Punishment Rhetoric Rule And Practice:

Punishment Christopher Harding, Richard W. Ireland, 2022-09-01 First published in 1989 *Punishment* examines the practice of punishment not simply as a typical sanction employed by the state but as a pervasive feature of social organisation in both past and contemporary societies With depth and rigour they consider penal practice in a variety of historical and cultural contexts such as the family kinship and tribal groupings small communities educational institutions the workplace and the commercial environment criminal organisations and the wider international community as well as that of the state In this way they widen the scope of the debate about the use of punishment as an instrument of human organisation presenting different perspectives on the phenomenon of punishment and questioning the boundaries between different disciplines juridical philosophical sociological psychological and historical within which the subject has been considered in the past This book will be of interest to students and teachers of history sociology criminology law philosophy and psychology

Punishment Richard H. Walters, 1972 **Punish and Critique** Adrian Howe, 2005-10-27 Acknowledgements Introduction 1 Political economies of punishment 2 New histories of punishment regimes 3 The Foucault Effect from penology to penalty 4 Feminist analytical approaches to women s imprisonment 5 Postmodern feminism and the question of penalty 6 Towards a postmodern penal politic Bibliography **Mainstreaming Human Security in Peace Operations and Crisis Management** Wolfgang Benedek, Matthias C. Kettemann, Markus Möstl, 2010-10-04 The concept of human security is a new approach to security that focuses on the individual human being and provides policy alternatives to the traditional state centred view which considers the state to be the only and ultimate referent of security Formally introduced into the United Nations system in 1994 the concept s intellectual roots draw from international humanitarian law human rights and human development and since its introduction human security has been progressively integrated into the international security discourse *Mainstreaming Human Security Policies Problems Potential* paints a comprehensive picture of the relevance of the concept of human security in practice in a time of changing security paradigms and a challenging international environment This volume looks at the practical implications of mainstreaming human security It focuses on the potential problems and policies of human security in peace operations and crisis management operations of the United Nations and of the European Union Topics addressed by the contributors include mainstreaming human rights and human security in peace and crisis management in general and the role of human security in the EU s Common Security and Defence Policy security sector reform restorative responses to human rights violations by peacemakers human security in Serbia and in African peace operations as well as proposals for human security training The contributions to the book focus equally on mainstreaming human security in the UN and in the EU context The global issues discussed and conclusions drawn are of relevance for the future of security addressed by peace and crisis management operations all over the world

Punishment and Modern Society David Garland, 2024-05-31 In this path breaking book David Garland argues that

punishment is a complex social institution that affects both social relations and cultural meanings Drawing on theorists from Durkheim to Foucault he insightfully critiques the entire spectrum of social thought concerning punishment and reworks it into a new interpretive synthesis Punishment and Modern Society is an outstanding delineation of the sociology of punishment At last the process that is surely the heart and soul of criminology and perhaps of sociology as well punishment has been rescued from the fringes of these disciplines This book is a first class piece of scholarship Graeme Newman Contemporary Sociology Garland s treatment of the theorists he draws upon is erudite faithful and constructive Punishment and Modern Society is a magnificent example of working social theory John R Sutton American Journal of Sociology Punishment and Modern Society lifts contemporary penal issues from the mundane and narrow contours within which they are so often discussed and relocates them at the forefront of public policy This book will become a landmark study Andrew Rutherford Legal Studies This is a superbly intelligent study Its comprehensive coverage makes it a genuine review of the field Its scholarship and incisiveness of judgment will make it a constant reference work for the initiated and its concluding theoretical synthesis will make it a challenge and inspiration for those undertaking research and writing on the subject As a state of the art account it is unlikely to be bettered for many a year Rod Morgan British Journal of Criminology Winner of both the Outstanding Scholarship Award of the Crime and Delinquency Division of the Society for the Study of Social Problems and the Distinguished Scholar Award from the American Sociological Association s Crime Law and Deviance Section

The Socio-economics of Crime and Justice Brian Forst, 2016-06-16 This book on crime and justice is motivated primarily by the idea that individual behaviour is influenced both by self interest and by conscience or by a sense of community responsibility Forst has assembled a collection of authors who are writing in four parts 1 the philosophical foundations and the moral dimension of crime and punishment 2 the sense of community and the way it influences the problem of crime 3 on offenders and offences and 4 on the response of the criminal justice system

Encyclopedia of Business Ethics and Society Robert W. Kolb, 2008 This encyclopedia spans the relationships among business ethics and society with an emphasis on business ethics and the role of business in society

A Prescription for Dignity Michael L. Perlin, 2016-03-16 Examining the treatment of persons with mental disabilities in the criminal justice system this book offers new perspectives that are crucial to an understanding of the ways in which society projects onto criminal defendants prejudices and attitudes about responsibility free will autonomy choice public safety and the meaning and purpose of punishment all with a focus on ways to enhance dignity in the criminal trial process It is a detailed exploration of issues of adequacy of counsel the impact of international human rights law following the ratification of the United Nations Convention on the Rights of Persons with Disabilities CRPD the role of mental health courts and the influence of therapeutic jurisprudence procedural justice and restorative justice on the legal process It considers all of these perspectives in the context of criminal justice system issues such as competency findings the insanity defense and sentencing Demonstrating

how the question of treatment of persons with mental disabilities in the criminal justice system is not only a vital one for both scholars and practitioners but also a central facet of international human rights law this book suggests policy development further scholarly inquiries and newly invigorated thinking and action to place dignity at the core of the criminal justice system
