Push Comes to Shove Maud Lavin, 2012-09-21 The new celebration of women's aggression in contemporary culture from Kill Bill and Prime Suspect to the artists group Toxic Titties In the past more often than not aggressive women have been rebuked told to keep a lid on turn the other cheek get over it Repression more than aggression was seen as woman's domain But recently there's been a noticeable cultural shift With growing frequency women's aggression is now celebrated in contemporary culture in movies and TV online ventures and art In Push Comes to Shove Maud Lavin examines these new images of aggressive women and how they affect women's lives Aggression says Lavin need not entail causing harm to

another we can think of it as the use of force to create change fruitful destructive or both And over the past twenty years contemporary culture has shown women seizing this power Lavin chooses provocative examples to explore the complexity of aggression including the surfer girls in Blue Crush Helen Mirren as Jane Tennison in Prime Suspect the homicidal women in Kill Bill and artist Marlene McCarty's mural sized Murder Girls Women need aggression and need to use it consciously Lavin writes With Push Comes to Shove she explores the crucial questions of how to manifest aggression how to represent it and how to keep open a cultural space for it

The Passion Driven Life Louis F. Vargas,2009-12-15 Take your life from mundane to great in love life and business with this inspiring guide to finding your passion and living your faith Louis F Vargas was a street smart kid from an immigrant family who went on to graduate from an elite college make a fortune on Wall Street then lose it all only to make an incredible comeback as chairman of an Inc 500 company In The Passion Driven Life Vargas shares his own life story as well as the inspiring stories of other individuals who found success by following their passion with determination and Godly faith And he shows you the secrets to doing it all yourself In The Passion Driven Life you will find the tools you need to transform your life find balance and excel further Some of the many things this book reveals are How to empower thoughts and refocus on purpose passion and success The 7 Secrets of Business Success How to harness the power of the mind and find out what holds you back Why life's really not all about you sorry to disappoint you The source of unshakeable faith and hope in life How to overcome setbacks and obstacles How to unleash balance and enjoyment in your life and live at the pace of passion

Breaking the Chains of Poverty Demetrius Sandridge,2019-07-08 Ronald L Godbee Sr calls it the book that will liberate you and activate you to live from the position that Christ established for you on the cross While many think that the difference between poverty and wealth is defined by the car one drives the size of the house one lives in and the amount of money in one's bank account the truth of the matter is those things are results or lack thereof not definitions In this candid debut book Breaking the Chains of Poverty The Secret to Having a Wealthy Healthy and Wholesome Life author Demetrius Sandridge helps readers recognize those moments God affords us the opportunity to prosper and come up higher in every aspect of our lives and how we can maximize those opportunities Chronicling his story from rags to riches and riches back to rags Sandridge ignites a sense of excitement and urgency which catapults readers out of a poverty mindset into a millionaire

mentality with every turn of the page In this book you will be challenged to Transform your mindset to that of a millionaire Learn to use money as a tool not a motivator of dreams and goals Apply simplistic practical approaches to go from your current reality to dream fulfillment How to apply action to your faith and faith to your actions Encourage others to adopt your new way of thinking And more Wow very powerful my friend Congratulations Chris C Klebba Read this book and I guarantee wisdom will come alive in you Pastor Eddie Williams This book is a fundamental treatise that empowers the reader to understand that though life at times may seem intractable and untenable it can also be liberating and instructive Bishop Edgar L Vann II This book taps into millions of people s minds souls and spirits like none other Mary Jackson Growing Start-Up and Scale-Up Activities into a Successful Business Marc Lamont,2021-02-18 Today more than ever entrepreneurs create new start ups based on original ideas or technical and scientific developments that often have their origins in an academic environment Very often these entrepreneurs are also young people with little to no business experience coming with their technical or scientific breakthrough ideas out of an academic environment This fact makes it challenging for these start ups to succeed When one is used to an academic environment one finds it challenging to adapt to a business environment And having little to no real business experience only makes the process of adapting more difficult While passion and drive are certainly present in start ups they can be counterproductive if not used in the right way Even the large multinational companies were once small start ups and scale ups That they are big and important today can only be explained by the fact that as start ups and scale ups they did the right things For many years the author has been very close to such situations and has been in charge of leading the growth of new business initiatives His experience shows that business failure is more often the result of lacking the business skills to bring new products to market than a matter of the quality of the new products and developments Growing Start Up and Scale Up Activities into a Successful Business is useful for every entrepreneur founder CEO of a start up or a scale up and by extension every person who has as part of his or her role the task of growing a new business into a successful business This book is even for venture capitalists who want to help the companies in which they have invested Unlike the many books that give advice on how to grow a start up or scale up into a successful business which are very often written by people coming from an academic background or by people who have not themselves experienced the challenges of having to do this on a daily basis Growing Start Up and Scale Up Activities into a Successful Business is based on forty three years of experience with the author actively working on a daily basis to face the challenge of growing new businesses into success What also makes Growing Start Up and Scale Up Activities into a Successful Business unique is that the principles put forward are illustrated by more than forty five anonymized real life cases If you would like consulting advice with a hands on approach from an author who has always had both feet planted firmly in everyday management at the international level for growing new business initiatives into successful enterprises then Growing Start Up and Scale Up Activities into a Successful Business is the right choice for you *Understanding Humans as*
