

# Words tangle us together like roots

We share, as it happens, a moon, and this vermillion  
sunset here is there too, and there, and there, and there!

Words are best when they are needless, when they say  
what has already been said by a greater power.

I gift you my word, my book, my story.  
Maybe I wrote it, or somehow, I have come into  
possession of it - language does not clarify,  
An ambiguity that lends itself to shared joys.  
I like that - the conductive space between feeling and  
word and love is where life (I guess) is located,  
The struggle to put into song and ritual what eludes all  
articulation.  
As I write, I put my heart in a wrapped-up parcel and send  
it to you: the song of myself.

The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
