Legacies of the Homeland Paramjeet Singh, 2018-04-07 This book is not intended to provide a list of the 100 best books ever written and published by Punjabi authors Given the sheer range of books written by Punjabi authors and the unpredictability of individual taste any such definitive list is quite impossible Secondly the choice has been restricted to books that were written by them either in Punjabi Hindi or Urdu but have been translated into English Thus personal choice restricted by availability has dictated this selection The choice of books includes autobiographies novels short stories poems and plays Research books religious books and books written originally in English have not been included From the Introduction I am amazed at the scholarship the passion and the love with which Paramjeet Singh has written this book It will be a reference volume for all times Nirupama Dutt Poet Journalist Translator Mr Singh's effort is commendable as he is making available some of the rarest of gems of Punjabi literature to the non Punjabi readers I congratulate Mr Singh on putting together this selection and hope that non Punjabi readers of this book would find new horizons of cultural experience opening up before them Of course for Punjabi readers it may be yet another opportunity to experience a sense of genuine pride in their rich legacy of language literature and culture Prof Rana Nayar

The Neo-liberalization of Political Theatre in Punjab (Pakistan) Qaisar Abbas, 2025-10-23 This book is about the four decade long struggle of political theatre in the post colonial society of Pakistan which started as a response to the dictatorship It is the cultural history of Pakistan that stands at the intersection of theatre people's dreams about a progressive and socialist Pakistan political movements the cultural intelligentsia of the country and the neoliberal regimes of NGOs and foreign donors This book explores some of the major questions about contemporary cultural politics in the country for example what is the relationship between politics and performance What is the term political theatre in the historic cultural and political context of Pakistan What is the aesthetics of political theatre How does a cultural product make meaning What do a political theatre company's working processes and organizational structures look like By focusing on the creative work of leading theatre companies of Pakistan including Ajoka Punjab Lok Raqs Sangat and Azad this study is a unique journey into their rehearsal rooms behind the public stages to see how a theatre play is conceived rehearsed produced and performed It is the analysis of the aesthetical politics of these companies covering all the stages of theatre performance from production to reception Through this cultural inquiry the book explores the themes of cultural activism resistance volunteerism leftist politics de colonization funding NGO isation

professionalization and de politicization The book will be of great interest to students and scholars with an interest in Political Theatre Applied Theatre and Cultural Activism **Meditation** Dr.Tara Singh Aalam,2012-01-12 This is a challenge Money is perhaps the next most powerful force after God and the way this energy is utilised is actually critical to world peace The use of money by countries for weapons and military armament and the amounts spent on weapons of mass destruction will only lead to further conflict Yet when used for societal benefit for the development of third world countries and for the helping of poor and needy then this energy takes one towards a Godlier path a path of love and peace It is a challenge that if we follow this path then there will be no more wars in the future If there is only one God and God has no religion we are worshipping our own self made techniques Thats why there is so much fighting and conflict amongst humanity If we study all the scriptures and religious texts then it becomes clear that the universal religion of mankind and the attainment of God is through the Love and devotion to God In fact it is a very simple path where one lives a life in constant and loving remembrance of Gods Name earning an honest living and sharing with the poor and needy The author a well known interfaith writer and poet emphasises that above all religions and spiritual methods is that God who belongs to all is ONE He believes love affection and peace is the simplest yet most desirable form of meditation Meditation is not about sitting with your eyes closed but about how you live your life from moment to moment and a rhythmical part of your very being as is your breath Translated by Jasvinder Singh Dooa Kamaljit Kaur Dooa **The Sikh Review** ,2008 *Turmoil in Punjab Politics* Subhash Chander Arora,1990
