

True Love Waits

**I love you and I know you love me too
Were both in the right track but not in the right time
We have to fortify what we feel towards each other
Because the present emotion that we comprise are not enough
To fight the gigantic barriers between us
Saying I do and till I die are easy as adding one plus one
But to put it into action is as hard as searching for
lost needle in the sea
Perhaps to be invulnerable in what ever storm we**

**encounter is uncertain
So I suppose, meanwhile we should put ourselves in adversity
To be readily and prepared enough
To travel and face the chaotic life
Being brought to us by the ALMIGHTY ALLAH
As of this moment admittedly it pains us
But we have to suffer first before us
Can taste the glory of love together,
other wise well never....**

Solanki,2025-08-22 Some loves begin with a glance Theirs began with a song Alize a soulful musician haunted by loss pours his heart into melodies that echo across the sea Lindale a quiet writer guarding wounds of her own is drawn to the music and the man behind it on a quiet beach where silence speaks louder than words What begins as a fragile bond between two creatives slowly becomes a deep soul stirring connection Together they rediscover the meaning of home the courage to heal and the beauty of love that grows in stillness But when fate delivers a cruel twist their love is tested beyond the boundaries of time In a heartbreaking sacrifice and a mystical revelation they must confront a curse that has followed them across lifetimes Can love truly conquer death Or will the ocean claim them once again Alize is a lyrical heart aching tale of eternal love emotional resilience and the quiet magic of souls meant to find each other again and again **Love Must Wait** Patricia

Life's Ever Changing Emotions Ronald Black,2013-02-26 Poetry is something that we all share each time that we think a thought We think in poetry only some of us are not able to put it in words but thoughts of poetry live in our hearts We are filled with emotions and that is what poetry is You need to just open your heart to the words written for they are the words coming from a heart just like you From our pain and our sacrifices to our joy and happiness when you read this we will be able to see that we are all the same seeking love and a dream that we can claim There are times when we may feel lost and there is nothing that we can do The truth is that there will always be options for us to choose Only with our ever changing emotions at the time we are blind to see For every action there is an opposite reaction There are things that we know that we can do yet we get caught up in the things that we are going through There are times when we are happy and times when we are sad It is a delicate balance in the lives that we live Each of us will need to come to grips with the way that we feel We are never alone although we think at the time that we are alone We need to find the courage to reach out and say that we are here Is there anyone out there that care about the lives that we live At the end of the day if we listen closely we will be able to hear a voice

saying that I am here you are not alone Ever changing emotions is what will live in our hearts We just have to decide the things that we want to do and find the courage to follow them through The Life that I have had to live has been very difficult but the love in my heart kept me strong even when I sometimes may have felt alone I have cried my share of tears and I have suffered many years but I kept the love in my heart We are human and we make mistakes but as long as we live there will always be another road for us to take I pray that the poems that you are reading help you to understand that we all go through lives ever changing emotions We have to live in the moment and if that moment continues to last then we should remember that our lives are made up of our past present and our future For as long as we live we can change the way that we feel Love and forgiveness is what we should always hold most precious in our lives Love and forgiveness can forever live in our hearts Poetry is something that we all share each time that we think a thought We think in poetry only some of us are not able to put it in words but thoughts of poetry live in our hearts We are filled with emotions and that is what poetry is You need to just open your heart to the words written for they are the words coming from a heart just like you From our pain and our sacrifices to our joy and happiness when you read this we will be able to see that we are all the same seeking love and a dream that we can claim

The Greatest Love Story Never Told
Richard Orion, 2015-10-30 This story is based on a true love story that spanned almost two decades The names and places have been changed to protect the privacy of the individuals involved in this affair The chronological sequence of events has been maintained for continuity All the stories and experiences are based on facts This book is about a love story that was kept secret for 18 years and perhaps should've remained a secret The first book related to this love story was a book of poems entitled Somewhere Sometime Somehow Love Poems and Short Stories published in 2008 by this author and Xlibris For the perceptive reader of this book one can trace the ups and downs of our love relationship These 18 years were filled with robust love and passion for each other Perhaps it was fantasy perhaps it was the most real thing we will ever experience The heartbreaking part of this love affair is that I am not really sure my lover ever really understood or appreciated my profound and unconditional love for her I opened my heart to her through poetry and thoughtful letters but she rarely showed me what was in her heart Perhaps it was a one-sided love affair but I surely think and hope not I was convinced that she truly loved me through her words and actions At least I experienced a pure love that I had only dreamed was possible The story is told mainly through the exchange of letters and emails to each other Perhaps readers can experience and hopefully feel the deep love we felt for each other
