Pursuing A Deeper Faith:

Pursuing a Deeper Faith Charles F. Stanley, 2011-05-30 How can I strengthen my faith Do I really know God God invites all of us to grow in spiritual intimacy with Him and it s important for Christians to evaluate the depth of their faith and look for ways to deepen it in their everyday lives What we believe about God is likely to define the degree to which we become like him in character And God s Word the Bible is the reference to which we must return continually to compare what we believe with what God desires for us In *Pursuing a Deeper Faith* Dr Charles Stanley uses Scripture as the frame of reference for our understanding of God Jesus Christ and faith You ll learn how to tell if you are growing spiritually and what you can do to increase your intimacy with your Creator With over 1 million copies sold the Charles F Stanley Bible Study Series is a unique approach to Bible study incorporating biblical truth personal insights emotional responses and a call to action Each study draws on Dr Stanley s many years of teaching the guiding principles found in God s Word showing how we can apply them in practical ways to every situation we face Each of the ten lessons includes A brief look at what is covered in the lesson A teaching from Dr Stanley that unpacks the topic of the lesson Application and Bible study questions based on the key points Key takeaways to put into practice today and tomorrow

The In Touch Study Series Charles F. Stanley, 1999-11-06 Dr Charles Stanley s new series of Bible study guides features insights and wisdom of this beloved pastor and author Small groups and individuals who want a Bible study that s spiritually sound and practical will find a wealth of ideas to help them understand and apply the Scriptures to the real world Each title takes a unique fourfold approach to get the most out of Bible study time emphasizing personal identifications with the Scripture passage recognition of your emotional response reflection of the passage s meaning and application and taking steps to apply what s been learned This is a sound way to explore the Word of God

Deep Faith Rob Reimer, 2024-03-11 Jesus said Very truly I tell you all who have faith in me will do the works that I have been doing and they will do even greater things than these John 14 12 The extraordinary promise of Jesus is that we can do Kingdom works that He did cast out demons heal the sick save the lost and set the captives free Jesus wants to advance his Kingdom through us But this promise comes with a condition the level of our Kingdom activity is dependent upon our faith There are promises in Heaven that God wants to release but they cannot be released without faith There are miracles that God wants to do that cannot be done without faith There are answers to prayer that God wants to unleash that cannot be unleashed without faith There are works of the Kingdom that God wants to accomplish that cannot be accomplished unless the people of God develop deeper faith But there is hope for all of us because faith can be developed Faith opens doors and creates opportunities for accessing God s power against all odds Faith is a difference maker a future shaper a bondage breaker a Kingdom mover In his latest book Dr Rob Reimer challenges readers to develop deep faith that can release the works of the Kingdom Faith is not static it is dynamic We can and must take an intentional path toward developing our faith if we want to see the works of the Kingdom in greater measure

