New Light on Hinduism Amar Chand Bhatia, 2025-04-29 This book is a testament to my father's literary brilliance persistence and uncompromising honesty As his daughter I feel both deeply privileged and completely inadequate to write a foreword worthy of his intellect and spirit My father did not believe in religion in its rigid institutional form For him God was omnipresent not confined to man made places of worship He approached ancient texts with reverence for their wisdom but also with a rational investigative eye I humbly request readers to approach this book with an open mind setting aside any preconceived notions or religious biases they may carry by virtue of birth or upbringing *New Light on Hinduism* is not a religious doctrine it is a journey through knowledge tracing the immense contributions of ancient Indian scholars across disciplines From art poetry music and literature to languages mathematics medicine metallurgy physics astronomy agriculture and town planning the author explores how the ancient Indian mind was attuned not just to the material but also the metaphysical His work is not based on speculation but on meticulously referenced sources drawn from the world's most trusted historians and scholars In this book the people historically identified as Hindus are presented in a new light as torchbearers of a civilization that led the world in thought innovation and spiritual inquiry with a legacy that continues to inspire This book is my father's gift to all who seek truth beyond boundaries Meenakshi Mohindra Divinity Henry M. Agape and Bhakti with Bataille and Mark at Loyola and St. Francis David L. Goicoechea, 2016-10-10 David L

Goicoechea presents his fourth volume in a series on agape. The book focuses on the complementarity of agape (Christian love) and bhakti (Hindu love). First, he shows how the Jesuit Spirituality at Loyola in Chicago and the Franciscan Spirituality at St Francis in Joliet, Illinois, helped him to appreciate mystical love. Secondly, he shows how agape, with all nine of its characteristics, is central to the Gospel of Mark. Then, especially with the help of the work of Dr Raj Singh, he shows how bhakti developed throughout the history of India. Finally, Goicoechea shows how Georges Bataille, especially with the help of St John of the Cross, looks deeply into the Inner Experience of the Mystical Ways.
