# THE PUBLIC POLICY OF CRIME AND CRIMINAL JUSTICE

SECOND EDITION

# Public Policy Of Crime And Criminal Justice

**John A. Gardiner, Michael A. Mulkey**

## **Public Policy Of Crime And Criminal Justice:**

Public Policy of Crime and Criminal Justice Nancy E. Marion, Willard M. Oliver, 2011-11-21 This is the eBook of the printed book and may not include any media website access codes or print supplements that may come packaged with the bound book PUBLIC POLICY OF CRIME AND CRIMINAL JUSTICE 2 e explains the public policy process and applies it directly to crime and criminal justice Written by scholars in the field of criminal justice with backgrounds in political science and public policy the book presents a solid understanding of public policy and then describes each of the various actors in the public policy process at the federal state and local level This edition includes an enhanced focus on state and local issues updated research and illustrations that reflect the Obama administration Finally it closes with a real world case study that illustrates how policy and politics impact criminal justice

**Public Policy, Crime, and Criminal Justice** Barry W. Hancock, Paul M. Sharp, 1997 Offers a whole system view of public policy crime and criminal justice with original articles on various topics ranging from a general discussion of public policy the causes of crime and the components of the criminal justice system to the implications for policy

**Criminal Justice** James P. Levine, Michael C. Musheno, Dennis J. Palumbo, 1980 Concentrating on the conflicts of interest among criminal justice system components between the public and its perception of crime and among policymakers this analysis promotes new public policy directions First an analysis of crime criminals and the criminal justice system provides a perspective to help distinguish myths about ideal system operation from the reality of its functioning This conceptual framework focuses on the conflicting priorities of private motives and public interests perceptions and misconceptions of crime theories about what constitutes a criminal and the implementation of criminal justice policy from these perceptions The workings of each of the major components of the criminal justice system are then examined with attention to the real roles and interests of the police lawyers attorneys and the defense counsel the courts and corrections Interests and goals that are prime points of conflict between these components are detailed as is the impact of these conflicts on law enforcement and crime Third four policies currently being used in the U S to deal with crime are explored deterrence rehabilitation decriminalization and diversion Attempts are made to fit each policy into its historical beginning and to highlight reasons for its emerging as an important policy each policy's assumptions about the nature of crime and the nature of criminals are discussed Finally processes for assessing policies and their impact on society and crime are presented the processes are evaluated for advantages and pitfalls Evaluations of research designed to assess policies then lead to proposals for improving criminal justice policy

*Crime and Public Policy* James Q. Wilson, Joan Petersilia, 2011 Crime in the United States has fluctuated considerably over the past thirty years as have the policy approaches to deal with it During this time criminologists and other scholars have helped to shed light on the roles of incarceration prevention drugs guns policing and numerous other aspects to crime control Yet the latest research is rarely heard in public discussions and is often missing from the desks of policymakers This book summarizes the latest scientific information on the causes of crime

and the evidence about what does and does not work to control it As with previous editions each essay reviews the existing literature discusses the methodological rigor of the studies identifies what policies and programs the studies suggest and then points to policies now implemented that fail to reflect the evidence The chapters cover the principle institutions of the criminal justice system juvenile justice police prisons probation and parole sentencing how broader aspects of social life inhibit or encourage crime biology schools families communities and topics currently generating a great deal of attention criminal activities of gangs sex offenders prisoner reentry changing crime rates

**Crime and Criminal Justice** John A. Gardiner, Michael A. Mulkey, 1975 *Encyclopedia of Public Administration and Public Policy: A-J* Jack Rabin, 2003 From the Nuremberg trials to the Civil Service Reform Act of 1978 to recent budget reconciliation bills the Encyclopedia of Public Administration and Public Policy provides detailed coverage of watershed policies and decisions from such fields as privatization biomedical ethics education and diversity This second edition features a wide range of new topics including military administration government procurement social theory and justice administration in developed democracies It also addresses current issues such as the creation of the Department of Homeland Security and covers public administration in the Middle East Africa Southeast Asia the Pacific and Latin America