Spiritual Renewal F.G. Cardin, Feeling disconnected from your faith Struggling to find purpose and meaning in your life Pursuing Christ A Pathway to Spiritual Renewal offers guidance and hope This book explores common spiritual challenges and provides practical steps for renewing your relationship with Christ and experiencing the fullness of His grace **What Happens When Women Walk in Faith** Lysa TerKeurst,2018-09-04 What if the next big step God wants you to take is actually small Stepping into the assignments the Lord has for us and pursuing the dreams He s placed in our hearts can feel overwhelming and exhilarating all at the same time But walking in His will begins with our daily obedience to Him Lysa TerKeurst knows what it means to walk by faith and encourages you to discover the deeply personal truths of God s Word for your calling What Happens When Women Walk in Faith is filled with stories and Scripture that will help you apply practical Biblical truths to your life and equip you to Discover 5 phases of your faith walk and embrace the direction that the Lord is leading you Identify one area where you can draw a line in the sand and take a step toward something new Be prepared for God to use your small steps of faith to unleash His work and wonder in your life No matter what God has called you to you can take this first step *What Happens When Women Say Yes to God and Walk in Faith* Lysa TerKeurst,2022-07-19 Become the Woman God Made You to Be Lysa TerKeurst s bestselling books have inspired millions of women to uncover the purpose God has for them Now for the first time you can find two of her most powerful titles together in one elegant hardcover perfect for reading for the first time or revisiting as you grow in your faith What Happens When Women Say Yes to God sets you on a journey of learning how to be obedient to the Lord You ll see the beautiful transformation that accompanies following God s voice in your daily life and open your eyes to the incredible ways you can experience Him today What Happens When Women Walk in Faith shows you how to pursue God s call even through times of doubt discouragement and pain You ll learn how to remain encouraged and equipped through embracing God s promises no matter what comes your way Complete with a personal Bible study at the end of each chapter this two book collection will lead you on a journey of spiritual renewal and revelation as you joyfully pursue the call God has created you to fulfill Seeking Understanding Faith Fritz E. Barton Jr. M.D.,2020-11-19 Inquisitive millenials and people in science question the validity of Christianity A medical doctor frankly tackles the hard questions challenging Christianity Can anyone really believe there is a personal God in this age of science Does evolution provide there is no God Does God really communicate with us Does prayer make a difference Was Jesus really resurrected These are other impertinent questions are addressed head on in Seeking Understanding Faith **A Mountaintop View of Faith** Charles E. Maldon Sr.,2011-10 A Mountaintop View of Faith is an anointed truthful and empowering book on God s promise your faith and victory over everyday adversity It is a hard hitting provocative and exhilarating work written to empower especially believers to deepen their faith and be encouraged even facing seemingly impossible adversities Maldon states that adversities will always be a part of life and he contends that Satan desires to ultimately crush our resolve hinder our promises from God and weaken our faith in the sufficiency of God He

points out that adversities may be two fold trials appointed by God or those self inflicted resulting from our rebellion against God s spiritual instructions He skillfully teases out how self imposed crippers such as anger unforgiveness selfishness disobedience pride immorality worry and others can rob you of peace and promises from God Maldon encourages us to deepen our faith to reach a pinnacle mountaintop perspective of God **Seeking Spiritual Intimacy** Glenn E.

Myers,2011-03-28 In Seeking Spiritual Intimacy Glenn Myers introduces us to the Beguines a network of faith communities in Medieval Europe where women organized their world around a simple life with Christ at the center Learn from the insights of wise women of faith who from their modest homes and communities revitalized the faith of a continent *The Culturally Savvy Christian* Dick Staub,2008-09-09 In The Culturally Savvy Christian his incisive critique of contemporary culture and religion Dick Staub concludes that though it is influential American popular culture is generally superficial diversionary mindless and celebrity driven spiritually delusional moralistic therapeutic and deistic and soulless sustained not by art craft and ideas but by the mad pursuit of profit propped up by marketing and technology Similarly American Christianity has devolved into its own mindless diversionary and celebrity driven superficiality Because humans are created in God s image with spiritual intellectual creative moral and relational capacities we long for more yet the true seeker faces the lose lose alternatives of a soul numbing culture and a vacuous Christianity lite The renaissance we need in both faith and culture will originate in a deep spiritual renewal that restores God s image in us and creates a new breed of culturally savvy thoughtful creatives who rekindle the spiritual intellectual and creative legacy of Christians as enrichers of culture

Proslogion St. Anselm,Thomas Williams,2001-01-01 Thomas Williams edition offers an Introduction well suited for use in an introductory philosophy course as well as his own preeminent translation of the text *The Lectures on Faith* Joseph Smith,2022-11-13 In The Lectures on Faith Joseph Smith presents a foundational text that intricately weaves spirituality and theology within the context of the Latter day Saint movement This work combines Smith s distinctive literary style characterized by clarity and fervor with profound biblical analysis addressing core doctrines such as the nature of God the principles of faith and the necessity of divine revelation Composed during the early years of the Church of Jesus Christ of Latter day Saints these lectures are not only instructive but also serve as a historical testament to the religious awakening of the 19th century reflecting the fervent pursuit of truth and understanding among early adherents of the faith Joseph Smith the founder of the Latter day Saint movement was inspired to write this text during a period marked by personal revelations and a deep exploration of Christian doctrines His lived experiences including encounters with various religious traditions and his quest for understanding the divine shaped the spiritual insights embedded within these lectures As a prophet his leadership and vision were pivotal in establishing a new religious identity making this book a crucial artifact for understanding his theological contributions For readers interested in the intersections of faith history and theology The Lectures on Faith is an indispensable resource Providing a thoughtful examination of religious tenets Smith s work invites

contemplation and invites readers to engage with the complexities of belief and the nature of divinity This book is essential for scholars practitioners and anyone seeking a deeper understanding of the early roots of modern Latter day Saints theology

