Robert Maxwell Israel's Superspy The Life And Murder Of A Media Mogul:

Robert Maxwell, Israel's Superspy Gordon Thomas, Martin Dillon, 2002 Identifies the publishing tycoon's work as a spy for the Israeli Mossad citing his theft of the United States' most sophisticated intelligence gathering software and the illicit dealings that eventually resulted in his demise

One Nation Under Blackmail - Vol. 1 Whitney Alyse Webb, 2022-10-20 Exposes vastly under explored topics compared to other media reports and books on Jeffrey Epstein How did Jeffrey Epstein manage to evade justice for decades Who enabled him and why Why were legal officials told that Epstein belonged to intelligence and to back off during his first arrest in the mid 2000s Volume 1 of *One Nation Under Blackmail* traces the origin of the network behind Jeffrey Epstein and his associates to the merging of organized crime and intelligence networks during World War II and follows their most notable activities through the decades Various scandals acts of corruption and other crimes throughout the last several decades of American history many involving sex blackmail can be traced back to these same networks which have subverted and taken control of many of America's most important institutions for their benefit and to the detriment of the public

American Kompromat Craig Unger, 2021-01-26 THE INSTANT NEW YORK TIMES BESTSELLER *Kompromat* n Russian for compromising information This is a story about the dirty secrets of the most powerful people in the world including Donald Trump It is based on exclusive interviews with dozens of high level sources intelligence officers in the CIA FBI and the KGB thousands of pages of FBI investigations police investigations and news articles in English Russian and Ukrainian *American Kompromat* shows that from Trump to Jeffrey Epstein *kompromat* was used in operations far more sinister than the public could ever imagine Among them the book addresses what may be the single most important unanswered question of the entire Trump era Is Donald Trump a Russian asset The answer *American Kompromat* says is yes and it supports that conclusion backs with the first richly detailed narrative on how the KGB allegedly first spotted Trump as a potential asset how they cultivated him as an asset arranged his first trip to Moscow and pumped him full of KGB talking points that were published in three of America's most prestigious newspapers Among its many revelations *American Kompromat* reports for the first time that According to Yuri Shvets a former major in the KGB Trump first did business over forty years ago with a Manhattan electronics store co owned by a Soviet migr who Shvets believes was working with the KGB Trump's decision to do business there triggered protocols through which the Soviet spy agency began efforts to cultivate Trump as an asset thus launching a decades long relationship of mutual benefit to Russia and Trump from real estate to real power Trump's invitation to Moscow in 1987 was billed as a preliminary scouting trip for a hotel but according to Shvets was actually initiated by a high level KGB official General Ivan Gromakov These sorts of trips were usually arranged for deep development recruitment or for a meeting with the KGB handlers even if the potential asset was unaware of it Before Trump's first trip to Moscow he met with Natalia Dubinina who worked at the United Nations library in a vital position usually reserved as a cover for KGB operatives And many more

suspense and drama as the author dodges bullets the CIA and a crazy Israeli Intelligence agent in his real life rollercoaster quest to hunt down the key to the deep dark secret which will rock the governments of both Great Britain and the United States and trigger the political scandal of the century House of Trump, House of Putin Craig Unger,2019-09-03 THE NEW YORK TIMES BESTSELLER The story Unger weaves with those earlier accounts and his original reporting is fresh illuminating and more alarming than the intelligence channel described in the Steele dossier The Washington Post House of Trump House of Putin offers the first comprehensive investigation into the decades long relationship among Donald Trump Vladimir Putin and the Russian Mafia that ultimately helped win Trump the White House It is a chilling story that begins in the 1970s when Trump made his first splash in the booming money drenched world of New York real estate and ends with Trump s inauguration as president of the United States That moment was the culmination of Vladimir Putin s long mission to undermine Western democracy a mission that he and his hand selected group of oligarchs and Mafia kingpins had ensnared Trump in starting more than twenty years ago with the massive bailout of a string of sensational Trump hotel and casino failures in Atlantic City This book confirms the most incredible American paranoias about Russian malevolence To most it will be a hair raising revelation that the Cold War did not end in 1991 that it merely evolved with Trump s apartments offering the perfect vehicle for billions of dollars to leave the collapsing Soviet Union In House of Trump House of Putin Craig Unger methodically traces the deep rooted alliance between the highest echelons of American political operatives and the biggest players in the frightening underworld of the Russian Mafia He traces Donald Trump s sordid ascent from foundering real estate tycoon to leader of the free world He traces Russia s phoenix like rise from the ashes of the post Cold War Soviet Union as well as its ceaseless covert efforts to retaliate against the West and reclaim its status as a global superpower Without Trump Russia would have lacked a key component in its attempts to return to imperial greatness Without Russia Trump would not be president This essential book is crucial to understanding the real powers at play in the shadows of today s world The appearance of key figures in this book Paul Manafort Michael Cohen and Felix Sater to name a few ring with haunting significance in the wake of Robert Mueller s report and as others continue to close in on the truth Mass Media Revolution J. Charles Sterin,Tameka Winston,2017-11-22 Now in its Third Edition Mass Media Revolution remains a dynamic guide to the world of mass media enhancing its readers development as critical consumers It features a wealth of expanded content with particular attention to diversity in the media industry reality TV ethics and social media and the evolution of online journalism Chapter content is aligned to the ACEJMC national academic standards Human Intelligence Robert David Steele,2010 The author explores the centrality of Human Intelligence HUMINT in meeting the needs of the U S Army the Department of Defense and the whole of government Such intelligence is essential to create a national security strategy to define whole of government policies to acquire the right capabilities at the right price in time to be useful and to conduct local and global operations He outlines 15 distinct types of HUMINT four of which are classified defensive and offensive