*American Criminal Justice Policy* Daniel P. Mears, 2010-04-12 American Criminal Justice Policy examines many of the most prominent criminal justice policies on the American landscape and finds that they fall well short of achieving the accountability and effectiveness that policymakers have advocated and that the public expects The policies include mass incarceration sex offender laws supermax prisons faith based prisoner reentry programs transfer of juveniles to adult court domestic violence mandatory arrest laws drug courts gun laws community policing private prisons and others Optimistically Daniel P Mears argues that this situation can be changed through systematic incorporation of evaluation research into policy development monitoring and assessment To this end the book provides a clear and accessible discussion of five types of evaluation needs theory implementation or process outcome and impact and cost efficiency It identifies how these can be used both to hold the criminal justice system accountable and to increase the effectiveness of crime control and crime prevention efforts

*Advancing Criminology and Criminal Justice Policy* Thomas G. Blomberg, Julie Mestre Brancale, Kevin M. Beaver, William D. Bales, 2016-03-10 Advancing Criminology and Criminal Justice Policy is a definitive sourcebook that is comprised of contributions from some of the most recognized experts in criminology and criminal justice policy The book is essential reading for students taking upper level courses and seminars on crime public policy and crime prevention as well as for policy makers within the criminal justice sphere There has been a growing recognition of the importance of evidence based criminal justice policies from criminologists policymakers and practitioners Yet despite governmental and professional association efforts to promote the role of criminological research in criminal justice policy political ideologies fear and the media heavily influence criminal justice policies and practices Bridging the gap between research and policy this book provides the best available research

evidence identifies strategies for informing policy and offers direct policy recommendations for a number of pressing contemporary issues in criminal justice including Delinquency intervention programs and community crime prevention Problem oriented policing and the science of hot spot policing Sentencing and drug courts Community corrections incarceration and rehabilitation Mental illness gender aging and indigenous communities

**Social Constructionism in Decision-making** Dr. Omar Garrison, 2014-08-26 Correctional officers lack consensus on an agreed upon definition of what constitutes institutional gang practices to enforce zero tolerance policies for gang activity The lack of consistency in enforcing such a policy has serious consequences for the physical safety of both inmates and officers in correctional environments However little research exists about their decision making processes to enforce a zero tolerance policy for gang activity A social construction framework guided this study The research question explored the correctional officers decision making processes to identify gang practices and enforce the zero tolerance policy for gang activity Using a phenomenological design data analysis involved a an analysis of the lived experiences of six purposefully selected officers in enforcing the policy and b a differentiation between their awareness of group threats and nonthreats The semi structured interview guide consisted of open ended questions to identify cognitive biases in their decision making that revealed use of confirmation bias cognitive dissonance and groupthink An interactive and inductive cycle with member checking revealed that officers conformed to institutional socialization i e they internalized their center s traditional norms and practices In turn this systemic process affected their personal judgments related to recognizing agreeing to and enforcing the zero tolerance policy Recommended was the creation of an awareness program to guide correctional personnel in identifying personal biases and making choices that are more rational in their decision making The social change implications of this study highlights the importance of understanding the complexity of decision making controlling the effects of personal biases and designing effective ways to build consensus among correctional staff

**Career Criminals in Society** Matt DeLisi, 2005-02-15 More than a century of scientific research has indicated that the majority of crime that occurs in society is committed by a small percentage of the population meaning that most criminals are repeat offenders or career criminals If societies devoted considerable resources toward preventing and neutralizing career criminals there would be dramatic reductions in crime the fear of crime and the assorted costs and collateral consequences of crime Career Criminals in Society examines the small but dangerous group of repeat offenders who are most damaging to society The book encourages readers to think critically about the causes of criminal behavior and the potential of the criminal justice system to reduce crime Author Matt DeLisi draws upon his own practitioner experience interviewing criminal defendants to argue that career criminals can be combated only with a combination of prevention efforts and retributive criminal justice system policies Key Features Uses an engaging writing style to provide a comprehensive overview of career criminals Provides chapter opening vignettes developed from real criminal cases Examines various crime prevention strategies to neutralize criminal careers

Explores the international relevance of career criminals Draws upon research from the fields of criminal justice criminology psychology sociology and human development With its controversial thought provoking style Career Criminals in Society is sure to advance theory and research on chronic offenders and inspire discussions on how to adequately control crime It is an excellent supplementary textbook for undergraduate and graduate courses on criminology criminal behavior crime typologies deviant behavior and crime control and prevention