Chasing The Ghost: Nobelist Fred Reines And The Neutrino Leonard A Cole,2021-03-17 A mixture of memoir and biography Chasing the Ghost Nobelist Fred Reines and the Neutrino tells a deeply human story that appeals both to scientists and non scientists Although the book relates to the important discovery of neutrinos it is more intimately about Fred Reines than the technical details of neutrino physics Narrated in a fashion to interest and excite the reader the science presented here is accessible to a broad audience Coursing through Reines life his various challenges and encounters the book reveals constants of his persona Reines displayed a sustained consistency as a respected leader admired by students and colleagues as a fount of big ideas and ambition A continuing source of inspiration and motivation to others his most basic consistency was his passion for science The quest for knowledge about the wondrous universe is a profoundly human

endeavor Fred Reines life and his unremitting scientific curiosity are emblematic of that truth This book is a most welcome account about Frederick Reines and his great contributions to neutrino physics and astrophysics The methods he designed in the 1950s to discover neutrinos in nuclear reactor experiments are still being used His later work included the detection of atmospheric neutrinos which was a forerunner to the discovery of neutrino oscillations the ability of neutrinos to change from one type to another This finding was a significant step to other experiments that aim to answer profound questions about the nature of the universe including why it is composed of matter Takaaki Kajita Nobel Laureate in Physics Neutrino Researcher University of Tokyo Cole has provided a compelling personal and scientific account of a remarkable pioneer in Neutrino Physics Arthur B McDonald Nobel Laureate in Physics Director of the Sudbury Neutrino Observatory Professor Queen's University Ontario Canada

Coming Home Jon Quitt, 2019-09-06 Most don't make it to the deep waters of community They settle for the shallow end of virtual screen living But what if there is a way forward a way through to the deepest most satisfying missional community we have ever experienced What if life together has less to do with scheduled potlucks and more to do with serendipitous moments with God's people In Coming Home Jon Quitt offers a practical way forward for those who desire a gospel community rich in love woven together by pastoral theology that still works on Mondays

Christian Faith and Christian Learning Clare Watkins, James Butler, 2025-07-31 Following a critical analysis of the pedagogical theology and practice of Christian learning this book develops a radical alternative account of faith learning Recognising the ways in which institutionally anxious churches are turning to processes of education and discipling it takes the reader through a theological action research journey to offer a practical theological response to the question of how Christian faith is learnt and handed on in ways that really make a difference Through close engagement with the practicalities of one declining denomination British Methodism the authors offer a distinctive vision of Christian learning and enable fresh thinking and practice There is a call for a move beyond educational courses towards a more profound engagement with the complexities of real life as not only the place but the matter of faith learning Theologically the book offers a vision which pursues questions of divine and human agency the work of the Spirit in learning the role of normative tradition and the important place of Christian lay people and their daily lives in learning Ultimately it seeks to give substance to a fresh concept of faith learning which is holistic integrative and inductively achieved and finds its fulfilment in lives lived in faith hope and love

Why Science and Faith Need Each Other Elaine Howard Ecklund, 2020-05-19 Science and faith are often seen as being in opposition In this book award winning sociologist Elaine Howard Ecklund questions this assumption based on research she has conducted over the past fifteen years She highlights the ways these two spheres point to universal human values showing readers they don't have to choose between science and Christianity Breathing fresh air into debates that have consisted of more opinions than data Ecklund offers insights uncovered by her research and shares her own story of personal challenges and lessons In the areas most rife with conflict the origins of the universe evolution climate change

and genetic technology readers will find fascinating points of convergence in eight virtues of human existence curiosity doubt humility creativity healing awe shalom and gratitude The book includes discussion questions for group use and to help pastors small group leaders and congregants broach controversial topics and bridge the science faith divide
