Pulp Fictions Hardboiled Stories:

Pulp Fictions Peter Haining,1997 **Hard-Boiled** Erin Smith,2010-07-07 An examination of the culture that produced and supported pulp fiction Encyclopedia of Pulp Fiction Writers Lee Server,2014-05-14 Provides an introduction to American pulp fiction during the twentieth century with brief author biographies and lists of their works *Existentialism, Film Noir, and Hard-Boiled Fiction* , *2010 Novel & Short Story Writer's Market* Alice Pope,2009-07-23 BEST RESOURCE AVAILABLE FOR GETTING YOUR FICTION PUBLISHED For three decades fiction writers have turned to Novel tips from editors and authors on how to get published exercises to improve your craft and more Features devoted to genre writing including romance mystery and speculative fiction And new this year access to all Novel Short Story Writer s Market listings in a searchable online database **Genre and Hollywood** Steve Neale,2005-06-20 Genre and Hollywood provides a comprehensive introduction to the study of genre In this important new book Steve Neale discusses all the major concepts theories and accounts of Hollywood and genre as well as the key genres which theorists have written about from horror to the Western He also puts forward new arguments about the importance of genre in understanding Hollywood cinema Neale takes issue with much genre criticism and genre theory which has provided only a partial and misleading account of Hollywood s output He calls for broader and more flexible conceptions of genre and genres for more attention to be paid to the discourses and practices of Hollywood itself for the nature and range of Hollywood s films to be looked at in more detail and for any assessment of the social and cultural significance of Hollywood s genres to take account of industrial factors In detailed revisionist accounts of two major genres film noir and melodrama Neale argues that genre remains an important and productive means of thinking about both New and old Hollywood its history its audiences and its films Thrillers, Chillers, and Killers Frank Krutnik,2025 Thrillers Chillers and Killers is the first book to explore in detail noir storytelling in cinema and on radio Arguing that radio s noir dramas were a counterpart to influence on or a spin off from the noir films this scrupulously researched yet accessible study challenges conventional understandings of noir as well as shedding new light on a medium that was cinema s major rival **Creatures of Darkness** Gene D. Phillips,2021-03-17 An exhaustively researched survey of Raymond Chandler s thorny relationship with Hollywood during the classic period of film noir Alain Silver film producer and author Raymond Chandler s seven novels including *The Big Sleep* 1939 and *The Long Goodbye* 1953 with their pessimism and grim realism had a direct influence on the emergence of film noir Chandler worked to give his crime novels the flavor of his adopted city Los Angeles which was still something of a frontier town rife with corruption and lawlessness In addition to novels Chandler wrote short stories and penned the screenplays for several films including *Double Indemnity* 1944 and *Strangers on a Train* 1951 His work with Billy Wilder and Alfred Hitchcock on these projects was fraught with the difficulties of collaboration between established directors and an author who disliked having to edit his writing on demand *Creatures of Darkness* is the first major biocritical study of Chandler in twenty years Gene Phillips explores Chandler

s unpublished script for *Lady in the Lake* examines the process of adaptation of the novel *Strangers on a Train* discusses the merits of the unproduced screenplay for *Playback* and compares Howard Hawks's director's cut of *The Big Sleep* with the version shown in theaters Through interviews he conducted with Wilder Hitchcock Hawks and Edward Dmytryk over the past several decades Phillips provides deeper insight into Chandler's sometimes difficult personality Chandler's wisecracking private eye Philip Marlowe has spawned a thousand imitations *Creatures of Darkness* lucidly explains the author's dramatic impact on both the literary and cinematic worlds demonstrating the immeasurable debt that both detective fiction and the neo noir films of today owe to Chandler's stark vision *The Unique Legacy of Weird Tales* Justin Everett, Jeffrey H.

Shanks, 2015-10-01 When the pulp magazine *Weird Tales* appeared on newsstands in 1923 it proved to be a pivotal moment in the evolution of speculative fiction Living up to its nickname *The Unique Magazine* *Weird Tales* provided the first real venue for authors writing in the nascent genres of fantasy horror and science fiction *Weird* fiction pioneers such as H P Lovecraft Robert E Howard Clark Ashton Smith Robert Bloch Catherine L Moore and many others honed their craft in the pages of *Weird Tales* in the 1920s and 1930s and their work had a tremendous influence on later generations of genre authors In *The Unique Legacy of Weird Tales: The Evolution of Modern Fantasy and Horror* Justin Everett and Jeffrey Shanks have assembled an impressive collection of essays that explore many of the themes critical to understanding the importance of the magazine This multi disciplinary collection from a wide array of scholars looks at how *Weird Tales* served as a locus of genre formation and literary discourse community There are also chapters devoted to individual authors including Lovecraft Howard and Bloch and their particular contributions to the magazine As the literary world was undergoing a revolution and mass produced media began to dwarf high brow literature in social significance *Weird Tales* managed to straddle both worlds This collection of essays explores the important role the magazine played in expanding the literary landscape at a very particular time and place in American culture *The Unique Legacy of Weird Tales* will appeal to scholars and aficionados of fantasy horror and weird fiction and those interested in the early roots of these popular genres [Maximum Movies—Pulp Fictions](#) Peter Stanfield, 2011-07-15 In the words of Richard Maltby *Maximum Movies: Pulp Fictions* describes two improbably imbricated worlds and the piece of cultural history their intersections provoked One of these worlds comprises a clutch of noisy garish pulp movies *Kiss Me Deadly* *Shock Corridor* *Fixed Bayonets* *I Walked with a Zombie* *The Lineup* *Terror in a Texas Town* *Ride Lonesome* pumped out for the grind houses at the end of the urban exhibition chain by the studios B divisions and fly by night independents The other is occupied by critics intellectuals cinephiles and filmmakers such as Jean Luc Godard Manny Farber and Lawrence Alloway who championed the cause of these movies and incited the cultural guardians of the day by attacking a rigorously policed canon of tasteful rarified and ossified art objects Against the legitimate and in defense of the illegitimate in an insolent and unruly manner they agitated for the recognition of lurid sensational crime stories war pictures fast paced Westerns thrillers and gangster melodramas were claimed as examples of the true the real

and the authentic in contemporary culture the foundation upon which modern film studies sits

This is likewise one of the factors by obtaining the soft documents of this **Pulp Fictions Hardboiled Stories** by online. You might not require more get older to spend to go to the books inauguration as without difficulty as search for them.
