Pungent Prayers:

Understanding Prayer Sam Storms, 2025-05-06 A Comprehensive Theological Guide to the Practice and Power of Prayer In Understanding Prayer author pastor and scholar Sam Storms unpacks the meaning and power of prayer through a close reading of Scripture with special focus on the life and ministry of Jesus the apostle Paul and James With scholarly wisdom and pastoral application he addresses topics like persisting in prayer praying for pleasure and warfare prayer exploring how prayer is a profoundly supernatural experience He also addresses several controversial texts and challenging questions about prayer including Does prayer really change anything Why praying in Jesus s name is not a magical incantation The most shocking prayer the apostle Paul never prayed How we can ask God for wisdom to make sense of the seemingly senseless Suffering healing and the prayer of faith How prayer brings us peace and imparts spiritual wisdom Understanding Prayer is an indispensable resource serving as both a comprehensive analysis and a practical guide for those seeking God through prayer It offers a journey into the heart of prayer transforming it from a mere ritual to a deeply personal spiritual experience that develops and grows our knowledge understanding and hunger for God **Pungent**

Prayers Phil E. Pierce, 1977-01-01 Hearing from Heaven Eric M. Whitley, 2024-02-13 Every Christian needs the daily revelation of God s voice He is always speaking powerful words of love and encouragement to His children but many believers struggle to discern His voice through the noise of the world You can hear from heaven but you must tune your spirit to heaven s frequency to receive the messages God is sending Hearing From Heaven will give you the steps and tools needed to begin hearing God s voice for yourself and for others Whether you are a new Christian or a mature prophetic person you will discover new insights and principles for developing a healthy prophetic culture and community for your church Each week s material is full of practical teaching and opportunities to start practicing hearing God s voice When used in conjunction with the free companion study guide you will learn how God uniquely speaks to you how to use your spiritual gifts to bless your church and how to develop a community of prophetic people that supports one another in unity

Spurgeon on Prayer Charles H Spurgeon, 2009 Spurgeon the Prince of Preachers was also a man of prayer His sermons on prayer contained within this Pure Gold Classic will lead you to the very throne of grace where you will obtain mercy and find grace to help in times of need Spurgeon said One night alone in prayer might make us new men changed from poverty of soul to spiritual wealth from trembling to triumphing Sometimes we think we are too busy to pray That is a great mistake for praying is a saving of time We cannot all argue but we can all pray we cannot all be leaders but we can all be pleaders we cannot all be mighty in rhetoric but we can all be prevalent in prayer Whether we like it or not asking is the rule of the Kingdom Saints of the early church reaped great harvests in the field of prayer and found the mercy seat to be a mine of untold treasures Spurgeon s words will change the way you think about prayer and the way you pray **Addresses to young men** Daniel Baker (D.D.), 1874 **A Series of Revival Sermons** Daniel Baker, 1846 **An Imperative to Cure**

James B. Waldram, 2020-11 James B Waldram's groundbreaking study *An Imperative to Cure Principles and Practice of Q'eqchi' Maya Medicine in Belize* explores how our understanding of Indigenous therapeutics changes if we view them as forms of medicine instead of healing. Bringing an innovative methodological approach based on fifteen years of ethnographic research, Waldram argues that Q'eqchi' medical practitioners access an extensive body of empirical knowledge and personal clinical experience to diagnose, treat, and cure patients according to a coherent ontology and set of therapeutic principles. Not content to leave the elements of Q'eqchi' cosmology to the realm of the imaginary and beyond human reach, Q'eqchi' practitioners conceptualize the world as essentially material and meta-material, consisting of complex but knowable forces that impact health and well-being in real and meaningful ways, forces with which Q'eqchi' practitioners must engage to cure their patients.
