Purcell Papers:

The Purcell Papers Joseph Sheridan LeFanu, 2022-09-20 Reproduction of the original **The Purcell Papers** Sheridan Le Fanu, 2014-09-01 The Purcell Papers is a comprehensive collection of Sheridan Le Fanu's early short stories and they reflect his interest in Irish folklore as well as his burgeoning fascination with the supernatural. Some of the tales have a charming humorous tone while others are characterized by the spine-chilling twists and turns that would later launch Le Fanu to the top of the gothic horror genre. *The Purcell Papers* Joseph Sheridan LeFanu, 1979 **The Purcell Papers Volume II.** Joseph Sheridan Le Fanu, Being a Fifth Extract from the Legacy of the late Francis Purcell P.P. of Drumcoolagh. The following paper is written in a female hand and was no doubt communicated to my much regretted friend by the lady whose early history it serves to illustrate the Countess D. She is no more she long since died a childless and a widowed wife and as her letter sadly predicts none survive to whom the publication of this narrative can prove injurious or even painful. Strange two powerful and wealthy families that in which she was born and that into which she had married have ceased to be they are utterly extinct. To those who know anything of the history of Irish families as they were less than a century ago the facts which immediately follow will at once suggest THE NAMES of the principal actors and to others their publication would be useless to us possibly if not probably injurious. I have therefore altered such of the names as might if stated get us into difficulty others belonging to minor characters in the strange story I have left untouched. My dear friend You have asked me to furnish you with a detail of the strange events which marked my early history and I have without hesitation applied myself to the task knowing that while I live a kind consideration for my feelings will prevent your giving publicity to the statement and conscious that when I am no more there will not survive one to whom the narrative can prove injurious or even painful.
