Puppy Love:

Puppy Love Eileen M. Foti, 2004-12-14 I write this book not as an authority on dogs as I am not a Veterinarian but as a person who has observed and owned dogs for twenty odd years I feel a good deal of information can be learned by observation While Scotties are my favorite breed many other breeds are favored by many other people Many traits are the same throughout the canine world however all breeds do not look alike Some dogs are large some small some tiny and some average height The weight of each breed is different as well as the color of the fur If you have a dog you can compare your dog to the dogs in this book and see the things that are alike and the things that are different You may see a difference in the dogs eyes or the feel of his fur the length of his tail or how he carries his ears You will also see your dog likes to play just like Kiltie MacGregor Bonnie or Apollo Through my observations of many dogs I was able to write this book so others could experience the joy of owning a dog If we remember each animal is special we can enjoy and learn something different each day The world of nature is wonderful and there is no cost to us to enjoy it all we have to do is observe Puppy Love Julian Lorenzana, 2018-08-10 In Puppy Love a female dog abandons three scrawny little puppies and two little boys find them One of the boys feels sorry for them so he takes them to his house There are three pets living with the family already so the father plans to put the puppies up for adoption as soon as they regain their healthy appearance His plans go awry as his three little daughters refuse to give them up Soon the entire family falls under the spell of the puppies and the father has a tougher time deciding whether to keep them or to put them up for adoption as planned Will the puppies stay with the family Or will they be adopted Read the story and find out **Puppy Love** Charles Reasoner, 2015 In this die cut board book with simple rhyming text puppy runs and plays throughout the day **Puppy Love** Alexis Barad, 2013 Story about the love between two puppies
