Publishing To Niche Markets:

Publishing to Niche Markets Gordon Burgett, 1995 **Get Rich in a Niche** Jeffrey W. Bennett, 2014-03

Get Rich in a Niche shows you how to be a niche expert in three well explained steps 1 Become an expert 2 Publish your book 3 Market your book Become an Expert Perhaps you have observed a unique need or product that has not been provided Maybe you notice that there is a lack of information study programs or guidance within a particular area You might even have the answer inside of you that will help people get to where they need to be or reach some sort of professional or personal goal Success depends on whether or not you meet an important step to become recognized as an expert Are you an expert If so you ve successfully asked and answered the following questions What is lacking in my industry How can I help Will others be able to understand the plan Will others be willing to pay for this knowledge Is there anything that I can offer for free to help build credibility and become go to person What are some concrete ways that I can get my message out We ll show you how to create a huge presence and become the in demand expert Teach your subject in continuing education courses Write captivating articles Do the things that get your name recognized by your market Use social networking effectively See book for more Jeff s book is complete with planning tools to help you establish yourself as a niche expert leader Publishing Self publishing is a respected avenue for authors Traditional publishing doesn t always meet niche industry needs Even if all the customers bought books there wouldn t be enough sales to warrant the huge financial time and resource commitment required of a traditional publisher This is a great opportunity because niche markets have a built in audience with little to no competition These markets may consist of only a few thousand people and have needs that aren t being directly met by traditional publishers That s where you come in This is different from other self publishing books Marketing in a niche is trickier than when offered to more generalized audiences This book will show you how to apply lessons from successful marketing techniques the author has used and without added business costs Whether or not you are engaged in a business you can begin a publishing company or writing career with little upfront costs You can simply engage already available resources such as your computer internet provider and desktop publishing software If you already have the basics then you can begin immediately and develop a great business without going into debt Let s dispel some myth s to help you understand why it s important for a niche expert like you to embrace self publishing This book will show you how to Establish your company Write a book day by day Create your book as you build credibility as an expert Format your book Self publish your book Marketing Forget what you ve learned about marketing While others advertise their broad ranging products spending freely niche marketers have to use more intense focus Using traditional marketing techniques will cause you to lose money time and market share This book demonstrates how to sell your book by Leveraging your steps to becoming an expert Creating huge online presence Getting great results with no marketing expenses Jeff s book also shows you how to earn money from spin off products newsletters and blogs It is complete with planning tools to help you develop spin off products
