Purls Of Wisdoms:

Whispers in Wool Agatha Rose, 2024-09-28 *Whispers in Wool* unravels a charming tale set in the picturesque town of Alpaca Ridge where the annual Fiber Arts Festival is thrown into disarray by the mysterious disappearance of valuable yarn. Yara Chen, a skilled knitter and the new owner of the Knit Pearl caf, finds herself at the center of this woolly whodunit. With her reputation on the line and the festival's success hanging by a thread, Yara must employ her keen eye for detail and amateur sleuthing skills to solve the case. Accompanied by her loyal alpaca Woolbert and a colorful cast of knitting circle friends, Yara navigates the close knit community following a trail of clues cleverly concealed within intricate knitting patterns. As she untangles the mystery, readers are treated to a warm and inviting portrayal of small town life complete with its quirks, charms, and occasional tensions. The story weaves together themes of craftsmanship, belonging, and the power of community, all while maintaining an air of intrigue that will keep readers guessing until the final stitch is sewn. **Hooked** Kari

Cornell, 2006 Some learned to crochet at a grandmother's knee and now keep the faith. Others sought comfort in the craft during dark and troubling times. And still others found in crocheting a way of making something that perfectly expresses the artist inside. Yet others, of course, needed a vest. How people came to crocheting, what they've made of it, what memories it has added to their lives, and what moments of insight and simple pleasure it's brought them—these are the stories told in *Hooked: A Crocheter's Stash of Wit and Wisdom*. A tribute to the age-old art, *Hooked* is embellished with charming illustrations from vintage pattern booklets. Among the contributors, with anecdotes ranging from the whimsical to the philosophical, are newcomers and those well known in crocheting circles: Lily Chin, Jennifer Hansen, Karen Searle, and Gwen Blakely Kinsler to Lela Nargi, Kay Dorn, Nilda Mesa, Deborah Robson, Annie Modesitt, and Linda Permann. **Knit One, Purl Trouble**

Agatha Rose, 2024-09-28 In *Knit One Purl Trouble*, the tranquil coastal town of Salty Cove, Maine, becomes the unlikely setting for a captivating mystery. Coral Fisher, a retired marine biologist turned yarn shop owner, finds herself at the center of an intriguing theft when a valuable antique loom vanishes from the local historical society. As she begins to investigate, Coral uncovers a surprising connection between the missing loom and a centuries-old legend of hidden pirate treasure. With her knitting circle and quick-witted octogenarian aunt by her side, Coral navigates through a colorful cast of suspects, including a competitive weaver and a mysterious newcomer. The story weaves together themes of community and craftsmanship, all while exploring how the past can unexpectedly shape the present. This cozy mystery delights with its unique blend of knitting, marine biology, and pirate lore, offering readers a fresh and engaging twist on the genre. As Coral inches closer to unraveling the truth, she must confront her own assumptions about her neighbors, viewing her beloved Salty Cove in a whole new light.

investigators on the case but was there another explanation for Emily's murder? A stranger in the woods. An obsessive former classmate. A domineering ballet instructor. Or the internet's favorite suspect, Joshua, Emily's outcast younger brother who hasn't been seen since his sister's death. As Micah delves deeper into the case, she feels her grip on reality loosening, her behavior growing more and more secretive and unhinged.
