Edwards, 2012-09-30 Robert Amiss lapsed civil servant is approached by Lord Papworth owner of the *Wrangler* to step in as business manager for the ailing journal and do something about its steady drain on his lordship's finances The magazine's editor Willie Lambie Crump and his staff are firmly mired in the 1950s technologically speaking ideologically the journal has always been strongly conservative Prodded by Baroness Jack Troutbeck his rather menacing guardian angel Amiss takes on the job and soon has his hands full trying to further the journal's progress toward the latter half of the 20th century without unduly upsetting the staff When the political editor Henry Potbury is found dead under odd circumstances and Crump is murdered Amiss discovers once again that trying to keep a job can be a lethal occupation

Making Murder Public K. J. Kesselring, 2019-01-31

Homicide has a history In early modern England that history saw two especially notable developments one the emergence in the sixteenth century of a formal distinction between murder and manslaughter made meaningful through a lighter punishment than death for the latter and two a significant reduction in the rates of homicides individuals perpetrated on each other *Making Murder Public* explores connections between these two changes It demonstrates the value in distinguishing between murder and manslaughter or at least in seeing how that distinction came to matter in a period which also witnessed dramatic drops in the occurrence of homicidal violence Focused on the politics of murder *Making Murder Public* examines how homicide became more effectively criminalized between 1480 and 1680 with chapters devoted to coroners inquests appeals and private compensation duels and private vengeance and print and public punishment The English had begun moving away from treating homicide as an offence subject to private settlements or vengeance long before other Europeans at least from the twelfth century What happened in the early modern period was in some ways a continuation of processes long underway but intensified and refocused by developments from 1480 to 1680 *Making Murder*

Public argues that homicide became fully public in these years with killings seen to violate a king's peace that people increasingly conflated with or subordinated to the public peace or public justice

Yarn Over Murder Maggie Sefton, 2014-06-03 In the latest installment of the New York Times bestselling Knitting Mysteries, Kelly Flynn and the House of Lambspin knitters may be able to save the helpless animals in danger from a raging Colorado wildfire, but not the unexpected victim of a cold-blooded murder. Kelly and her knitting pals were checking out the wares at the annual Wool Market when news spread about the wildfires threatening the canyon ranches. With temperatures scorching, the alpacas belonging to Kelly's good friend Jayleen are in danger. Working fast, Kelly and her pals hightail the herd to the nearby pasture owned by rancher Andrea Holt. But their rescue mission is interrupted by a screaming match where Connie, a longtime employee of House of Lambspin, accuses Andrea of stealing her husband. Days later, Andrea is found dead at her ranch, and suspicion immediately falls on Connie. Now Kelly and her friends must untangle this yarn before Connie ends up dangling by a thread.
