Public Policy And The Corporation

Edmund Hamilton Smith

Public Policy And The Corporation:

Profiting the Crown Matthew J. Bellamy, 2005 Crown corporations are widely regarded as a Canadian invention Since 1841 they have been dexterously implemented and hotly debated as instruments of public policy However the failures of a number of state run enterprises in the twentieth century have led a majority of Canadians to conclude that government has no place in the boardrooms of the nation Matthew Bellamy s comprehensive account of Polymer s rise and evolution contradicts this widely held position and brings to light the accomplishments of one of Canada s pioneering crown corporations Congressional Record United States.
