about as far from slow local and organic as you can get Still the early twentieth century belief that getting people to eat a certain food could restore the nation s decaying physical moral and social fabric will sound surprisingly familiar Given that open disdain for unhealthy eaters and discrimination on the basis of eating habits grow increasingly acceptable *White Bread* is a timely and important examination of what we talk about when we talk about food **A Healthy Old Age** Stephanie FallCreek,1982 **Sorry Daddy** Marvin Ross,1984-02 This informative and witty volume deals with such topics as nutrition hospitals and medical emergencies choosing a nursery school and day care and how to amuse the toddler Both fathers and mothers are provided with important advice on how to raise a non sexist child A Healthy Old Age Stephanie Fallcreek,Molly Mettler,1984-01-01 Provides the health care practitioner with information on how to design implement and evaluate health promotion programs for the elderly **Library of Congress Catalogs** Library of Congress,1979
