And that was only the beginning. Praise for *Dying for a Living* frigging LOVED it. It is one of the most original story lines I have read to date. That alone gets it an extra star, so it's a 6-star review. A well-paced fun contemporary fantasy. This is a really clever premise. Breathtakingly absorbing paranormal thriller. Finally, a fresh new voice in Urban Fantasy. This was a great read. Interesting premise and great writing. Very entertaining book. Wow, I almost feel like I couldn't do a review for this book justice because I couldn't describe how wonderful it was; it was so different and readable that I could not put the book down.
