era television could easily become a cross border matter As such it brings together transnational perspectives on convergence zones observations collaborations circulations and interdependencies between Eastern and Western television In particular the authors provide empirical ground to include socialist television within a European and global media history Historians and media cultural and literary scholars take interdisciplinary perspectives to focus on structures actors flow contents or the reception of cross border television Their contributions cover Albania the CSSR the GDR Russia and the Soviet Union Serbia Slovenia and Yugoslavia thus complementing Western dominated perspectives on Cold War mass media with a specific focus on the spaces and actors of East European communication Last but not least the volume takes a long term perspective crossing the fall of the Iron Curtain as many trends of the post socialist period are linked to or pick up socialist traditions

The Professional Soldier Morris Janowitz, 2017-07-18 This book identifies three issues that confront civil military relations to this day how to judge the political consequences of military conduct how to solve problems of international relations while using less force and how to strengthen civilian control of the military while preserving professional military autonomy

Military and Society in Post-Soviet Russia Stephen L. Webber, Jennifer G. Mathers, 2006 This collection provides the first comprehensive analysis of the nature of the relationship between the military and society in post Soviet Russia It brings together a multidisciplinary group of leading Western and Russian experts to investigate both the ways in which developments in the Russian armed forces influence Russian society and the impact of broader societal change on the military sphere