counterintelligence clandestine operations and covert action with the other 11 being predominantly unclassified The author offers the U S Army an orientation to a world in which thinkers displace shooters as the center of gravity for planning programming and budgeting as well as the proper structuring of mission mandates force structures and tactics and techniques to be used in any given mission area Harry Alan Towers Dave Mann,2014-11-03 Harry Alan Towers reputation rests upon a corpus of 95 low budget productions shot post haste in every corner of the globe He took an integral part however in the development of the protocols that now underpin much transnational film production and he must be regarded as a pioneer Towers slash and burn strategy focused on parasitic back to back productions funded by rights bundles that were pre sold globally This strategy was substantially derived from his early days in broadcasting wherein he acted as a go between in the American and the British Commonwealth markets Though he became adept at procuring funds from pariah regimes and black market economies primarily he continued to act as a broker bringing together American equity investment and European finance under the auspices of EC co production agreements He was also quick to exploit the burgeoning niche markets becoming available in the wake of technological developments and government initiatives *The Publishers Weekly* ,2003 **America's Information Wars** Colin B. Burke,2018-03-06 This book narrates the development of science sci tech and intelligence information systems and technologies in the United States from the beginning of World War II to the second decade of our century The story ranges from a description of the information systems and machines of the 1940s created at Wild Bill Donovan s predecessors of the Central Intelligence Agency to the rise of a huge international science information industry and to the 1990 s Open Access Open Culture reformers reactions to the commercialization of science information Necessarily there is much about the people cultures and politics that shaped the methods systems machines and protests The reason for that is simple The histories of technologies and methods are human histories Science information s many lives were shaped by idiosyncrasies and chance as well as by social economic political and technical forces The varied motives personalities and beliefs of unique and extraordinary people fashioned science information s past The important players ranged from a gentleman scholar who led the Office of Strategic Services information work to an ill fated Hollywood movie director to life mavericks like the science information legend Eugene Garfield to international financial wheeler dealers such as Robert Maxwell and to youthful ultra liberal ideologically driven Silicon Valley internet millionaires However although there are no determining laws of information history social political legal and economic factors were important After 1940 science information s tools and policies as well as America s universities were being molded by the nation s wealth its role in international affairs the stand off between left and right politics and by the intensifying conflict between Soviet and Western interests **Christianity and Rabbinic Judaism** Jonas E. Alexis,2011-12 The simple step of a courageous individual is not to take part in the lie One word of truth outweighs the world Alexander Solzhenitsyn In this penetrating and provocative work Jonas E Alexis challenges common assumptions about the relationship between Christianity and Rabbinic Judaism and

provides compelling evidence from history and theology that demonstrates the extent to which modern Judaism has been defined by the Pharisaic and Rabbinic schools of thought As Alexis meticulously documents there has been a constant struggle between Christianity and Rabbinic Judaism since the time of Christ a struggle that will define the destiny of the West Islam according to Christianity is a historically and theologically false religion since it denies both Jesus s deity and His work of salvation at the Cross But Rabbinic Judaism Alexis argues is equally false and in many respects more dangerous to Christianity and the West than Islam since at its root Rabbinic Judaism wages war against the Logos the system of order in the world embodied by Christ In this painstakingly scholarly yet readable work Alexis maintains that Rabbinic Judaism defined by the Pharisaic teachings now codified in the Talmud that Jesus sought to correct is a categorical and metaphysical rejection of Christianity a rejection that has had and will continue to have severe implications for Western culture intellectual history and theological exegesis Dynamic Fair Dealing Rosemary Coombe,Darren Wershler,Martin Zeilinger,2014-05-27

Dynamic Fair Dealing argues that only a dynamic flexible and equitable approach to cultural ownership can accommodate the astonishing range of ways that we create circulate manage attribute and make use of digital cultural objects The Canadian legal tradition strives to balance the rights of copyright holders with public needs to engage with copyright protected material but there is now a substantial gap between what people actually do with cultural forms and how the law understands those practices Digital technologies continue to shape new forms of cultural production circulation and distribution that challenge both the practicality and the desirability of Canada s fair dealing provisions Dynamic Fair Dealing presents a range of insightful and provocative essays that rethink our relationship to Canadian fair dealing policy With contributions from scholars activists and artists from across disciplines professions and creative practices this book explores the extent to which copyright has expanded into every facet of society and reveals how our capacities to actually deal fairly with cultural goods has suffered in the process In order to drive conversations about the cultural worlds Canadians imagine and the policy reforms we need to realize these visions we need Dynamic Fair Dealing The Barnes Review ,2003
