

# PURITY CRUSADE

SEXUAL MORALITY  
AND SOCIAL CONTROL,  
1868 – 1900

***David J. Pivar***

*Contributions in American History, No. 23*

# Purity Crusade Sexual Morality And Social Control 1868 19

**Meg Arnot, Cornelia Usborne**

## **Purity Crusade Sexual Morality And Social Control 1868 19:**

**Purity Crusade** David J. Pivar, 1973-04-15 *Regulating a New Society* Morton Keller, 1994 His final area of concern is one that assumed new importance after 1900 social policy directed at major groups such as immigrants blacks Native Americans and women

**Sexual Knowledge, Sexual Science** Roy Porter, Mikulas Teich, 1994-09 This volume is about those who have investigated sex from antiquity to the present day

**Abortion and Women's Choice** Rosalind Petchesky, 2024-03-05 This prize winning study is the definitive work on the politics of abortion and fertility Rosalind Pollack Petchesky provides overwhelming evidence against the anti abortion forces and in the process takes up issues of teenage sexuality the politics of eugenics and women s relationship to medical technology

**Adversaries of Dance** Ann Louise Wagner, 1997 Whether in the private parlor public hall commercial dance palace or sleazy dive dance has long been opposed by those who viewed it as immoral more precisely as being a danger to the purity of those who practiced it particularly women In *Adversaries of Dance* Ann Wagner presents a major study of opposition to dance over a period of four centuries in what is now the United States Wagner bases her work on the thesis that the tradition of opposition to dance derived from white male Protestant clergy and evangelists who argued from a narrow and selective interpretation of biblical passages and that the opposition thrived when denominational dogma held greater power over people s lives and when women s social roles were strictly limited Central to Wagner s work which will be welcomed by scholars of both religion and dance are issues of gender race and socioeconomic status

**Gay Men and the Sexual History of the Political Left** Gert Hekma, Harry Oosterhuis, 1995 Chapter authors are internationally recognized scholars who analyze key developments of the attitudes and policies of leftist thinkers parties and regimes toward homosexuality in Western Europe the Soviet Union and the United States

**Gender And Crime In Modern Europe** Meg Arnot, Cornelia Osborne, 2002-01-04 This work explores the construction of gender norms and examines how they were reflected and reinforced by legal institutional practices in Europe in this period taking a gendered approach criminal prosecution and punishment are discussed in relation to the victims and perpetrators This volume investigates various representations of femininity by assessing female experiences including wife beating divorce abortion prostitution property crime and embezzlement at the work place In addition issues such as neglect sexual abuse and the invention of the juvenile offender are analyzed

**Reader's Guide to American History** Peter J. Parish, 2013-06-17 There are so many books on so many aspects of the history of the United States offering such a wide variety of interpretations that students teachers scholars and librarians often need help and advice on how to find what they want The Reader s Guide to American History is designed to meet that need by adopting a new and constructive approach to the appreciation of this rich historiography Each of the 600 entries on topics in political social and economic history describes and evaluates some 6 to 12 books on the topic providing guidance to the reader on everything from broad surveys and interpretive works to specialized monographs The entries are devoted to events and individuals as well as broader

themes and are written by a team of well over 200 contributors all scholars of American history      **Histories of Sexuality**  
 Stephen Garton, 2014-12-18 This book presents the first assessment of one of the most rapidly expanding fields of research  
 the history of sexuality From the early efforts of historians to work out a model for sexual history to the extraordinary impact  
 of French philosopher Michel Foucault to the vigorous debates about essentialism and social constructionism to the  
 emergence of contemporary debates about historicism queer theory embodiment gender and cultural history we now have  
 vast and diverse historical scholarship on sex and sexuality **Histories of Sexuality** highlights the key historical moments and  
 issues pederasty and cultures of male passivity in ancient Greece and Rome the impact of early Christianity and ideals of  
 renunciation on the sexual cultures of late antiquity the sustained existence of homosexual cultures in medieval and  
 renaissance Europe the invention of homosexuality and heterosexuality in eighteenth century Europe and America the truth  
 behind Victorian sexual repression the work of reformers and scientists such as Havelock Ellis Marie Stopes Stella Browne  
 Margaret Sanger Alfred Kinsey William Masters and Virginia Johnson      **A Fierce Discontent** Michael McGerr, 2010-05-11  
 The Progressive Era a few brief decades around the turn of the last century still burns in American memory for its outsized  
 personalities Theodore Roosevelt whose energy glinted through his pince nez Carry Nation who smashed saloons with her  
 axe and helped stop an entire nation from drinking women suffragists who marched in the streets until they finally achieved  
 the vote Andrew Carnegie and the super rich who spent unheard of sums of money and became the wealthiest class of  
 Americans since the Revolution Yet the full story of those decades is far more than the sum of its characters In Michael  
 McGerr's **A Fierce Discontent** America's great political upheaval is brilliantly explored as the root cause of our modern  
 political malaise The Progressive Era witnessed the nation's most convulsive upheaval a time of radicalism far beyond the  
 Revolution or anything since In response to the birth of modern America with its first large scale businesses newly dominant  
 cities and an explosion of wealth one small group of middle class Americans seized control of the nation and attempted to  
 remake society from bottom to top Everything was open to question family life sex roles race relations morals leisure pursuits  
 and politics For a time it seemed as if the middle class utopians would cause a revolution They accomplished an astonishing  
 range of triumphs From the 1890s to the 1910s as American soldiers fought a war to make the world safe for democracy  
 reformers managed to outlaw alcohol close down vice districts win the right to vote for women launch the income tax take  
 over the railroads and raise feverish hopes of making new men and women for a new century Yet the progressive movement  
 collapsed even more spectacularly as the war came to an end amid race riots strikes high inflation and a frenzied Red scare It  
 is an astonishing and moving story McGerr argues convincingly that the expectations raised by the progressives utopian  
 hopes have nagged at us ever since Our current less than epic politics must inevitably disappoint a nation that once thought  
 in epic terms The New Deal World War II the Cold War the Great Society and now the war on terrorism have each entailed  
 ambitious plans for America and each has had dramatic impacts on policy and society But the failure of the progressive

movement set boundaries around the aspirations of all of these efforts None of them was as ambitious as openly determined to transform people and create utopia as the progressive movement We have been forced to think modestly ever since that age of bold reform For all of us right center and left the age of fierce discontent is long over

Delve into the emotional tapestry woven by Emotional Journey with in Dive into the Emotion of **Purity Crusade Sexual Morality And Social Control 1868 19** .
