Puritan Papers 1956 1959:

Puritan Papers James Innell Packer, 2000 **Puritan Papers** James Innell Packer, 2000 The Historical Problem with Creeds Kenneth G. Arndt, 2018-05-22 This short book deals with the debate among Christians about the timing of the Second Coming of Jesus Christ There are several viewpoints on this topic each with its defenders Is Christ coming again in the future and in what sequence of events will that happen Or did the Second Coming of Christ happen in the past as some scriptures seem to say when it describes the time as quickly The creeds have not really dealt with this issue in any definitive statement other than to say he is coming again All Christians believe that there will be a final coming in judgment to sum up human history The authority for Christians on this issue is the Bible the Word of God The two viewpoints dealt with in this book are preterist in the past and futurist in the future While not an extended support of either position although the author is a preterist by conviction this book speaks out against the futurist writers identifying a preterist as a heretic Often relying on the creeds there is a lack of historical scholarship on just how the creeds were constructed In the view of the author a preterist even if mistaken does not hold to a belief or reading of the scripture that rises to the level of heresy The attacks against preterists are unwarranted unkind and unworthy of Christian scholarship *A Practical Theology of Family Worship* Jonathan Williams, 2021-08-31 Baxter s belief in the importance of family worship meant every family in some Kidderminster streets upheld the practice Williams examines Baxter s methods and shows how they can work in churches today The Works of William Perkins, Volume 6 Joel R. Beeke, 2019-07-27 This sixth volume begins with three important works on predestination The first is A Golden Chain which treats the main points of theology with an emphasis on the order of the causes of salvation and damnation The second is A Christian and Plain Treatise of the Manner and Order of Predestination which gives a strident defense of the sovereignty of God in election and reprobation The third A Treatise on God s Free Grace and Man s Free Will examines the responsibility of man and how that harmonizes with the will of God in ordaining all things These treatises showcase Perkins s scholarly and pastoral concerns on matters vital to the salvation of sinners Table of Contents Golden Chain Foldout poster in the front Manner and Order of Predestination Treatise on God s Free Grace and Man s Free Will Fruitful Dialogue Concerning the End of the World Against Alexander Dickson On Memory *Ore from the Puritans' Mine* Dale Smith, 2020-11-20 Ore from the Puritans Mine is the go to collection of quotes from the English Puritans **A People So Favored of God, Second Edition** George W. Harper, 2007-12-01 This book is intended for all those with an interest in New England Puritanism American evangelicalism the history of revivalism or the history of pastoral ministry Teaching Predestination David H. Kranendonk, 2011-01-01 In Teaching Predestination David H Kranendonk focuses on the ministry of an early seventeenth century Puritan leaning theologian Elnathan Parr 1577 1622 Although relatively unknown today Parr s works were popular in his own day Kranendonk s survey contributes a nuanced picture of this English Reformed pastor and demonstrates that Parr s scholastic development of predestination coupled with his pastoral concern

for the salvation and edification of his hearers resists the caricature of Reformed Scholasticism as being a philosophically speculative system Here one sees the practical use of predestination for the care of souls as Parr and others aimed to help increase the faith and joy of God s people

Biblical Interpretation and Doctrinal Formulation in the Reformed Tradition Arie C. Leder, Richard A. Muller, 2014-04-16

The Reformed tradition is characterized by a rigorous commitment to theological formulation yet it is equally known for its commitment to rooting its life and practice in the authority of God s Word While these two commitments are commonly acknowledged the path from biblical interpretation to doctrinal formulation is often overlooked

Examining a diverse group of thinkers across the chronological and international spectrum of the Reformed tradition this book demonstrates the depth and intricacies involved in the tasks of exegesis and dogmatic construction the ways they intersect and the effect it has on the church
